Safe Harbor B B Vanover, 2020-03-15 From the Author that brought you Answered Prayers and The Cove comes the next book in The Hastings Series Safe Harbor Jonah knew the men in his family tended to fall fast when it came to women Both of his brothers and his father had all been lucky enough to find and marry their soulmates They also had all been cases of love at first sight Jonah wasn't convinced he believed in all that How can you just lay eyes on someone and know they are your one and only It didn't make sense to him but he was getting ready to find out sometimes things just didn't make sense and didn't always have too As a paramedic Jonah had seen more than his fair share of domestic violence Although it angered him and his heart broke for the victims he remained strictly professional He treated the victim at the scene and transported them to the hospital end of the story He never crossed the line and never wanted to until the day he was dispatched to Roger Ellis house The moment he laid eyes on her the lines blurred and he crossed right over them Olivia Perez had spent the last five years of her life trying to protect herself and her daughter from Roger Ellis She had accepted

his help during a desperate and lonely time in her life and it was a mistake she will forever regret Once he had her isolated and completely dependent on him he turned abusive and as time went by the abuse grew worse Olivia knew it was only a matter of time before he killed her and if that happened it would leave her daughter CeCe alone with this animal She had no one to turn to no money not even a car What was worse was she didn't know if she had the courage to leave He had promised her a slow and painful death if she ever tried and she believed he would do his best to keep that promise Could she afford to trust him could she afford not to Why would this handsome paramedic offer to help her and her daughter Olivia didn't even know him but somehow she knew Jonah Hastings was an extraordinary man The day she sent him out of her hospital room she felt as if she had just watched the most amazing thing that could ever happen to her walk right out of her life She would rather watch him walk away than take the chance of putting him in harm's way Little did she know in just a little more than a week both she and Jonah would wind up in the sights of a crazy man
