Revival And Reaction The Right In Contemporary America:

America in the Modern World Stephen Burman, 1991-11-15 The past few years have witnessed changes which will be of lasting significance in international affairs The revolutions in Eastern Europe and the Soviet Union for example are fundamental not only for those societies but also in their implications for the rest of the world They signal the passing of the international order that has governed the post war era Since the United States was the principal architect of that order its passing will have fundamental implications for America's role in the modern world It has been suggested that this transformation will reduce the US to the status of an ordinary country indeed that the signs of decline are already everywhere apparent In this book the author argues to the contrary that the emerging new world order offers great opportunities to the US to maintain its status as the leading power in the world

America in the Modern World Palgrave Macmillan Ltd, 2016-04-30 The past few years have witnessed changes which will be of lasting significance in international affairs The revolutions in Eastern Europe and the Soviet Union for example are fundamental not only for those societies but also in their implications for the rest of the world They signal the passing of the international order that has governed the post war era Since the United States was the principal architect of that order its passing will have fundamental implications for America's role in the modern world It has been suggested that this transformation will reduce the US to the status of an ordinary country indeed that the signs of decline are already everywhere apparent In this book the author argues to the contrary that the emerging new world order offers great opportunities to the US to maintain its status as the leading power in the world

The Free Economy and the Strong State Andrew Gamble, 1994-05-24 The Thatcher era was a turbulent and controversial period in British politics Andrew Gamble's authoritative account now revised and updated to cover Thatcher's fall and legacy analyses the ideology statecraft and economic and social programme of the Thatcher Government He explores rival interpretations of Thatcherism and assesses the evidence for claims that the Thatcher Government transformed British politics A new conclusion considers the Conservative Party after Thatcher New to this Edition Both Thatcher's fall and legacy covered in this text New conclusion appraising the Conservative party in the wake of Thatcher

A Conservative Revolution? Andrew Adonis, Tim Hames, 1994 Addresses the question of whether there was a distinctive Anglo American Conservative revolution under Reagan and Thatcher and examines the political elites political ideas and policy communities animating the Anglo American right wing during the 1980s

Fighting the Last War

Jeffrey M. Bale,Tamir Bar-On,2024-01-24 The authors argue that the potential threat of a resurgence of fascism has been consistently exaggerated from 1945 until present day that the ongoing lack of conceptual and definitional clarity with respect to terms like fascism the radical right the alt right white supremacism populism racism etc has enabled ill informed or dishonest commentators to distort their meaning and abusively misapply those labels so as to delegitimize their political opponents and that the political and economic elites in charge of contemporary Western societies are now deliberately exaggerating and exploiting the threat posed by the domestic radical right in order to facilitate vilifying harassing de platforming censoring canceling and repressing disgruntled citizens no matter where they may lie along the political spectrum who openly criticize and vigorously oppose their agendas The authors also advocate the use of well established scholarly methods for carrying out research on the right and provide precise definitions of various terms in order to facilitate the development of more accurate categorizations

The New York Intellectuals, Thirtieth Anniversary Edition

Alan M. Wald,2017-10-10 For a generation Alan M Wald s The New York Intellectuals has stood as the authoritative account of an often misunderstood chapter in the history of a celebrated tradition among literary radicals in the United States His passionate investigation of over half a century of dissident Marxist thought Jewish internationalism fervent political activism

and the complex art of the literary imagination is enriched by more than one hundred personal interviews unparalleled primary research and critical interpretations of novels and short stories depicting the inner lives of committed writers and thinkers Wald's commanding biographical portraits of rebel outsiders who mostly became insiders retains its resonance today and includes commentary on Max Eastman Elliot Cohen Lionel Trilling Sidney Hook Tess Slesinger Philip Rahv Mary McCarthy James T Farrell Irving Kristol Irving Howe Hannah Arendt and more With a new preface by the author that tracks the rebounding influence of these intellectuals in the era of Occupy and Bernie Sanders this anniversary edition shows that the trajectory and ideological ordeals of the New York intellectual Left still matters today

Political Ideology Today Ian Adams, 2001 Examines the tenets of liberalism socialism conservatism Marxism anarchism and fascism Ideologies and Political Theory Michael Freeden, 1996-10-24 Ideologies play a crucial role in the way the political world is shaped Using the political experience of Britain France Germany and the USA this work examines political ideologies such as liberalism conservatism feminism and green politics

American Anti-Communism M. J. Heale, 1990-10 In American Anticommunism Heale examines the various forms American reactions to this perceived threat have taken from the attacks on workers in the Haymarket Riot to the widespread witch hunts of Senator Joe McCarthy

After Political Correctness Christopher Newfield, 2018-02-20 This book resituates the political correctness debates in the humanities branch of the academy It contends that conservatives have tainted entire academic disciplines to cause university humanists to go from irrelevant to dangerous overnight

The Politics of Justice Cornell W. Clayton, 2015-06-18 First Published in 2015 This series on American Political Institutions and Public Policy intends to examine contemporary U S political developments and to discern their impact on issues of public policy Cornell W Clayton's The Politics of Justice The Attorney General and the Making of Legal Policy is the second publication in the series It is a fascinating study of politics and governance how one government affects the other and how both affect public policy Surveying the historical evolution of the office of the Attorney General Clayton sees significant recent changes in the role position and influence of the person who holds that office

Cultural Analysis Aaron Wildavsky, 2018-02-06 As a result of a lifetime of incomparably wide ranging investigations Aaron Wildavsky concluded that politics in the United States and elsewhere was a patterned activity exhibiting recurring regularities Political values beliefs and institutions were neither endlessly varied nor haphazardly organized They tended to exhibit a limited range of variation and were organized in discoverable predictable ways In Cultural Analysis the fourth collection of his essays posthumously published by Transaction Wildavsky argues that American politics public law and public administration are the contested terrain of rival inescapable political cultures Analysts of American politics distinguish liberals from conservatives and Democrats from Republicans but do not explain how these categories of political allegiance develop maintain themselves or change Wildavsky offers a cultural functional explanation for ideological and partisan coherence and realignment Wildavsky also felt that these dualisms did not adequately capture the ideological and partisan

variation he observed on the political landscape Like others he detected another recurring strain of political allegiance that of classical liberalism or libertarianism People of this political stripe valued freedom more than equality the primary political value of contemporary liberals and also more than order the primary political value of conservatives The value of Wildavsky's reconceptualization of the ideological and social foundations of political conflict compromise and coalition is assessed here by Wildavsky's former colleagues and students at the University of California Berkeley Dennis Coyle Richard Ellis Robert Kagan Austin Ranney and Brendon Swedlow

Women against Abortion Karissa Haugeberg, 2017-04-03 Women from remarkably diverse religious social and political backgrounds made up the rank and file of anti abortion activism Empowered by yet in many cases scared of the changes wrought by feminism they founded grassroots groups developed now familiar strategies and tactics and gave voice to the movement's moral and political dimensions Drawing on oral histories and interviews with prominent figures Karissa Haugeberg examines American women's fight against abortion Beginning in the 1960s she looks at Marjory Mecklenburg's attempt to shift the attention of anti abortion leaders from the rights of fetuses to the needs of pregnant women Moving forward she traces the grassroots work of Catholic women including Juli Loesch and Joan Andrews and their encounters with the influx of evangelicals into the movement She also looks at the activism of evangelical Protestant Shelley Shannon a prominent pro life extremist of the 1990s Throughout Haugeberg explores important questions such as the ways people fused religious conviction with partisan politics activists rationalizations for lethal violence and how women claimed space within an unshakably patriarchal movement

The Reagan Presidency W. Elliot Brownlee, Hugh Davis Graham, 2003 Table of contents

Liberalism Versus Conservatism François B. Gérard, 2000 Everyone eschews labels yet we all seem to possess them in the minds of legions of politicians marketers and even the ever peering government We are being targeted daily by flaming liberals left wing liberals right wing conservatives compassionate conservatives religious conservatives and liberals pinko liberals middle of the road liberals conservatives and liberals pinko liberals middle of the road liberals and conservatives and of course by neoconservatives and neoliberals The search is on for kindred souls the types who will open their wallets to support whatever it is the hucksters are peddling But what to these concepts mean and do their torchbearers grasp the underlying philosophies or do they care This bibliography lists over hundreds of entries under each category which are then indexed by title an author

The Southern State of Mind Jan Nordby Gretlund, 1999 Remarkably removed from the devotional certifying and celebratory view of the South that has dominated books of this genre The Southern State of Mind addresses the question of whether inherited Southern values problems and contradictions have survived the onslaught of modernization
