Safety in Police Pursuit Driving Edward E. Dougherty, 1961 *Police Pursuit Driving* Geoffrey P. Alpert, Cynthia Lum, 2014-04-12 Police pursuits often receiving a lot of media attention have become a topic of concern and priority for both law enforcement and the communities they serve They often come with high risks for the well being of community members and for both the police officers involved in the chase as well as for the fleeing suspects In this brief we summarize what is known about police pursuits from both legal decisions and criminological research We then discuss the impact of this research on police pursuit policy court decisions and media reports We offer suggestions about the need for more development and use of research and the challenges for research to be integrated into police policies training supervision and accountability systems *Bob Bondurant on Police and Pursuit Driving* Bob Bondurant Edwin J. Sanow, Who better to write a book on performance driving than Bob Bondurant Bob knows fast driving and he knows how to teach it Here Bob draws from his highly regarded law enforcement course on police pursuit and counterterrorist interception driving to fill you in on the pursuit techniques used by today s police officers Corporal Edwin Sanow illustrates several of Bondurant s techniques with firsthand accounts of actual police pursuit situations *Comparative Data Report* International Association of Chiefs of Police.
