**Taking Care of Angels Unaware** Amy Buggle, 2021-05-03 Amy Buggle has written more than a memoir as this story includes spiritual guidance throughout in the form of scripture connected to the text The book entitled **Taking Care of Angels Unaware** is the story of how God led Amy to start a ministry of thirty years DLC Nurse Learn and how He continued to lead her through scripture in amazing ways DLC is a childcare ministry for children with special needs The inspiration of the book and ministry being her own cousin Tina born in 1964 with Down syndrome DLC was started in the Murray Hill United Methodist Church in Jacksonville Florida to support children with special needs and their families who often struggle with very little assistance from the community As a special education teacher that started volunteering as a child with this population her heart broke for these families and she felt something had to be done This unique and inspirational program has grown and flourished beyond anything Amy could have imagined The basis for the ministry ties back to Amy's aunt and uncle who were devastated by the birth and early loss of their four-year-old daughter Amy's aunt even wrote her own story back in the sixties that is shared as an addendum It shows how far we have come since then yet how far we still have to go when it comes to attitudes toward individuals with developmental differences The book is a shining example of how God can take tragedy and through life experiences of young people turn it into a force for good Amy's book shows how we are set up by God to do his work if we open our eyes and our hearts to the needs around us Her line We are all His hands and feet We

are all His love on Earth says it all      *The Living Church* ,1943      *Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954* ,2003      *Family Policy and the American Safety Net* Janet Zollinger Giele,2013

Coyner,Doug Anderson,2009-06-01

Most church

members would tell you that theirs is a friendly congregation eager to welcome visitors and new members into their midst. Yet far too many of these same congregations have trouble translating this intention into action. Offering a friendly greeting to a new face is important but it is only the first of many steps that congregations must take in order to turn visitors into members and new members into committed disciples. The authors believe that to assimilate newcomers into the life and ministry of the congregation the whole church system must be involved. Anderson and Coyner demonstrate how to identify and respond to visitors in a nonthreatening yet interested way; how to share information about them with the leaders of those ministries and programs in which they would be most interested; how best to help them in their decision to become church members; and how to help them understand and fulfill their own call to ministry in the congregation. They insist that churches be motivated not by a desire for institutional survival or advancement but by a passion for people and their place in the kingdom of God.

Postmodern Children's Ministry Ivy Beckwith, 2009-08-30. This practical, thought-provoking book presents a new paradigm for children's ministry in the emerging 21st century and explores how churches are currently putting that vision into practice. Advocating the need to regard children as full participants in their faith communities, the book provides strategies for building intergenerational community where children feel they belong and have the opportunity to serve.
