Numbers And Joshua:

Numbers and Joshua George S. Syme, 1981 *Joshua and the Fall of Jericho* Sara H. Low, 2017 Despite the impressive wall around Jericho Gods people defeated the city without a shovel or axe or arrow This story from Numbers and Joshua teaches children that God will punish the unrighteous but He will keep His promise to deliver those whom His Son has redeemed **Mysteries & Intrigues of the Bible** Howard Books, 2007-10-16 Explore the Wonders of the Bible Ever find yourself wondering What happened to the ark of the covenant Who was the mysterious Queen of Sheba What was the secret to Samson s astonishing power What caused thousands of pigs to run off a cliff Mysteries Intrigues of the Bible answers these and other questions based on strange but true stories from the bestselling book of all time the Bible It explores the lives of eccentric people and prophets as well as those of notorious kings and queens It looks behind the scenes at amazing events from the sudden fall of Jericho to Belshazzar s mysterious death to Jesus s fascinating miracles It considers curious connections among the Bible s records of such events as miraculous births and fishy stories It also answers some of the most frequently asked questions about the Bible such as Doesn t the idea of miracles conflict with the natural laws that govern this world and Do people have guardian angels Intriguing stories fascinating charts astounding facts and interesting answers to commonly asked questions all with biblical references make Mysteries Intrigues of the Bible an entertaining and informative book for the entire family **Secrets of the Prince of Expositors** Michael Hawk Mills, 2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren s sermons as well as his essay *An Old Preacher on Preaching* teach expositors today how to make the Bible s truths come alive and be applicable *Numbers of the Lord* Mark David, 2012-02-07 Biblical numbers have spiritual meaning and this spiritual meaning can also be understood chronologically How did the Wise Men for example know what the Star of Bethlehem meant when it appeared Is there some formula to relate these numbers to time The answer is yes Biblical numbers are part of a brilliant system stating Gods blueprint of the history of His church and of the world In some cases a code utilizing the Golden Ratio even dates the Biblical event recorded in the text in which the numbers are embedded the birth of Christ for example In other cases the numbers project the time the events will occur and are chronological prophecies the fall of Jerusalem to the Roman general Titus in 70

a d or the Moslems sacking New York City in 2001 9 11 In all cases this book elucidates the power of God to ordain Time in order to make the history of the world *A Commentary on Numbers* Pekka Pitkänen, 2017-06-26 This book provides a new reading of the biblical book of Numbers in a commentary form Mainstream readings have tended to see the book as a haphazard junkyard of material that connects Genesis Leviticus with Deuteronomy and Joshua composed at a late stage in the history of ancient Israel By contrast this book reads Numbers as part of a wider work of Genesis Joshua a carefully crafted programmatic settler colonial document for a new society in Canaanite highlands in the late second millennium BCE that seeks to replace pre existing indigenous societies In the context of the tremendous influence that the biblical documents have had on the world in the last 2 000 3 000 years the book also offers pointers towards reading these texts today This volume is a fascinating study of this text and will be of interest not only to biblical scholars but to anyone with an interest in the history of the ancient Levant and colonisation and colonialism in the ancient world more broadly **Numbers A.n.d.**
