

The background of the slide is a sepia-toned photograph of a study desk. In the foreground, an open book lies flat, with a pair of round-rimmed spectacles resting on its right page. A quill pen is positioned horizontally across the bottom of the frame, partially overlapping the open book. In the background, several other books are visible, some standing upright and others lying flat, creating a sense of a well-stocked library or study. The lighting is warm and focused on the open book and the quill.
