The Dark Prophecy of "nemesis" Alfred Schmielewski, Yogi A.S. Narayana, 1996-11-13 The Vedic seers say God is the creator of the universe Narayana The cosmos is an eternal thought in the mind of Brahman The cosmos is a living being and of mental nature This mental life form or being is immortal It is one of

the mental functions of Brahman The Vedic seers say God brings forth the universe by means of the Veda s Narayana Although the cosmos expands and contracts like one breathing it is forever There never was a station where the cosmos was not nor shall it ever be that there is no cosmos St Thomas von Aquinas was in fatal error when he stated that Nothing contains a potential from whence something can be made by God The everlasting cosmos cannot be brought forth by anything or anyone For the cosmos is not separate from God but a living function of the living God

God at Play Daniel Soars,2025-07-01 The first comparative treatment of the topic of l l in Hindu and Christian traditions this volume explores what it means to consider divine and human action under the categories of play wit drama grace and compassion *God at Play* presents a theological exploration of the multifaceted motif of l l across diverse Hindu and Christian landscapes and its wide ranging connections to divine and human creativity Given its ubiquity in Hindu theologies and life forms l l offers a rich comparative framework for exploring certain ways of understanding divine and human action as expressed in Hindu and Christian sacred texts philosophical theology and ritual practices Though l l is often interpreted simply as play the essays in this volume reflect a far richer semantic and conceptual field ranging from spontaneity and gratuitousness through joy and humor to mercy and compassion By focusing on the different contexts in which l l is found in Hindu traditions and resisting any uniform translation of the term the contributors to this volume avoid the risk of using predominantly western or Christian categories to understand the Hindu other The volume thus explores how l l functions in a variety of distinctive philosophical theological and devotional ways across Hindu traditions and listens for echoes in Christian understandings of the gratuitousness of the created order in relation to God *God at Play* is a genuine experiment in deep learning across traditions Each chapter reflects on what is learned by taking l l as the category of comparison and invites the reader to think about what these conversations add confirm or change in relation to earlier twentieth century scholarship on play not least in terms of what difference it might make to understand human life as an

imitation and a participation in the divine life of a playful deity

Spirit, Soul, Body Cyprian Consiglio, 2015 A perennial problem for spiritual traditions of all sorts is dualism either a

Many contemporary spiritual seekers have sensed this problem and sought to remedy it through myriad solutions drawn from various spiritual traditions and secular wisdom both Eastern and Western. Cyprian Consiglio OSB Cam explores Christianity's contribution to the discussion. He offers a revisioning and rearticulation of this teaching based on the prophetic seminal work of Bede Griffiths toward a practical and integral spirituality that reverences all aspects of our being: human, spirit, soul, and body.
