Safest Place On Earth:

The Safest Place on Earth Larry Crabb, 1999-07-29 In today's frenetic society people rarely develop intimate friendships. Instead they spend their lives essentially disconnected from others rushing through life content with brief visits and casual conversations. But what if one were to develop a community, a spiritual community of people who walked with and supported each other through life's journey? A community of real friends who listened to each other's personal tragedies without merely trying to fix the problems, who encouraged and nurtured each other's strengths and who accepted people for who they really are instead of the image they try to portray. In *The Safest Place on Earth* Larry Crabb explores such a place where God can heal disconnected people and allow them to reconnect with each other and ultimately with Him. *No Safe Place* Michael Hilliard, 2022-06-22 Young NSA analyst Pip Palmer is the most prolific computer hacker in all the three-letter government agencies. From behind his elite work station, dubbed The Key, he uncovers secrets as a voyeur to the outside world. On another continent, the most wanted terrorist in the world, Falby, is back with a vengeance. Having escaped the CIA's secret prison system, he focuses his reprisal on the American presidency. When the former presidents are assassinated and Pip intercepts crucial information, the very people he should trust may be the ones behind it all. He's forced on the run with an unlikely partner and together they try to save each other and unravel the truth. In *No Safe Place* Michael Hilliard weaves another tale of suspense and intrigue with the fulfilling characterization, plot twists, and description that have become his signature.

Daily Devotional John Henry McCoury, 2015-10-25 A daily devotional for the entire year by Pastor John Henry McCoury.

Rest Siang-Yang Tan, 2003 Come to Me all you who labor and are heavy laden and I will give you rest. Bringing a distinctly Christian perspective to the subject of finding true rest in the midst of daily pressures, Siang Yang Tan diagnoses what ails us and provides thoroughly practical steps to help us respond to Jesus' invitation. In this book Siang Yang Tan draws from a richness of experience to write with warmth and compassion. Since he himself knows the difficulty of slowing down in these hyperactive times, he is able to give practical guidelines to others drawn from a wealth of information found in the Scriptures, empirical research, and psychological reports. If rest is not easy for you to put into practice, learn from an author who is growing at a healthy pace and willing to bring others along on the journey. Foreword by Dr. Gary R. Collins. SIANG YANG TAN is professor of psychology at Fuller Theological Seminary. He also serves as Senior Pastor of First Evangelical Church in Glendale, California. He has authored or co-authored eight previous books, including *Disciplines of the Holy Spirit* and *Understanding Depression*. He is an associate editor of *The Journal of Psychology and Christianity*. *A Safe Place* Stephanie Carty, 2024-11-26 What happens when your home becomes your prison?
