them he gives clear accounts of questions relating to interpretation and the debate about canons A key essay looks at the career of William Empson a career lived between literature and criticism between the pleasure of the text and the delight in conceptual issues which is characteristic of so much of the contemporary taste for theory It is Empson s career perhaps which is the foundation for the polemical prologue to the book where Kermode challenges those who doubt the possibility and the necessity of the cross over between literature and criticism and who argue that criticism is mere appreciation mere connoisseurship that theory has displaced criticism and has left literature in the dust that theory is the avant garde of critical thought This piece defines the author s position in the debate about literature and value *The Eclectic Magazine* John Holmes Agnew,Walter Hilliard Bidwell,1864 [Eclectic Magazine](#) John Holmes Agnew,Walter Hilliard Bidwell,1864
