

8 FUNNY NURSING STORIES

(That are Actually Real)

Nursing Stories

Colleen Sell

Nursing Stories:

The Call of Nursing William B. Patrick, 2013-05-30 The Call of Nursing is not a typical book about nurses. It takes us behind the curtain of silence that often hangs between us, the patients who rely on the health care system and the women and men who form the backbone of that system and who are entrusted with our intimate care. It lets us hear why nurses today do what they do and it allows those nurses to show us in their own words what has mattered most to them in their professional careers. The twenty-three intimate self-portraits in The Call of Nursing help us see more clearly the kinds of challenges nurses face and accept on a routine basis and offer a rare glimpse into lives of women and men committed to care and service. Foreword Magazine 2013 Book of the Year Finalist. Education *Angels in Disguise* Dolores H. McNany Edd Rn, 2011-07 School nurses serve on the front lines of the everyday struggle for our children's health yet they are often perceived as little more than glorified dispensers of bandages. This false perception held by many parents, officials, and administrators does a serious disservice to this dedicated group of health professionals. *Angels in Disguise* tells the oral history of school nursing through the eyes, ears, and hearts of school nurses serving throughout the United States. By sharing their personal experiences, these nurses illustrate their love and compassion and throw the doors wide open on this often undervalued profession, enabling readers to see into their world and understand how much they truly care for the children they treat. This collection of heartwarming stories offers unique insight into the daily responsibilities and duties of school nurses and serves to raise public awareness of the dedication, leadership, and exemplary pediatric health care provided by the devoted women and men who care for America's schoolchildren. The sophisticated medical health care required in schools today can only be delivered by qualified professional school personnel, and that challenge is met by having a school nurse in every school facility. [A Cup of Comfort for Nurses](#) Colleen Sell, 2006-02-13 A collection of more than fifty stories celebrating the hard work nurses perform on a daily basis. A Cup of Comfort series presents this heartwarming collection of more than fifty real-life stories of comfort, solace, and healing that honor the frequently undervalued contributions of dedicated nurses to the medical profession. *The Bell Lap* Muriel Murch, 2017-07-12 This book explores with great insight the multiple lessons of living and dying. These stories offer engaging and invaluable insights for trainees, practicing nurses, and other health professionals working in the field. Through these stories, the author has laid the ground for the caregiver to reach beyond the confines of the settings of illness, whether home, hospital, or long-term care, and become an active and involved participant in the world of the patient. *I Wasn't Strong Like This When I Started Out: True Stories of Becoming a Nurse* Lee Gutkind, 2013-02-25 This collection of true narratives reflects the dynamism and diversity of nurses who provide the first vital line of patient care. Here, nurses remember their first sticks, first births, and first deaths and reflect on what gets them through long, demanding shifts and keeps them in the profession. The stories reveal many voices from nurses at different stages of their careers. One nurse in training longs to be trusted with more important procedures while another questions her

ability to care for nursing home residents An efficient young emergency room nurse finds his life and career irrevocably changed by a car accident A nurse practitioner wonders whether she has violated professional boundaries in her care for a homeless man with AIDS and a home care case manager is the sole attendee at a funeral for one of her patients What connects these stories is the passion and strength of the writers who struggle against burnout and bureaucracy to serve their patients with skill empathy and strength

Reflections on Nursing American Journal of Nursing, 2016-10-03 Offering life and career changing moments in nurses lives the 80 true stories in Reflections on Nursing reveal nursing at its most demanding and fulfilling Written mainly by nurses offering care at home hospital or hospice these first person stories convey the professional burdens personal growth and inner realizations found in the course of patient care Whether you are a new or experienced practitioner or just fascinated by nursing care in action these inspiring true stories show nursing as both professional and life experience and often as an inspired journey Experience the challenges and hard earned wisdom of these real life nursing moments Written by or about nurses of all experience levels and in numerous care settings including stories about memorable nurses written by patients family members and doctors Dive into these engrossing short stories and go on a journey with the nurse who inspires dignity and strength in a young soldier who is losing his wife the young nurse who stands up to a bullying preceptor the nurse who realizes her best friend a fellow nurse is stealing drugs from their unit the nurse struggling to give adequate care to seven patients at once on an understaffed unit the retired doctor who recalls the nurse who saved him as a young intern from mishandling a crucial situation with a dying patient the nurse who takes on an angry patient with a challenging case to offer special help and encouragement nurses who become a patient The nurse administrator who pushes hard for administrative decisions that will support nurses and improve patient care the inspiring patients who help nurses remember why they became a nurse

Nursing Shorts: Stories About Being a Nurse by a Nurse Vennie Anderson, 2021-10-03 Stories About Nursing by a Nurse is the subtitle of Nursing Shorts and a perfect brief description of this fascinating book From her first tentative hospital experiences as a volunteer to her final thirteen years of paid employment at a Department of Veterans Affairs Medical Center Anderson brings us along as she remembers relives and writes about her career as a registered nurse A sixteen year old girl bathes a dead man to prepare him for the funeral home Student nurses wait apprehensively while police search for a mass murderer A disabled child is badly beaten and dies with no one held accountable for the beating A cruel doctor blames his own patient for her stillborn child A belligerent drunk threatens those who are trying to help him A desperate depressed veteran locks himself into a bathroom and commits suicide Some stories may shock and surprise you Some may make you happy sad or angry Humor and tragedy exist side by side in these captivating stories Compassion humor and honesty give the ring of truth and reality to this extraordinary career based memoir Of herself and fellow nurses Anderson says Nursing isn't what we do it's who we are

The Human Side of Nursing Lois Gerber, 2014-09-20 The Human Side of Nursing A Short Story Collection Second Edition gives readers the day

to day experiences of a visiting nurse as she interacts with patients and their families The original book has been updated and includes six additional stories Lois explores how illness aging disability cultural beliefs and poverty affect people and how they regain hope and meaning for their lives as they learn to manage their health and reconstruct their relationships The stories are meant to look beneath the surface to the deeper part of human nature They show the connection among individuals families and communities and the challenges and triumphs of ordinary people doing extraordinary things The story themes are similar joy fear anger confusion self determination and personal growth Nurses nursing students family caregivers or anyone interested in warm inspirational stories will enjoy this collection Review by JeanMarie Lois stories of caring for her patients expertly depict how not only the patient or family member is touched by her interventions but also how the nurse herself is affected

Expertise in Nursing Practice Patricia Benner,Christine Tanner,Catherine Chesla,2009-03-16 Named a 2013 Doody s Core Title Nursing practice is a complex and varied field that requires precision dedication care and expertise Clinicians must have both the skills and the tools to attend to changes in patients responses recognize trends and understand the nature of their patients conditions over time This book clearly delineates the skills needed to become an expert nurse In this new edition the editors present a report of a six year study of over 130 hospital nurses working in critical care Expanding upon the study conducted in the previous edition this new book documents and analyzes hundreds of new clinical narratives that track the development of clinical skill acquisition including caring clinical judgment workplace ethics and more Highlights of this book Includes transitional guidance for nurses new to the field Discusses the primacy of caring and the importance of good clinical judgment Includes new practice models including the Dreyfus Model of Skill Acquisition Provides guidelines for strengthening the nurse patient relationship Presents implications for nursing education and patient safety Ultimately this work defines expertise in nursing practice The book serves as a valuable resource that will enable nurses to expand their knowledge base cultivate their clinical skills and become successful experts in nursing practice

Angels in Disguise Dolores H. McNany,2011-07-26 School nurses serve on the front lines of the everyday struggle for our childrens health yet they are often perceived as little more than glorified dispensers of bandages This false perception held by many parents officials and administrators does a serious disservice to this dedicated group of health professionals Angels in Disguise tells the oral history of school nursing through the eyes ears and hearts of school nurses serving throughout the United States By sharing their personal experiences these nurses illustrate their love and compassion and throw the doors wide open on this often undervalued profession enabling readers to see into their world and understand how much they truly care for the children they treat This collection of heartwarming stories offers unique insight into the daily responsibilities and duties of school nurses and serves to raise public awareness of the dedication leadership and exemplary pediatric health care provided by the devoted women and men who care for Americas schoolchildren The sophisticated medical health care required in schools today can only be delivered by qualified

professional school personnel and that challenge is met by having a school nurse in every school facility
