Quest Of The Historical Jesus:

The Quest of the Historical Jesus Albert Schweitzer, 2015-02-24 Renowned scholar and author Albert Schweitzer's world-changing study of the true life and teachings of Jesus of Nazareth. The Christian religious tradition has shaped much of our world for two millennia. But separate from the practice of Christianity is the factual life of Jesus himself. In this groundbreaking study, philosopher and Nobel Peace Prize winner Albert Schweitzer delves into biblical text and historical evidence to deconstruct the many myths of Jesus's life that have been propagated through the centuries. A seminal work, Schweitzer's book brings into focus the social and political currents of Jesus's time to rebut previous authors' hypotheses and form an entirely new one of his own. A milestone text in its time, Schweitzer's book was so dominant that virtually no new scholarly investigations of the historical Jesus were published for decades after its initial release. Now more than a century later, *The Quest of the Historical Jesus* remains the standard against which religious academic studies are measured. This ebook has been professionally proofread to ensure accuracy and readability on all devices. [The Next Quest for the Historical Jesus](#) James Crossley, Chris Keith, 2024-11-05 A diverse group of scholars charts new paths in the quest for the historical Jesus. After a decade of stagnation in the study of the historical Jesus, James Crossley and Chris Keith have assembled an international team of scholars to envision the quest anew. The contributors offer new perspectives and fresh methods for reengaging the question of the historical Jesus. Important, timely, and fascinating, *The Next Quest for the Historical Jesus* is a must-read for anyone seeking to understand Jesus of Nazareth. Contributors: Michael P. The Quest of the Historical Jesus Albert Schweitzer, 1910 *A History of the Quests for the Historical Jesus, Volume 1* Colin Brown, Craig A. Evans, 2022-11-08

A comprehensive two volume reassessment of the quests for the historical Jesus that details their origins and underlying presuppositions as well as their ongoing influence on today s biblical and theological scholarship Jesus life and teaching is important to every question we ask about what we believe and why we believe it And yet there has never been common agreement about his identity intentions or teachings even among first century historians and scholars Throughout history different religious and philosophical traditions have attempted to claim Jesus and paint him in the cultural narratives of their heritage creating a labyrinth of conflicting ideas From the evolution of orthodoxy and quests before Albert Schweitzer s famous Old Quest to today s ongoing questions about criteria methods and sources

A History of the Quests for the Historical Jesus not only chronicles the developments but lays the groundwork for the way forward The late Colin Brown brings his scholarly prowess in both theology and biblical studies to bear on the subject assessing not only the historical and exegetical nuts and bolts of the debate about Jesus of Nazareth but also its philosophical sociological and theological underpinnings Instead of seeking a bedrock of facts Brown stresses the role of hermeneutics in formulating questions and seeking answers Colin Brown was almost finished with the manuscript at the time of his passing in 2019 Brought to its final form by Craig A Evans this book promises to become the definitive history and assessment of the quests for the historical Jesus Volume One covers the period from the beginnings of Christianity to the end of World War II Volume Two sold separately covers the period from the post War era through contemporary debates

The Quest of the Historical Jesus Albert Schweitzer,1952 [The Quest of the Historical Jesus](#) (Jovian Press) Albert Schweitzer,2017-06-08 In this groundbreaking work that made his reputation as a theologian Albert Schweitzer traces the search for the historical person of Jesus apart from the Christ of faith and puts forward his own view of Jesus as an apocalyptic figure who preached a radical message of the coming of the Kingdom of God Though Schweitzer's own proposals about Jesus no longer command assent his lasting contribution comprising the bulk of the book is the critique of his predecessors Through examining the works of more than 50 18th and 19th century authors and scholars he shows conclusively that each historical reconstruction of Jesus was largely a fantasy made in their own self image Schweitzer's work has proved the touchstone for all subsequent quests for the Jesus of history It also contributed in no small measure to the remarkable resurgence in Jesus studies in the latter part of the 20th century which culminated in the much publicized and highly controversial findings of the Jesus Seminar

The quest of the historical Jesus Albert Schweitzer,1969 **A Quest for the Historical Christ** Anthony Giambrone,2022-02-18 A Quest for the Historical Christ brings together a collection of interrelated essays on the historical Jesus and primitive Christology Sensitive to the diverse but traditionally Protestant assumptions and perspectives of the Quest as well as to the widely lamented disconnect between New Testament exegesis and classical dogmatic theology an alternative approach is proposed in these pages Ecumenical and conciliar reference points along with non confessional historical methods e g archeology shape the basic project which nevertheless assumes some distinctive and important Catholic contours The book is divided into three sections Historical Foundations Theological Perspectives and Jesus and the Scriptures While the individual chapters represent independent probes the cumulative argument and arc of the study drives in clear and concerted directions After a first approach to the Gospel data attentive at once to historiographical and historical questions a series of interventions reorienting the present scholarly discussion are suggested These various foundational essays lead finally to a sustained meditation on the mind of Christ considered as a unique reader of the Scriptures a meditation having its proper reflex and reflection in the way Christians themselves as readers of the Gospels participate in the Lord's own encounter with the living Word

THE QUEST FOR THE HISTORICAL JESUS Edward D. Andrews, 2022-09-04 The Quest for the Historical Jesus is not another cautious survey of scholarly opinions It is a relentless evidence driven case that the Jesus of the Gospels is the Jesus of history truly God truly man crucified under Pontius Pilate in 33 C E and bodily risen on the third day Rejecting the fashionable evasions of modern criticism this book dismantles the myths of anonymous community invention hypothetical lost sources and anti supernatural bias It applies the same historical standards used for other ancient figures and finds the Gospels overflowing with eyewitness detail cultural accuracy and verifiable fact From the earliest creedal proclamations to archaeological confirmations from refuting the most influential skeptics to exposing the bankruptcy of alternative explanations The Quest for the Historical Jesus builds a case that will not yield to ambiguity For believers it is an arsenal of reasons For skeptics it is a direct challenge For all it is a demand for a verdict History is not silent The record stands
