Selected Poetry Letters:

Selected Letters John Keats, 2002 This book contains a collection of Keats letters written over four years With extraordinary candour and self knowledge he gives us his experience of almost everything that can happen to a young man between the ages of 21 and 25

The Selected Letters of Robert Creeley Robert Creeley, 2014-01-17 Robert Creeley is one of the most celebrated and influential of the postwar American poets His Selected Letters covering the years 1945 2005 are a foundational document in the recent history of North American letters Through his engagements with mentors such as William Carlos Williams and Ezra Pound peers such as Charles Olson Robert Duncan Denise Levertov Allen Ginsberg and Jack Kerouac and mentees such as Charles Bernstein Anselm Berrigan Ed Dorn Susan Howe and Tom Raworth Creeley helped forge a new poetry that re imagined writing for his and subsequent generations A stylist of the highest order Creeley's letters carry the clear mark of consummate literary artistry and document the life work and times of one of our greatest writers

Felicia Hemans Mrs. Hemans, 2000 The first standard edition of the writings of Felicia Hemans 1793 1835 this volume marks a revival of interest in and a new critical appreciation of one of the most important literary figures of the early nineteenth century A best selling poet in England and America Felicia Hemans was regarded as leading female poet in her day celebrated as the epitome of national feminine values However this same narrow perception of her work eventually relegated Hemans to an obscurity lightened occasionally by parody and a sentimental enthusiasm for poems such as *The Landing of the Pilgrim Fathers* and *Casabianca* Only now is Hemans's work being rediscovered and reconsidered for the complexity of its social and political vision but also for its sounding of dissonances in nineteenth century cultural ideals and for its recasting of the traditional canon of male Romantics Offering readers a firsthand acquaintance with the remarkable range of Hemans's writing this volume includes five major works in their entirety along with a much admired aggregate *Records of Woman* Hemans's letters many published here for the first time reflect her views of her contemporaries her work her negotiations with publishers and her emerging celebrity while reviews and letters from others including Lord Byron Walter Scott and the Wordsworths tell the story of Hemans's reception in her time An introduction by editor Susan Wolfson puts these writings as well as Hemans's life and work into much needed perspective for the contemporary reader

Love, Amy Amy Clampitt, 2007 This extraordinary collection of letters sheds light on one of the most important postwar American poets and on a creative woman's life from the 1950s onward Amy Clampitt was an American original a literary woman from a Quaker family in rural Iowa who came to New York after college and lived in Manhattan for almost forty years before she found success or before it found her at the age of 63 with the publication of *The Kingfisher* Her letters from 1950 until her death in 1994 are a testimony to her fiercely independent spirit and her quest for various kinds of truth religious spiritual political and artistic Written in clear limpid prose Clampitt's letters illuminate the habits of imagination she would later use to such effect in her poetry She offers with wit and intelligence an intimate and personal portrait of life as an independent

woman recently arrived in New York City She recounts her struggle to find a place for herself in the world of literature as well as the excitement of living in Manhattan In other letters she describes a religious conversion and then a gradual religious disillusionment and her work as a political activist Clappitt also reveals her passionate interest in and fascination with the world around her She conveys her delight in a variety of day to day experiences and sights reporting on trips to Europe the books she has read and her walks in nature After struggling as a novelist Clappitt turned to poetry in her fifties and was eventually published in the New Yorker In the last decade of her life she appeared like a meteor on the national literary scene lionized and honored In letters to Helen Vendler Mary Jo Salter and others she discusses her poetry as well as her surprise at her newfound success and the long overdue satisfaction she obviously felt along with gratitude for her recognition

A Science Not for the Earth Evgenii Abramovich Baratynskii, 2015 Poetry Letters Translated from the Russian by Rawley Grau Edited by Ilya Bernstein It is only in the past quarter century or so that Yevgeny Abramovich Baratynsky 1800 1844 has gained wide recognition in Russia as one of the great poets of the 19th century While the psychologically acute love elegies and meditations he wrote in the early 1820s earned him some fame during his lifetime his later lyric verse was ignored or misunderstood by most of his contemporaries Yet it is this body of work in particular where he explores fundamental questions about the meaning of existence from an analytical epistemological perspective that today seems remarkably modern The poet s radical skepticism as well as his increasing sense of isolation from the literary world is reflected most profoundly in his lyric masterpiece the book *Dusk Sumerki* 1842 translated in its entirety in this volume a work that is notable among other things for being the first collection of poems published in Russia as a coherent literary cycle a practice that would become standard only 60 years later Featuring some 75 poems from the early elegies to poems from his final years Baratynsky s *A SCIENCE NOT FOR THE EARTH* will be the first representative collection of the poet s lyric verse in English The translations by Rawley Grau aim to be as semantically close to the original as possible while still conveying a strong sense of the formal aspects of the verse A selection of Baratynsky s letters reflecting his critical thoughts on writing as well as his personal struggles is also included The book is guest edited by Russian American poet Ilya Bernstein
