Other Worlds Society Seen Through Soap Opera:

Other Worlds Dorothy Anger, 1999 In this entertaining but probing inquiry into the nature history and significance of the soaps anthropologist Dorothy Anger shows how they reflect and shape the ethos of particular nations *The Queer Encyclopedia of Film and Television* Claude Summers, 2012-04-24 From Hollywood films to TV soap operas from Vegas extravaganzas to Broadway theater to haute couture this comprehensive encyclopedia contains over 200 entries and 200 photos that document the irrepressible impact of queer creative artists on popular culture How did Liberace's costumes almost kill him Which lesbian comedian spent her high school years as the best white cheerleader in Detroit For these answers and more fans can dip into *The Queer Encyclopedia of Film Theater and Popular Culture* Drawn from the fascinating online encyclopedia of queer arts and culture www.glbtc.com which the Advocate dubbed the Encyclopedia Britanniqueer this may be the only reference book in which RuPaul and Jean Cocteau jostle for space From the porn industry to the Sisters of Perpetual Indulgence from bodybuilding to Dorothy Arzner it's a queer queer world and *The Queer Encyclopedia* is the indispensable guide readable authoritative and concise And perfect to read by candlelight The answers to the two questions above from the dry cleaning fumes Lily Tomlin [From Happy Homemaker to Desperate Housewives](#) Rebecca Feasey, 2012-11-01 From *Happy Homemaker to Desperate Housewives* Motherhood and Popular Television is a comprehensive and accessible introduction to key debates concerning the representations of motherhood motherwork and the maternal role in contemporary television programming The volume looks at the construction of motherhood in the ostensibly female genre of soap opera the mother as housewife in the domestic situation comedy deviant desiring and delinquent motherwork in the teen drama the single working mother in the contemporary dramedy the fragile and failing mother of reality parenting television the serene and selfless celebrity motherhood profile and the new mother in reality pregnancy and childbirth television Motherhood and Popular Television examines the depiction of motherhood in this wide range of popular television genres in order to illustrate how the maternal role is being constructed circulated and interrogated in contemporary factual and fictional programming paying particular attention to the ways in which such images can be seen to challenge or conform to the ideal image of the good mother that dominates the contemporary cultural landscape [The Routledge Companion to Gender and Affect](#) Todd W. Reeser, 2022-12-30 The study of affect is one of the most exciting and wide ranging topics to have emerged in the humanities and social sciences in recent years and continues to generate research and debate It has particularly important implications for the study of gender as this outstanding handbook amply demonstrates It is the most comprehensive volume to date engaging with the intersections between gender and affect studies A global and interdisciplinary range of contributors articulate the connections and disconnections between gender sexuality and affect in a range of geographical and historical contexts Comprising over 40 chapters the Companion is divided into six parts Affects of Gender Affective Relations Relational Affects Affective Practices Representing Affects Geographical

and Spatial Affects Affects of History Histories of Affect Topics examined include intersections between gender and affect over topics including queerness trans feminism masculinity race ethnicity disability animality media posthumanism technology sound labor neoliberalism protest and temporality This is an outstanding collection that will be invaluable to scholars and students across a range of disciplines including gender and sexuality studies cultural studies literature media and sociology Chapter 18 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Encyclopedia of the City Roger W. Caves, 2005 A first class work of reference that will be both an essential resource for independent study as well as a useful aid in teaching a solid but also provocative starting point for wider exploration of the city

Global TV Denise D Bielby, C. Lee Harrington, 2008-08-17 A reporter for the Los Angeles Times once noted that I Love Lucy is said to be on the air somewhere in the world 24 hours a day That Lucy's madcap antics can be watched anywhere at any time is thanks to television syndication a booming global marketplace that imports and exports TV shows Programs from different countries are packaged bought and sold all over the world under the watch of an industry that is extraordinarily lucrative for major studios and production companies In Global TV Denise D Bielby and C Lee Harrington seek to understand the machinery of this marketplace its origins and history its inner workings and its product management In so doing they are led to explore the cultural significance of this global trade and to ask how it is so remarkably successful despite the inherent cultural differences between shows and local audiences How do culture specific genres like American soap operas and Latin telenovelas so easily cross borders and adapt to new cultural surroundings Why is The Nanny whose gum chewing star is from Queens New York a smash in Italy Importantly Bielby and Harrington also ask which kinds of shows fail What is lost in translation Considering such factors as censorship and other such state specific policies what are the inevitable constraints of crossing over Highly experienced in the field Bielby and Harrington provide a unique and richly textured look at global television through a cultural lens one that has an undeniable and complex effect on what shows succeed and which do not on an international scale

Screening Gender Heike Paul, 2007

Handbook of Feminist Research Methodologies in Management and Organization Studies Saija Katila, Susan Meriläinen, Emma Bell, 2023-11-03 The Handbook of Feminist Research Methodologies in Management and Organization Studies focuses on the interlinkages between feminist theories methodologies and research methods and their practical implementation in business and management research Featuring contributions from leading scholars in the field of management and organization studies this groundbreaking Handbook analyses key theoretical texts and their methodological implications as well as topical approaches including postcolonial feminism and critical race theory This title contains one or more Open Access chapters

Power Couples in Antiquity Anne Bielman Sánchez, 2019-03-26 Everyone can name a couple made up of famous rich or powerful partners who cultivate a joint media image which is stronger than either of their individual identities Since the 1980s they have been known as power

couples Yet while the term is recent the concept is not More than 2 000 years ago Greeks and Romans became aware of the media potential of couples and used it as an instrument to reinforce political power Notable examples are Philip II of Macedonia and Olympias Cleopatra and Mark Antony or the Emperor Augustus and his wife Livia Power Couples in Antiquity brings together the reflections of ten specialists on Greek and Roman power couples from the fourth century BCE to the first century CE It is focused on the birth and the development of the ruling couple in the Hellenistic Greek kingdoms and in Rome between the end of the Republic and the beginning of the Empire By taking some emblematic cases this book analyses the redistribution of public and private roles within these couples examines the sentimental bonds or the relations of domination established between partners explores how these relationships played out in private and highlights the many common points between ancient and contemporary power couples This book offers a fascinating insight into power dynamics in the ancient world exploring not only the subtleties within these often complex relationships but also their relationships with their subjects through the cultivation and manipulation of their joint public image *Pop Culture* Shirley Fedorak,2009-05-15

While usually associated with facets of commercial culture pop culture can and must be analyzed as an important part of material economic and political culture The author begins by defining popular culture outlining criticisms and examining the impact of globalization on pop culture She then explores mass media and popular culture soap operas Egyptian melodramas Afro Cuban rap music and virtual communities artistic expression and popular culture graffiti art and body art and gatherings and popular culture fast food in Japan equality in sport and wedding rituals *Merseyside* Mike Benbough-Jackson,Sam Davies,2011-05-25

Merseyside Culture and Place demonstrates how Liverpool and Merseyside have a rich fascinating and sometimes controversial cultural history The result of a conference held to mark Liverpool's year as European Capital of Culture in 2008 this interdisciplinary volume contains chapters by scholars working in a variety of fields including Geography Art English Marketing and History There are many facets to Merseyside's cultural history and the contributors to this publication bring their own perspective to bear on various features of the area's rich heritage Taking in examples from the early modern era to the present day *Merseyside Culture and Place* draws attention to often overlooked cultural forms such as sketches of the Mersey by J M W Turner and the fan culture exhibited on Liverpool FC's Kop Each chapter in the book is based on original research and the contributors set their findings in a local national and in some cases an international context Both academics and general readers will find much of interest in a book that reflects Merseyside's distinctive and multi faceted character *Sociology and Mass Culture* Patricia Cormack,2004-01-01

Cormack investigates the broad cultural significance and relevance of academic sociology by examining its on going relationship with modernity and mass culture *Visual Methodologies* Gillian Rose,2022-09-24

Have you found some exciting images that you want to explore but don't know how to start your research or what methods to choose Do you have a question about an aspect of visual culture that you want to answer Whatever level of experience you have this classic text will provide you with the key

skills you need to complete a visual methods research project understand the rationale behind each step and engage with the contexts and power relations that shape our interpretation of visual images With a clear step by step approach that is easy to dip in and out of the book features Key examples in every methods chapter to demonstrate how the methods work in practice and with different visual materials Focus and Discussion features that help you practice your skills at specific parts of the methods and understand some of the method s complexities Guidance on researching using digital visual media such as Instagram and TikTok integrated throughout the book This bestselling critical guide is the perfect companion to visual methods projects for undergraduates graduates researchers and academics across the social sciences and humanities

Pop Culture in Europe Juliana Tzvetkova, 2017-10-12 A fascinating survey of popular culture in Europe from Celtic punk and British TV shows to Spanish fashion and Italian sports From One Direction and Adele to Penelope Cruz and Alexander Skarsgard many Europeans are becoming household names in the United States This ready reference guide covers international pop culture spanning music literature movies television and radio the Internet sports video games and fashion from the mid 20th century through the present day The organization of the book with entries arranged alphabetically within thematic chapters allows readers to quickly find the topic they are seeking Additionally indexing allows for cross cultural comparisons to be made between pop culture in Europe to that of the United States An extensive chronology and lengthy introduction provide important contextual information such as the United States influence on movies music and the Internet the effect of censorship on Internet and social media use and the history of pop culture over the years Topics feature key musicians songs books actors and actresses movies and television shows popular websites top athletes games clothing fads and designers and much more

Aussie Fans Celia Lam, Jackie Raphael, 2019-10-01 Australia holds a unique place in the global scheme of fandom Much of the media consumed by Australian audiences originates from either the United States or the United Kingdom yet several Australian productions have also attracted international fans in their own right This first ever academic study of Australian fandom explores the national popular culture scene through themes of localization and globalization The essays within reveal how Australian audiences often seek authentic imports and eagerly embrace different cultures examining both Hollywood s influence on Australian fandom and Australian fan reactions to non Western content By shining a spotlight on Australian fandom this book not only provides an important case study for fan studies scholars it also helps add nuance to a field whose current literature is predominantly U S and U K focused Contributors Kate Ames Ahmet Atay Jessica Carniel Toija Cinque Ian Dixon Leigh Edmonds Sharon Elkind Jacqui Ewart Lincoln Geraghty Sarah Keith Emerald L King Renee Middlemost

The Modern Stage and Other Worlds (Routledge Revivals) Austin E. Quigley, 2015-08-11 Modern plays are strikingly diverse and as a result any attempt to locate an underlying unity between them encounters difficulties to focus on what they have in common is often to overlook what is of primary importance in particular plays to focus on their differences is to note the novelty of the plays without increasing their accessibility In this

study first published in 1985 Austin E Quigley takes as his paradigm case the relationship between the world of the stage and the world of the audience and explores various modes of communication between domains He asks how changes in the structure of the drama relate to changes in the structure of the theatre and changes in the role of the audience Detailed interpretations of plays by Pinero Ibsen Strindberg Brecht Ionesco Beckett and Pinter question principles about the modern theatre and establish links between drama structure and theatre structure theme and performance space **Speaking of Soap Operas** Robert Clyde Allen,1985 From Ma Perkins and One Man s Family in the 1930s to All My Children in the 1980s the soap opera has capture the imagination of millions of American men and women of all ages In *Speaking of Soap Operas* Robert Allen undertakes a reexamination To Be Continued... Robert C. Allen,2002-01-04 *To Be Continued* explores the world s most popular form of television drama the soap opera From Denver to Delhi Moscow to Manchester audiences eagerly await the next episode of *As the World Turns* *The Rich Also Weep* or *Eastenders* But the popularity of soap operas in Britain and the US pales in comparison to the role that they play in media cultures in other parts of the world *To Be Continued* investigates both the cultural specificity of television soap operas and their reception in other cultures covering soap production and soap watching in the U S Asia Europe Australia and Latin America The contributors consider the nature of soap as a media text the history of the serial narrative as a form and the role of the soap opera in the development of feminist media criticism *To Be Continued* presents the first scholarly examination of soap opera as global media phenomenon

Worship as Community Drama Pierre Hegy,2019-03-22 Church weddings funerals and most Sunday services reflect the values and dramas of their communities even when the ministers are the main or sole actors This point is illustrated by examples ranging from American television masses to the Zairean three hour services in the Congo Of greatest interest to readers might be the Sunday services at ordinary parishes which also range from friendly but uninspiring to innovative and inviting There are also two exceptionally vital churches analyzed here an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr Today one can hardly buy an item in a store or on the Internet without being asked for an evaluation yet church services are seldom evaluated There can be no improvement without evaluation This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth The prophet Elijah found God in earthquakes and fire but most people find mystery through art music rhythm chanting expressive readings evocative rituals and enlightened homilies Today people expect mystagogy rather than routine performances Mystagogy can be learned and improved through evaluation to which this book desires to make a major contribution **Electronic Media** Norman J. Medoff,Barbara Kaye,2013-03-20 *Electronic Media* connects the traditional world of broadcasting with the contemporary universe of digital electronic media It provides a synopsis of the beginnings of electronic media in broadcasting and the subsequent advancements into digital media Underlying the structure of the book is a See It Then See It Now See It Later approach that focuses on how past innovations lay the groundwork for

changing trends in technology providing the opportunity and demand for change in both broadcasting and digital media FYI and Zoom In boxes point to further information tying together the immediate and long ranging issues surrounding electronic media Career Tracks feature the experiences of industry experts and share tips in how to approach this challenging industry Check out the companion website at <http://www.routledge.com/cw/medoff/9780240812564> for materials for both students and instructors
