Barrow**

Private Lives And Public Accounts:

Private Lives and Public Accounts Thomas J. Cottle,1978 **Private Lives/Public Consequences** William Henry Chafe,2009-06-30 A political leader s decisions can determine the fate of a nation but what determines how and why that leader makes certain choices William H Chafe a distinguished historian of twentieth century America examines eight of the most significant political leaders of the modern era in order to explore the relationship between their personal patterns of behavior and their political decision making process The result is a fascinating look at how personal lives and political fortunes have intersected to shape America over the past fifty years One might expect our leaders to be healthy wealthy genteel and happy In fact most of these individuals from Franklin Delano Roosevelt to Martin Luther King Jr from John F Kennedy to Bill Clinton came from dysfunctional families including three children of alcoholics half grew up in poor or only marginally secure homes most experienced discord in their marriages and at least two displayed signs of mental instability What links this extraordinarily diverse group is an intense ambition to succeed and the drive to overcome adversity Indeed adversity offered a vehicle to develop the personal attributes that would define their careers and shape the way they exercised power Chafe probes the influences that forged these men s lives and profiles the distinctive personalities that molded their exercise of power in times of danger and strife The history of the United States from the Depression into the new century cannot be understood without exploring the dynamic and critical relationship between personal history and political leadership that these eight life stories so poignantly reveal Private Lives, Public Histories Rachel Corr,Jacqueline Fewkes,2020-07-22 Private Lives Public Histories brings together diverse methods from archaeology and cultural anthropology enabling us to glean rare information on private lives from the historical record The chapters span geographic areas to present recent ethnohistorical research that advances our knowledge of the connections between the public and private domains and the significance of these connections for understanding the past as a lived experience both historically and in a contemporary sense We discuss how the use of different sources e g public records personal journals material culture the built environment letters public performances etc can reveal different types of information about past cultural contexts as well as private sentiments about official culture and society Through an exploration of sites as varied as homes factories plantations markets and tourism attractions we address the public significance of private sentiments the resilience of bodies and gendered interactions in historical contexts In doing so this book highlights linkages between private lives and public settings that have allowed people to continue to exist within adapt to and or resist dominant cultural narratives

Public Vision, Private Lives Mark Sydney Cladis,2003 This text invites us to reflect on the nature and place of public and private in the work of Rousseau and more generally in society It explores the conflicts with which Rousseau wrestled prerogatives and obligations to self friends family civic life and to humanity Mikhail Bakhtin Gary Saul Morson,Caryl Emerson,1990 Books about thinkers require a kind of unity that their thought may not possess This cautionary statement is

especially applicable to Mikhail Bakhtin whose intellectual development displays a diversity of insights that cannot be easily integrated or accurately described in terms of a single overriding concern. Indeed in a career spanning some sixty years he experienced both dramatic and gradual changes in his thinking, returned to abandoned insights that he then developed in unexpected ways and worked through new ideas only loosely related to his earlier concerns. Small wonder then that Bakhtin should have speculated on the relations among received notions of biography, unity, innovation and the creative process. Unity with respect not only to individuals but also to art, culture and the world generally is usually understood as conformity to an underlying structure or an overarching scheme. Bakhtin believed that this idea of unity contradicts the possibility of true creativity. For if everything conforms to a preexisting pattern then genuine development is reduced to mere discovery, to a mere uncovering of something that in a strong sense is already there. And yet Bakhtin accepted that some concept of unity was essential. Without it the world ceases to make sense and creativity again disappears, this time replaced by the purely aleatory. There would again be no possibility of anything meaningfully new. The grim truth of these two extremes was expressed well by Borges: an inescapable labyrinth could consist of an infinite number of turns or of no turns at all. Bakhtin attempted to rethink the concept of unity in order to allow for the possibility of genuine creativity. The goal in his words was a nonmonologic unity in which real change or surprisingness is an essential component of the creative process. As it happens, such change was characteristic of Bakhtin's own thought, which seems to have developed by continually diverging from his initial intentions. Although it would not necessarily follow that the development of Bakhtin's thought corresponded to his ideas about unity and creativity, we believe that in this case his ideas on nonmonologic unity are useful in understanding his own thought as well as that of other thinkers whose careers are comparably varied and productive.

Private Lives, Public Deaths Jonathan Strauss, 2013-07. Private Lives, Public Deaths draws on classical studies, Hegel and modern philosophical analyses to describe how Sophocles' tragedy *Antigone* expresses a key concern of ancient Greek culture: the value of a living individual.

Intimate Appraisals Thomas J. Cottle, 2002. An eminent sociologist offers insightful impressions and discussions of American culture and the ways it both liberates and imprisons various social groups.

Dickens and Democracy in the Age of Paper Carolyn Vellenga Berman, 2022-02-10. This book examines Charles Dickens's fiction alongside publications emanating from Parliament. It argues that Dickens and Parliament were engaged in competitive efforts to represent the People at a crucial moment in the history of representative democracy when the British government was under enormous political pressure to expand the franchise beyond a narrow band of male landowners. Contending that fiction and the literature of Parliament interacted at a host of levels jostling one another in the same bookshops, it reads Dickens's novels in tandem with blue books, the practice texts of shorthand manuals and Dickens's journalism. It shows how his fiction mocks parliamentary form as in *Pickwick Papers*, canvasses the history of parliamentary representation as in *Bleak House* and depicts the relation of the People to the state as well as commerce as in *Little Dorrit*. It thus rethinks the history of the

Victorian novel by examining its rivalry with Parliament in the expanding world of print publication

The Public Life of Friendship Jennifer Wilkinson, 2019-01-09 This book is about friendships in public settings today Wilkinson examines friendships in the public settings of neighbourhoods civil society and at work Identifying the unique relevance which public friendships have to contemporary social problems the chapters cover a range of topics including work life balance women's double burden and their leisure deficit and contemporary neighbouring initiatives Wilkinson shows how friendship time at work provides solutions to new social problems including privacy with the modern workplace being hyper public and emphasizing visibility monitoring and 24/7 availability friendship's combination of voluntarism and trust enable a private refuge even in an open plan office The book also explores the way in which friendships in public settings like work and neighbourhood provide community to those in society who are more likely to be excluded from private familial intimacy The Public Life of Friendship will be of interest to students and scholars across a range of social science disciplines with an interest in friendship and the sociology of personal life

The Kembles An Account of the Kemble Family, including the Lives of Mrs. Siddons, and her Brother John Philip Kemble Percy Fitzgerald, 1872 *British Political Culture and the Idea of 'Public Opinion', 1867-1914* James Thompson, 2013-08-29 An examination of how public opinion functioned as a concept in late nineteenth and early twentieth century Britain

The Life and Public Services of Grover Cleveland Frederick Elizur Goodrich, 1884 *Some Account of the Public Life, and a Selection from the Unpublished Writings, of the Earl of Macartney* George Macartney Macartney, John Barrow, 1807 Life and Speeches of Thomas Corwin Thomas Corwin, 1896 *Masonic addresses of Thomas William Tew. With some account of his life and masonic career by J. Matthewman* Thomas William Tew, 1892

Human Rights and the Impact of ICT in the Public Sphere: Participation, Democracy, and Political Autonomy Akrivopoulou, Christina M., Garipidis, N., 2014-06-30 The creation of a new public realm through the use of the Internet and ICT may positively promote political liberties and freedom of speech but could also threaten the political and public autonomy of the individual Human Rights and the Impact of ICT in the Public Sphere Participation Democracy and Political Autonomy focuses on the new technological era as an innovative way to initiate democratic dialogue but one that can also endanger individual rights to freedom privacy and autonomy This reference book focuses on the new opportunities technology offers for political expression and will be of use to both academic and legal audiences including academics students independent authorities legislative bodies and lawyers

Decoding Abortion Rhetoric Celeste Michelle Condit, 1990 Condit provides a close look at how pro life and pro choice arguments have helped shape the development of public policy and private practice She offers readers an orderly way through the barrage of rhetoric and an opportunity to identify and clarify our own opinions on a very difficult subject

Biographical catalogue, an account of the lives of Friends and others whose portraits are in the London friends' institute Society of friends, 1888 *House of Commons Debates, Official Report* Canada. Parliament. House of Commons, 1911 Public Sentiments Glenn Hendler, 2003-04-03 In

this book Glenn Hendler explores what he calls the logic of sympathy in novels by Walt Whitman Louisa May Alcott T S Arthur Martin Delany Horatio Alger Fanny Fern Nathaniel Parker Willis Henry James Mark Twain and William Dean Howells For these nineteenth century writers he argues sympathetic identification was not strictly an individual feminizing and private feeling but the quintessentially public sentiment a transformative emotion with the power to shape social institutions and political movements Uniting current scholarship on gender in nineteenth century American culture with historical and theoretical debates on the definition of the public sphere in the period Hendler shows how novels taught diverse readers to feel right to experience their identities as male or female black or white middle or working class through a sentimental emotionally based structure of feeling He links novels with such wide ranging cultural and political discourses as the temperance movement feminism and black nationalism Public Sentiments demonstrates that whether published for commercial reasons or for higher moral and aesthetic purposes the nineteenth century American novel was conceived of as a public instrument designed to play in a sentimental key

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Private Lives And Public Accounts** . In a downloadable PDF format (PDF Size: *), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.
