

Sagen Des Klassischen Altertums Volume 1

Claudia Zrenner, Daniel M. Albert

Sagen Des Klassischen Altertums Volume 1:

Pandora's Box Jörn Leonhard, 2020-05-05 Winner of the Norman B Tomlinson Jr Prize The best large scale synthesis in any language of what we currently know and understand about this multidimensional cataclysmic conflict Richard J Evans Times Literary Supplement In this monumental history of the First World War Germany's leading historian of the period offers a dramatic account of its origins course and consequences J rn Leonhard treats the clash of arms with a sure feel for grand strategy He captures the slow attrition the race for ever more destructive technologies and the grim experiences of frontline soldiers But the war was more than a military conflict and he also gives us the perspectives of leaders intellectuals artists and ordinary men and women around the world as they grappled with the urgency of the moment and the rise of unprecedented political and social pressures With an unrivaled combination of depth and global reach Pandora's Box reveals how profoundly the war shaped the world to come An epic and magnificent work unquestionably for me the best single volume history of the war I have ever read It is the most formidable attempt to make the war to end all wars comprehensible as a whole Simon Heffer The Spectator A great book on the Great War Leonhard succeeds in being comprehensive without falling prey to the temptation of being encyclopedic He writes fluently and judiciously Adam Tooze Die Zeit Extremely readable lucidly structured focused and dynamic Leonhard's analysis is enlivened by a sharp eye for concrete situations and an ear for the voices that best convey the meaning of change for the people and societies undergoing it Christopher Clark author of The Sleepwalkers The Russian Folktale by Vladimir Yakovlevich Propp Vladimir Yakovlevich Propp, 2012-09-12 Vladimir Propp is the Russian folklore specialist most widely known outside Russia thanks to the impact of his 1928 book Morphology of the Folktale but Morphology is only the first of Propp's contributions to scholarship This volume translates into English for the first time his book The Russian Folktale which was based on a seminar on Russian folktales that Propp taught at Leningrad State University late in his life Edited and translated by Sibelan Forrester this English edition contains Propp s own text and is supplemented by notes from his students The Russian Folktale begins with Propp s description of the folktale s aesthetic qualities and the history of the term the history of folklore studies first in Western Europe and then in Russia and the USSR and the place of the folktale in the matrix of folk culture and folk oral creativity. The book presents Propp s key insight into the formulaic structure of Russian wonder tales and less schematically than in Morphology though in abbreviated form and it devotes one chapter to each of the main types of Russian folktales the wonder tale the novellistic or everyday tale the animal tale and the cumulative tale Even Propp s bibliography included here gives useful insight into the sources accessible to and used by Soviet scholars in the third guarter of the twentieth century Propp's scholarly authority and his human warmth both emerge from this well balanced and carefully structured series of lectures An accessible introduction to the Russian folktale it will serve readers interested in folklore and fairy tale studies in addition to Russian history and cultural studies The National Union Catalog, Pre-1956 Imprints ,1977 Bulletin of Books in the

Tsvetaeva's Orphic Journeys in the Worlds of the World Olga Peters Hasty, 1996 Tsvetaeva s Orphic Journeys in the Worlds of the Word explores the rich theme of the myth of Orpheus as master narrative for poetic inspiration and creative survival in the life and work of Marina Tsyetaeva Olga Peters Hasty establishes the basic themes of the Orphic Complex the poet s longing to mediate between the embodied physical world and an elsewhere the poet s inability to do so the primacy of the voice over the visual world the insistence on concrete imagery the costs of the poet's gift and orders her arguments in the tragic shape of the Orpheus myth as it worked itself out organically in Tsvetaeva s own life Hasty delineates the connections between the Orpheus myth and other key mythological and literary figures in the poet s life including Alexander Blok Anna Akhmatova Alexander Pushkin and Rainer Maria Rilke to make an important and original critical contribution and Death 2 Sarah Colvin, Helen Watanabe-O'Kelly, 2009 Explores both constants and changes in representations of warlike and violent women in German culture over the past six centuries Warlike women are a recurring phenomenon in German literature and culture since 1500 Amazons terrorists warrior women this volume of essays by leading scholars from the UK and Germany analyzes ideas and portrayals of these figures in the visual arts society media and scholarship always against the backdrop of Germany's development as a culture and as a nation The contributors look for patterns in the historical portrayal of warlike women askingthe questions What cultural signals are sent when women are shown occupying men s spaces by dressing as warriors or in men's clothing What can legitimize the woman who bears arms From what is the erotic potential of images linking women and violence derived Have recent feminist thought and political developments changed representations of warlike women Contributors Bettina Brandt Sarah Colvin Mererid Puw Davies Peter Davies ChristineEifler Ute Frevert Kathrin Hoffmann Curtius Ritchie Robertson Daria Santini Ruth Seifert Helen Watanabe O Kelly Sarah Colvin is Eudo C Mason Chair of German at the University of Edinburgh Helen Watanabe O Kellyis Professor of German at Oxford University and Fellow and Tutor of Exeter College Oxford Agenorid Myth in the Bibliotheca of Pseudo-Apollodorus Johanna Astrid Michels, 2022-11-21 The Bibliotheca of Pseudo Apollodorus perhaps the best known mythographic text stands out for its comprehensive aim and state of preservation The handbook has regularly been disregarded as a repository of standard myths or as a primary witness to archaic stories a reductive view at once underestimating and romanticizing the merits of the Bibliotheca This monograph unlocks the Bibliotheca as a literary work in its own right by offering the first systematic commentary on an essential selection the Cretan and Theban myths in Bibl III 1 56 and by presenting an in depth analysis of the text In so doing this volume closes a gap in current research from which a philological commentary is entirely missing The main part of the study focuses on various aspects of composition and organization by addressing structuring principles narratorial interventions and the author's method and sources It lays to rest persistent misconceptions about the

representative character of the Bibliotheca's myths the author's merits and his source use all of which have divided the scholarship to this date In addition it provides an update on the author date purpose and readership text history and book division of the Bibliotheca **Beauty Or Beast?** Helen Watanabe-O'Kelly,2010-06-17 German Literaure a Very Short Women and Death Helen Fronius, Anna Linton, 2008 Identifies and analyzes thematizations Introduction Nicholas Boyle of women and death from the past five centuries illuminating the present and recent past The theme of women and death is pervasive in the German culture of the past five centuries With the conviction that only an interdisciplinary approach can explore a typology as far reaching and significant as this and in accordance with the feminist tenet that images are accountable for norms this volume investigates how iconic representations of women and death came about and why they endure Traditionally representations of women as agents of death when they have been considered at all have been considered separately from women as victims as though there was no shared thematic ground Here familiar depictions of female victims are examined alongside the more unsettling spectacle of women as killers exposing cultural assumptions Essays explore among others the themes of virgin sacrifice and female infanticides Death and the Maiden in art female vampires in literature and women killers the media Others compare cultural practices such as female mourning across historical contexts examining change and the reasons for it The authors judgments eschew the simplistic and programmatic contributing not just to current research in German literature but also to understanding of cultural history in general Contributors Stephanie Kn ll Ruth B Bottigheimer Anna Linton Bettina Bildhauer Mary Lindemann Helen Fronius Anna Richards J rgen Barkhoff Lawrence Kramer Kathrin Hoffmann Curtius Clare Bielby Gisela Ecker Anna Linton is Lecturer in German at Kings College London and Helen Fronius is an AHRC Research Fellow and College Lecturer at Exeter College Oxford **Image and Myth** Luca Giuliani,2013-09-11 On museum visits we pass by beautiful well preserved vases from ancient Greece but how often do we understand what the images on them depict In Image and Myth Luca Giuliani tells the stories behind the pictures exploring how artists of antiquity had to determine which motifs or historical and mythic events to use to tell an underlying story while also keeping in mind the tastes and expectations of paying clients Covering the range of Greek style and its growth between the early Archaic and Hellenistic periods Giuliani describes the intellectual social and artistic contexts in which the images were created He reveals that developments in Greek vase painting were driven as much by the times as they were by tradition the better known the story the less leeway the artists had in interpreting it As literary culture transformed from an oral tradition in which stories were always in flux to the stability of written texts the images produced by artists eventually became nothing more than illustrations of canonical works At once a work of cultural and art history Image and Myth builds a new way of understanding the visual culture of ancient Greece **Annual List of Books** Added to the Public Library of Cincinnati Public Library of Cincinnati and Hamilton County, 1894 **Our Mythical** Childhood... The Classics and Literature for Children and Young Adults ,2016-11-01 In The Classics and Children s

Literature between West and East a team of contributors from different continents offers a survey of the reception of Classical Antiquity in children's and young adults literature by applying regional perspectives *Myth, Religion, and Mother Right* Johann Jakob Bachofen,1992-07-15 The Swiss thinker J J Bachofen is most often connected with his theory of matriarchy or mother right but that concept is only a small part of his contribution to our understanding of cultural history This book includes an autobiographical essay and selections from An Essay on Ancient Mortuary Symbolism Mother Right and The Myth of Tanaquil Classified Catalogue of the Carnegie Library of Pittsburgh Carnegie Library of Pittsburgh,1914

Sagen Des Klassischen Altertums Volume 1: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read: Colleen Hoovers "It Ends with Us" This heartfelt tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best: Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Sagen Des Klassischen Altertums Volume 1: Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a guiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
