Querelle La Brest:

Exiles, Outcasts, Strangers Mary Jo Muratore, 2011-08-25 *Exiles Outcasts Strangers* explores how nine different outsider authors treat the theme of alienation in one of their major works. All the novels under review were written in a limited time span 1942 to 1987 approximately 50 years and all are structured around a hero or heroine who remains culturally, ethically or aesthetically distant from his/her narrative counterparts. Works discussed: Albert Camus *L'Étranger*, Richard Wright *The Outsider*, André Langevin *Le Poussiérisé*, Ernesto Sábato *El túnel*, V.S. Naipaul *Guerrillas*, Elie Wiesel *Le Cinquième fils*, Norbert Zongo *Le Parachutage*, Gilles Pineau *L'Exil*, Julia and Jean Genet *Querelle de Brest*. **Alienation and Alterity** Paul Cooke, Helen Vassallo, 2009. Discussions of French identity have frequently emphasised the importance of a highly centralised Republican model inherited from the Revolution. In reality however France also has a rich heritage of diversity that has often found expression in contingent subcultures marked by marginalisation and otherness whether social, religious, gendered, sexual, linguistic or ethnic. This range of subcultures and variety of ways of thinking the other underlines the fact that norms can only exist by the concomitant existence of difference. The essays in this collection which derive from the conference *Alienation and Alterity: Otherness in Modern and Contemporary Francophone Contexts* held at the University of Exeter in September 2007 explore various aspects of this diversity in French and Francophone literature, culture and cinema from the nineteenth to the twenty-first century. The contributions demonstrate that while alienation from a cultural norm and also from oneself can certainly be painful and problematic, it is also a privileged position which allows the stranger to consider the world and his/her relationship to it in an other way.

Saint Genet Jean-Paul Sartre, 2012-02-01. The remarkable and controversial study of the mind, life and legend of Jean Genet. *Aimez-vous le queer?*, 2016-08-29. The essays collected in this volume address and illuminate a number of works both canonical and not in French literature and culture through the use of queer theory as it pertains to a European and specifically French context. The volume brings together studies of classic literature and film including Balzac, Genet and Godard and juxtaposes these works with works by lesser-known artists as well as with implicit and explicit theoretical understandings of queer. This volume will be of interest to all researchers in French literature and culture and to those interested in the ramifications of queer theory in a contemporary context. *Queer Writing* E. Stephens, 2009-07-16. *Queer Writing* provides the first full-length study of homoeroticism in Jean Genet's fiction. It shows how the theory of writing elaborated in his work provides a new way to understand homosexual literature not as the inscription of a stable sexual subjectivity but as the mobilization of a perverse dynamic within the text. **Secret Historian** Justin Spring, 2010-08-17. 2010 National Book Award Finalist for Nonfiction. Drawn from the secret never-before-seen diaries, journals and sexual records of the novelist, poet and university professor Samuel M. Steward, *Secret Historian* is a sensational reconstruction of one of the more extraordinary hidden lives of the twentieth century. An intimate friend of Gertrude Stein,

Alice B Toklas and Thornton Wilder Steward maintained a secret sex life from childhood on and documented these experiences in brilliantly vivid and often very funny detail After leaving the world of academe to become Phil Sparrow a tattoo artist on Chicago's notorious South State Street Steward worked closely with Alfred Kinsey on his landmark sex research During the early 1960s Steward changed his name and identity once again this time to write exceptionally literate upbeat pro homosexual pornography under the name of Phil Andros Until today he has been known only as Phil Sparrow but an extraordinary archive of his papers lost since his death in 1993 has provided Justin Spring with the material for an exceptionally compassionate and brilliantly illuminating life and times biography More than merely the story of one remarkable man Justin Spring's *Secret Historian* is a moving portrait of homosexual life long before Stonewall and gay liberation

Beat Culture William T. Lawlor, 2005-05-20 The coverage of this book ranges from Jack Kerouac's tales of freedom seeking Bohemian youth to the frenetic paintings of Jackson Pollock including 60 years of the Beat Generation and the artists of the Age of Spontaneity Beat Culture captures in a single volume six decades of cultural and countercultural expression in the arts and society It goes beyond other works which are often limited to Beat writers like William Burroughs Charles Bukowski and Michael McClure to cover a wide range of musicians painters dramatists filmmakers and dancers who found expression in the Bohemian movement known as the Beat Generation Top scholars from the United States England Holland Italy and China analyze a vast array of topics including sexism misogyny alcoholism and drug abuse within Beat circles the arrest of poet Lawrence Ferlinghetti on obscenity charges Beat dress and speech and the Beat pad Through more than 250 entries which travel from New York to New Orleans from San Francisco to Mexico City students scholars and those interested in popular culture will taste the era's rampant freedom and experimentation explore the impact of jazz on Beat writings and discover how Beat behavior signaled events such as the sexual revolution the peace movement and environmental awareness

Ethical Issues in Twentieth Century French Fiction C. Davis, 1999-12-08 This book examines ethical problems raised by a number of key twentieth century theoretical and fictional texts by authors such as Levinas Sartre Beauvoir Yourcenar Duras and Genet It argues that even texts which apparently espouse ethical positions based on respect for and responsibility towards others frequently depict conflict as an insurmountable aspect of human relations This is reflected at an aesthetic level as these texts both describe the struggle for supremacy and replicate it in their relation to their readers
