Saigon Mistress Of The Mekong:

Saigon Anastasia Edwards,2003 Saigon has a long and unique history having been a Cambodian city a French city and an American city as well as a Vietnamese city *Saigon* Nghia M. Vo,2011-08-31 Saigon since 1976 officially H Chi Minh City but widely still referred to as Saigon is the largest metropolitan area in modern Vietnam and has long been the country's economic engine This is the city's complete history from its humble beginnings as a Khmer village in the swampy Mekong delta to its emergence as a major political economic and cultural hub The city's many transitions through the hands of the Chams Khmers Vietnamese Chinese French Japanese Americans nationalists and communists are examined in detail as well as the Saigon led resistance to collectivization and the city's central role in Vietnam's perestroika like economic reforms

Historical Dictionary of Ho Chi Minh City Justin Corfield,2014-11-01 Offering a concise overview of Ho Chi Minh City's history and development the Historical Dictionary of Ho Chi Minh City presents a comprehensive historical survey of the city in the form of an alphabetical list of keywords and names with accompanying definitions Both well researched and authoritative the volume draws upon a wide range of modern sources and contains an introductory essay about the city a chronology a list of acronyms and abbreviations photographs and appendixes of supplemental information *Messy Urbanism* Manish Chalan,Jeffrey Hou,2016-06-01 Seemingly messy and chaotic the landscapes and urban life of cities in Asia possess an order and hierarchy that often challenges understanding and appreciation With contributions by a cross disciplinary group of authors *Messy Urbanism* Understanding the Other Cities of Asia examines a range of cases in Asia to explore the social and institutional politics of urban informality and the contexts in which this messiness emerges or is constructed The book brings a distinct perspective to the broader patterns of informal urban orders and processes as well as their interplay with formalized systems and mechanisms It also raises questions about the production of cities cityscapes and citizenship *Messy Urbanism* will appeal to professionals students and scholars in the fields of urban studies architecture landscape architecture planning and policy as well as Asian studies The rubric of messy urbanism is a productive antidote to the binaries that have limited a productive discussion about urbanism in Asia This book is a significant contribution in understanding the inherent nature of the built environments in aspiring democracies an emergent urbanism that seamlessly embraces the incremental temporal and ephemeral as given conditions in the formation of Asian cities Rahul Mehrotra Architect Professor of Urban Design and Planning Harvard University This book is of a high quality with multiple examples from Hong Kong and China The authors have covered the topic admirably and I expect the book to attract a wide readership Vinit Mukhija Associate Professor and Vice Chair of Urban Planning UCLA *The Architecture of Empire* Gauvin Alexander Bailey,2022-09-23 Most monumental buildings of France's global empire such as the famous Saigon and Hanoi Opera Houses were built in South and Southeast Asia Much of this architecture and the history of who built it and how has been overlooked The Architecture of Empire considers the large scale public architecture associated with French imperialism in seventeenth

and eighteenth century India Siam and Vietnam and nineteenth and twentieth century Indochina the largest colony France ever administered in Asia Offering a sweeping panorama of the buildings of France s colonial project this is the first study to encompass the architecture of both the ancien r gime and modern empires from the founding of the French trading company in the seventeenth century to the independence and nationalist movements of the mid twentieth century Gauvin Bailey places particular emphasis on the human factor the people who commissioned built and lived in these buildings Almost all of these architects both Europeans and non Europeans have remained unknown beyond at best their surnames Through extensive archival research this book reconstructs their lives providing vital background for the buildings themselves Much more than in the French empire of the Western Hemisphere the buildings in this book adapt to indigenous styles regardless of whether they were designed and built by European or non European architects The Architecture of Empire provides a unique comprehensive study of structures that rank among the most fascinating examples of intercultural exchange in the history of global empires

Vietnam Past and Present Andrew Forbes, David Henley, 2012-12-26 There can be few people in the world that do not know the name location and recent history of Vietnam Yet beyond the period of US involvement in what Americans call the Vietnam War how much is really known Almost no Vietnamese bear a grudge against the USA but this is less true for China Vietnam s close neighbor mentor and rival for more than two thousand years For example Vietnamese like to name their streets after what they consider to have been acts of foreign aggression and in Hanoi no fewer than 119 streets are named after acts of Chinese and French aggression By contrast just two are named for acts of American aggression Based on an intimate personal knowledge of Vietnam extending over two decades this book explores Hanoi and the North It leads the reader not just across contemporary Tonkin but also through its long history linking the present day with the distant past 62 000 words 81 contemporary images 38 historical images 4 maps Glossary Bibliography

Sidewalk City Annette Miae Kim, 2015-05-27 For most the term public space conjures up images of large open areas community centers for meetings and social events the ancient Greek agora for political debates green parks for festivals and recreation In many of the world s major cities however public spaces like these are not a part of the everyday lives of the public Rather business and social lives have always been conducted along main roads and sidewalks With increasing urban growth and density primarily from migration and immigration rights to the sidewalk are being hotly contested among pedestrians street vendors property owners tourists and governments around the world With Sidewalk City Annette Miae Kim provides the first multidisciplinary case study of sidewalks in a distinctive geographical area She focuses on Ho Chi Minh City Vietnam a rapidly growing and evolving city that throughout its history her multicultural residents have built up alternative legitimacies and norms about how the sidewalk should be used Based on fieldwork over 15 years Kim developed methods of spatial ethnography to overcome habitual seeing and recorded both the spatial patterns and the social relations of how the city s vibrant sidewalk life is practiced In Sidewalk City she transforms this data into an imaginative array of maps progressing

through a primer of critical cartography to unveil new insights about the importance and potential of this quotidian public space This richly illustrated and fascinating study of Ho Chi Minh City s sidewalks shows us that it is possible to have an aesthetic sidewalk life that is inclusive of multiple publics aspirations and livelihoods particularly those of migrant vendors

Cities and Sovereignty Diane E. Davis, Nora Libertun de Duren, 2011-02-01 Cities have long been associated with diversity and tolerance but from Jerusalem to Belfast to the Basque Country many of the most intractable conflicts of the past century have played out in urban spaces The contributors to this interdisciplinary volume examine the interrelationships of ethnic racial religious or other identity conflicts and larger battles over sovereignty and governance Under what conditions do identity conflicts undermine the legitimacy and power of nation states empires or urban authorities Does the urban built environment play a role in remedying or exacerbating such conflicts Employing comparative analysis these case studies from the Middle East Europe and South and Southeast Asia advance our understanding of the origins and nature of urban conflict

The Viet Kieu in America Nghia M. Vo, 2009-10-21 Vietnamese make up one of the largest refugee populations in the United States some arriving by boat in 1975 after the fall of Saigon and others coming in the 1990s This collection of 22 essays by 14 authors illuminates Vietnamese American culture views of freedom and oppression and the issues of relocation assimilation and transition for two million people It contains personal experiences of the Vietnam War life under Communist rule and escape to America

Western Power in Asia Arthur Cotterell, 2011-08-04 For centuries the major powers of the West were seduced by the allure of the countries of the Far East Spices textiles silk and tea were the staples of East West trade But competition between Western traders eventually caused military intervention in Asian affairs and the establishment of colonial empires These actions have shaped the history of mankind and left a legacy that still reverberates throughout Asia *Western Power in Asia* is a unique contribution to the understanding of present day Asia Essential reading for anyone interested in world history Arthur Cotterell offers fascinating insights into five hundred extraordinary years of power and influence by the West which disappeared spectacularly after the Second World War The author s ability to tell both sides of the story with the aid of contemporary illustrations as well as quotations makes this book a tremendous resource for students of Asian history And because the entire colonial experience is covered for the first time within a single volume *Western Power in Asia* also provides the general reader with an unusual and invaluable perspective on East West relations As countries such as China and India become key players on the world stage *Western Power in Asia* provides a timely reminder of the path that led to their present positions while allowing a poignant opportunity to reflect on how they might in future treat their Western trading partners

The Lover, Wartime Notebooks, Practicalities Marguerite Duras, 2017-11-14 A hardcover omnibus edition of the French writer s most famous novel the basis for the film *Memoir of War* alongside her fascinating wartime writings and a collection of intimate autobiographical essays Marguerite Duras was one of the leading intellectuals and novelists of postwar France but her wartime writings were not published in full until after her death The

Wartime Notebooks trace Duras's formative experiences including her difficult childhood in Indochina and her harrowing wait for her husband's return from Nazi internment revealing the personal history behind her bestselling novels *The Lover* is the best known of these set in prewar Indochina its haunting tale of a tumultuous affair between an adolescent French girl and her wealthy Chinese lover is based on her own life In spare and luminous prose Duras evokes life on the margins in the waning days of France's colonial empire and the passionate relationship between two unforgettable outcasts *Practicalities* is a collection of small and intensely personal pieces Duras dictated near the end of her life These deceptively simple meditations on motherhood domesticity sex love alcohol writing and more are witty earthy outspoken and surprisingly fresh and relevant today

The Lover Marguerite Duras, 2011-07-06 An international best seller with more than one million copies in print and a winner of France's Prix Goncourt *The Lover* has been acclaimed by critics all over the world since its first publication in 1984 Set in the prewar Indochina of Marguerite Duras's childhood this is the haunting tale of a tumultuous affair between an adolescent French girl and her Chinese lover In spare yet luminous prose Duras evokes life on the margins of Saigon in the waning days of France's colonial empire and its representation in the passionate relationship between two unforgettable outcasts Long unavailable in hardcover this edition of *The Lover* includes a new introduction by Maxine Hong Kingston that looks back at Duras's world from an intriguing new perspective that of a visitor to Vietnam today

Mademoiselle, 1966-11 [The Lover by Marguerite Duras \(Book Analysis\)](#) Bright Summaries, 2016-11-09 Unlock the more straightforward side of *The Lover* with this concise and insightful summary and analysis This engaging summary presents an analysis of *The Lover* by Marguerite Duras an autobiographical novel which tells the story of a teenage girl who embarks on a forbidden relationship with a wealthy Chinese man twelve years her senior They are eventually separated when the young girl is forced to go back to France where she will once again encounter her lover many years later *The Lover* was a commercial and critical success the novel won France's prestigious Prix Goncourt in 1984 and it has sold almost three million copies and been translated into more than 40 languages Marguerite Duras was a French writer playwright and filmmaker She often moved away from the structure and style of traditional fiction in favour of a more abstract approach making her one of the most influential and innovative authors of the 20th century Find out everything you need to know about *The Lover* in a fraction of the time This in depth and informative reading guide brings you A complete plot summary Character studies Key themes and symbols Questions for further reflection Why choose BrightSummaries.com Available in print and digital format our publications are designed to accompany you in your reading journey The clear and concise style makes for easy understanding providing the perfect opportunity to improve your literary knowledge in no time See the very best of literature in a whole new light with BrightSummaries.com [Between Image and Identity](#) Karina Eileraas, 2007-01-01 This book addresses the autobiographical literature visual and performance art of postcolonial women from Maghreb and Southeast Asia including Leila Sebbar Assia Djebar and Theresa Hak Kyung Cha Karina Eileraas critically examines how contemporary

postcolonial artists participate in the violence of representation in order to re imagine the relationship between image and identity

Bibliographic Index, 2006 *Marguerite Duras* Laure Adler, 2000-12-15 Now available in English the bestseller of France traces the life of one of that country's most prolific yet controversial figures The life of the author of *The Lover* and *The War A Memoir* is explored through events central to Duras's career by means of letters unpublished manuscripts and interviews Photos

Stolen Limelight Margaret E. Gray, 2022-05-15 Who has not in a favored moment stolen the limelight whether inadvertently or by design The implications of such an act of display its illicitness its verve its vertiginous reversal of power its subversiveness are explored in this book Narrative crafting and management of such scenarios are studied across canonical novels by Gide Colette Mauriac and Duras as well as by African Francophone writer Oyono and detective novelist Japrisot As manipulated within narrative acts of display position a viewer or reader from whom response from veneration or desire to repugnance or horror is solicited but this study demonstrates that display can also work subversively destabilising and displacing such a privileged spectator As strategies of displacement these scenarios ultimately neutralise and even occult the very subject they so energetically appear to solicit Powered by gendered tensions this dynamic of display as displacement works toward purposes of struggle resistance or repression

Tip the Cup of Guilt Madam Arlene Mighton, 2023-11-10 *Tip the Cup of Guilt Madam* is about a Nobel Laureate's widow Cheryl Boucher and her struggle with depression following her husband's death and her eventual succumbing to dementia While in therapy to deal with her depression she and her two daughters discover that Karl Boucher had a secret mistress and a daughter This sends the family into a free fall and they research who it may be The story becomes more complicated when Cheryl finally learns she has early dementia The widow tries to outskirt the family by not going into a care facility A circus an activist movement and a trip to a Kentucky Derby are part of the widow's plan to circumnavigate the inevitable As Cheryl eventually finds herself in a care facility her path intersects with the chaplain of the Manor sparking a profound love that defies societal expectations Furthermore Cheryl undergoes a profound religious experience though many skeptics question the authenticity of her encounters Some dismiss her religiosity as mere superstition while others raise doubts about the validity of love blooming within a mind plagued by dementia *Tip the Cup of Guilt Madam* weaves a captivating tapestry of human emotions exploring themes of loss betrayal resilience and the transformative power of love Join Cheryl on her extraordinary journey as she navigates the complex web of her past confronts the challenges of her present and seeks redemption in the face of doubt and uncertainty

The Refugees Viet Thanh Nguyen, 2017-02-07 Beautiful and heartrending fiction set in Vietnam and America from the Pulitzer Prize winning author of *The Sympathizer* Joyce Carol Oates *The New Yorker* In these powerful stories written over a period of twenty years and set in both Vietnam and America Viet Thanh Nguyen paints a vivid portrait of the experiences of people leading lives between two worlds the adopted homeland and the country of birth This incisive collection by the National Book Award finalist and celebrated author of *The Committed* gives voice to the hopes and

expectations of people making life changing decisions to leave one country for another and the rifts in identity loyalties romantic relationships and family that accompany relocation From a young Vietnamese refugee who suffers profound culture shock when he comes to live with two gay men in San Francisco to a woman whose husband is suffering from dementia and starts to confuse her with a former lover to a girl living in Ho Chi Minh City whose older half sister comes back from America having seemingly accomplished everything she never will the stories are a captivating testament to the dreams and hardships of migration Terrific Chicago Tribune An important and incisive book The Washington Post An urgent wonderful collection NPR
