

"While the escape from everyday
responsibility into total nihilistic freedom
may seem a fantasy to some readers, Sam Ligon's
heroes find no relief in their double lives. Fully imagined
and fluent, *Safe in Heaven Dead* is a strong and promising debut."

American midcentury Tom Clark author of Jack Kerouac A Biography 8 color plates 28 halftones American Poetry after Modernism Albert Gelpi, 2015-03-09 Albert Gelpi's American Poetry after Modernism is a study of sixteen major American poets of the postwar period from Robert Lowell to Adrienne Rich Gelpi argues that a distinctly American poetic tradition was solidified in the later half of the twentieth century thus severing it from British conventions In Gelpi's view what distinguishes the American poetic tradition from the British is that at the heart of the American endeavor is a primary questioning of function and medium The chief paradox in American poetry is the lack of a tradition that requires answering and redefining redefining what it means to be a poet and likewise how the words of a poem create meaning offer insight into reality and answer the ultimate questions of living Through chapters devoted to specific poets Gelpi explores this paradox by providing an original and insightful reading of late twentieth century American poetry *The Portrait Gallery Called Existence* Neeli Cherkovski, 2025-07-01 In his final book poet Neeli Cherkovski paints a portrait of his life through luminous details of encounters with his illustrious comrades A prolific poet and denizen of beatnik cafes who chronicled the literary ethos of bohemian culture New York Times To be published on what would have been his 80th birthday The Portrait Gallery Called Existence finds the poet and memoirist combining these twin vocations in intimate depictions of his fellow artists and reflections on his family The book follows Cherkovski from his early encounters in L A with poets like Wanda Coleman and Jack Micheline to his youthful heyday among the Beat Generation in North Beach San Francisco rubbing shoulders with the likes of Allen Ginsberg and Gregory Corso The passage of time is inevitably marked with the loss of beloved friends recorded in elegies for recently deceased poets like Diane di Prima Michael McClure and Jack Hirschman as well as a series of poems celebrating his close friendship with Lawrence Ferlinghetti Join Neeli as he drinks whiskey with Bob Kaufman in Chinatown visits his gentle and impoverished hero John Wieners and takes a terrifying drive through San Francisco with Ferlinghetti Also included are several portraits of key poetic forebears like Hart Crane Gertrude Stein and especially Rimbaud examined from Cherkovski's perspective in 1959 and 2023 The book ends with memories of close family members and a number of moving self portraits as the poet confronts his own mortality and impending death A powerful final statement from a master poet **Not Safe, but Good (vol. 1)** Bret Lott, 2007-07-08 In C S Lewis's classic The Lion The Witch and the Wardrobe Lucy asks if Aslan the lion is safe It is quickly clarified that Aslan is not safe but he is good That concept serves as the foundation for this collection of short stories While written from a Christian worldview our goal isn't comfort food for Christians or G rated stories that offer simplistic lessons Instead we're serving up stories sharpened by faith Stories that will engage challenge entertain and stretch the reader These stories aren't necessarily safe but without question they are good From Homer Hickam the best selling author of Rocket Boys which later became the movie October Sky to editor and contributing best selling author Bret Lott this collection spans a talented community writing an eclectic blend of fiction These stories will take you on a journey filled with lightheartedness profundity hilarity tragedy and ultimately hope *The Ladies'*
