David Knottnerus, 2015-12-03 Portraying people who have lived and worked in long term nursing home facilities *Elder Care Catastrophe* reveals how organizational dynamics and everyday rituals have unintentionally led to resident neglect and abuse Backed up by research and grounded in sociological theory this book offers alternative models for lessening the maltreatment of people living in nursing homes It provides critical information for family members struggling with nursing home issues nursing home employees policy makers students and researchers concerned with elder care issues

Evangelism in Retirement Homes Joan Ann Warnell, 2004-08 Warnell tells of visiting the elderly who are often forgotten by society to lead them to their savior pray for their healing and watch their very countenances change as joy fills their hearts *Evangelism Church Growth Missions* **Nasty, Brutish, and Long** Ira Rosofsky, 2009-03-19 Read Ira Rosofsky's posts on the Penguin Blog A candid humane and improbably humorous look at the world of eldercare In nursing homes across the country members of the Greatest Generation are living out their last days Life is a succession of pokes and prods medications TV bingo and possibly talking to Ira Rosofsky With a compassionate eye but mordant wit Rosofsky a psychologist charged with gauging the mental health of his elders reveals a culture based not in the empathy of caretaking but rather in the coolly detached bureaucracy of Medicare and Medicaid A portrayal of what is increasingly becoming the last slice of life for many *Nasty Brutish and Long* is also a baby boomer's poignant meditation on mortality a reflection on his caregiving for his parents final days and an examination of the choices that we as a society have made about health care for the elderly who are no longer of sound mind and body *Nursing Homes and Assisted Living* Peter S. Silin, 2009-11-16 Almost a decade ago Peter S Silin wrote *Nursing Homes The Family's Journey* to provide family members with practical advice and emotional support This successor volume incorporates the new and sometimes baffling world of assisted living *Nursing Homes and Assisted Living* focuses on the psychological emotional and practical aspects of helping family members and seniors make a difficult transition Silin approaches his subject with compassion and sensitivity guiding readers through the process of finding the best possible care He describes how nursing homes and assisted living facilities work and outlines the selection process he explains how to prepare for the day a relative moves into a facility and suggests ways to help the resident settle in he focuses on the family member's role in solving problems obtaining good quality care and visiting The author's insights help caregivers cope with difficult decisions and deal with emotional issues such as guilt and grief while celebrating the tender rewarding aspects of being a caregiver Vignettes from real life caregivers narrating their experiences amplify Silin's advice and will resonate with families This book provides caregivers family members and seniors with the information they need to effect successful transitions It is also a valuable tool for social workers nurses and family therapists **Life After Work** Allan Fromme, 1984 Apathy boredom and loneliness do not have to be problems of today's senior citizens The author

proposes a plan for making the most of retirement years **Loving God** Charles W. Colson, 2011-04-19 In his magnificent classic Chuck Colson shakes the church from its complacency with a penetrating look at the cost of being Christian For those who have wondered whether there isn't more to Christianity than what they have known and for those who have never considered the question *Loving God* points the way to faith's cutting edge Here is a compelling probing look at the cost of discipleship and the meaning of the first and greatest commandment one that will strum a deeper truer chord within even as it strips away the trappings of shallow cultural Christianity Looking for the complete volume on Christian living This is it And the title sums it up If you desire life deep rich and meaningful then it is simply *Loving God* Joni Eareckson Tada President Joni and Friends *Follow the Lamb Wherever He Goes* Andy Rapko, 2022-01-24 The world is changing at a rapid pace and most people are busy just trying to keep up Some are moving in the right direction some in the wrong direction and many are just running without much thought about where they are going Who will you follow today What are you living for What are you willing to die for The book of Revelation brings these questions to the forefront and presents us with clear concise answers about the world situation our life and eternity Most importantly though Revelation introduces us to Jesus the Lamb of God As you meet Jesus you will be astounded by His beauty power and glory But you will also be faced with a choice Will you be one who follows the Lamb wherever He goes In this book Pastor Andy Rapko presents clear Biblical teaching balanced with practical insights Follow the Lamb wherever He goes will challenge you to live life to the fullest through a life transforming relationship with Jesus the Lamb of God Transition Luther Allgood, 2019-05-23 *Transition* Deathbed's Compelling Evidence of Life After Death is the real life experiences of dying patients primarily in a hospice setting These experiences are measured for accuracy through the scientific method Most importantly these experiences are validated by biblical information Information and events which fail testing against biblical standards are not considered evidence of eternal life The result is a fascinating life changing book presenting these facts There is life after death and there are only two destination choices life in heaven through Jesus or life in hell apart from Jesus The author urges you to choose wisely

Words of Faith Thayer Keith Miller, 2013-12-06 *WORDS OF FAITH* is a conservative Protestant Christian perspective a personal critical view of religion society and the destiny of mankind Chapters are Words of Faith an introduction Freedom and Destiny The Importance of Faith in God Plain Talk The Muslim Threat The Power of Positive Thinking A Mother's Faith Original Sin Satan's Rule Dare to Be a Christian The Face of Hypocrisy The Source of Freedom Double Standards Missions The Holy Spirit and Closing Statement It is a wakeup call for revival of the original Gospel as we face the threats of materialism liberalism and lukewarm faith
