Nun A Memoir

Marge Rogers Barrett

Nun A Memoir:

Nun Mary Gilligan Wong, 1983 Like many Catholic girls prior to Vatican II Mary wanted to be a nun Ecstatic at her acceptance into a teaching order she began the period of intense training called formation learning the virtues prescribed by a 19th century male dominated Church humility self abnegation and childlike dependence on the will of her superiors What happens to a normal 14 year old girl giggly and interested in boys who adores her family yet feels compelled to commit herself to a life that will demand that she never again visit her parents home And what leads Mary formed and on mission to make the decision not to take her final vows Here the author invites the reader to enter the world of the young woman who made that journey to wander the cloistered halls of the convent and experience from the inside the workings of cloistered minds and hearts Mary Wong interviewed forty former nuns about the experience of convent life interweaving their stories with hers in a candid funny deeply moving account of her training and adventures and of the beliefs and doubts that persevere From publisher description Lieutenant Nun Catalina De Erauso, 2011-02-07 One of the earliest known autobiographies by a woman this is the extraordinary tale of Catalina de Erauso who in 1599 escaped from a Basque convent dressed as a man and went on to live one of the most wildly fantastic lives of any woman in history A soldier in the Spanish army she traveled to Peru and Chile became a gambler and even mistakenly killed her own brother in a duel During her lifetime she emerged as the adored folkloric hero of the Spanish speaking world This delightful translation of Catalina s own work introduces a new audience to her audacious escapades *The Life and Loves of an Ex-Nun* Jo Marie De Angelo, 2018-11-19 The memoir titled *The Life and Loves of an Ex nun* The memoir begins with The Early Years as far back as the author can remember and recounts the unusual circumstances that lead her to the decision to enter religious life at the age of thirteen It recounts the experiences of the life of a nun within a very traditional European Community her reasons for eventually leaving and the varied tapestry of the life and loves that followed The final chapter on Intuition concludes with her affirmation perhaps imperative to trust and to follow your gut in making important choices on ones journey through life

Called: The Making & Unmaking of a Nun Marge Rogers Barrett, 2016-05-21 Margaret Rogers grew up in a large family in a small town on the prairie lively and free spirited But in high school God called her In 1963 she entered the convent to become Sister Zoe And then she was called again **Once Upon a Convent** Orice Klaas, 2015-07-16 A fifteen year old girl enters a convent during the mid nineteen fifties when nuns still wear traditional habits and are physically and emotionally removed from the rest of the world Subjected to rigid programming that includes almost perpetual silence and nearly total social isolation from her fellow community members the young nun believes that God has called her and stays there for nineteen years She eventually finds liberation and clarity through an unexpected sexual awakening with another woman The manner in which she resolves the conflict this causes between her spiritual and human needs leads her to a new future *One Nun's Odyssey* Marion Kenneally, 2016-01-05 This story chronicles the journey of an 18 year old young woman

who entered an Order of teaching nuns in 1952 believing herself to have a religious vocation After three years of novitiate training she pronounced vows and was assigned to teach in the elementary grades of parochial schools in New Jersey Baltimore Fall River and New York During the last two years of her life as a nun she matriculated in a program of religious studies at Fordham University There she enjoyed exposure to many European theologians who proffered enlightened views on religion and she ultimately called into question some of the tenets of the Catholic Church Ultimately she rejected her faith and sought dispensation from her vows

Predatory Nuns Brian Titley,2022-06-24 Since the first scandals broke in the mid 1980s the sexual misconducts of priests have cost the Catholic Church in America more than 4 billion in compensation settlements and incalculable damage to its reputation Although their crimes have attracted far less attention predatory nuns have also caused harm The depredations of these nuns took place in convent novitiates orphanages boarding schools for Native Americans and in Catholic schools both elementary and secondary Their victims male and female ranged in age from six year olds to young adults This book focuses on the criminal behavior of North American nuns and the responses from church leadership Mothers superior were outspoken in their refusal to accept responsibility for the crimes committed under their watch and their inclination was to close ranks and protect the predators endangering many children and young people in the process The complainants on the other hand were considered nuisances to be pushed aside with the least amount of exposure and expense possible Straightforward and informative this text begins by exploring the nuns vow of chastity and its relationship with human sexuality followed by dozens of case studies detailing the sexual abuse that nuns committed in various settings

A Blessing, an Old Nun Said Joan Irene Edwards,2001-01-01 **Memoirs of a Nun** Denis Diderot,2015-03-18 *Memoirs of a Nun* which began as a joke and grew into a masterpiece was one of the loudest salvos fired in the continuing battles between the clergy and the intelligentsia which defined so much of eighteenth century French history Diderot s story of a novice held in a convent against her will and forced to undergo curious spiritual and sexual trials displays all the brilliance icy wit and worldliness of the Enlightenment at its best

And Then There Were Nuns Jane Christmas,2013 Just as Jane Christmas decides to enter a convent in mid life to find out whether she is nun material her long term partner Colin springs a marriage proposal on her Determined not to let her monastic dreams be sidelined Christmas embarks on a year long adventure to four convents one in Canada and three in the UK In these communities of cloistered nuns and monks she revels in and at times chafes against the silent simple existence she has sought off of her life
