Thomas Desrosiers

Sailing Lifestyle:

A Woman's Guide to the Sailing Lifestyle Thomas Desrosiers, 2015-09-18 A chance sailing trip with a friend from work led me to wonder if I could learn to sail After all Im a woman and the sailing world seems to favor men I am not athletic I didnt grow up in a family where we learned about boating I would be starting late since I was in my thirties and I suffer from seasickness What I discovered over the next twenty five years is that I could indeed learn to be a competent sailor But I didnt expect to be an expert overnight Instead as a novice I layered on new knowledge slowly over time through experiential learning This book describes the process whereby this happened Using examples from trips along the coast of Maine New Hampshire and Massachusetts it reviews the essential knowledge needed to be a sailor as well as explanations about the parts of a sailboat major boat systems and tasks associated with maintaining a sailboat It also discusses some Zen like attitudes that lead to successful and fun sailing such as focusing the no blame rule and stripping down to the essentials Unlike some other sailing guides this book points out that sailing can be a lifestyle that includes many dimensions Its not just about getting a boat to sail Traveling by boat is a unique experience and visiting small coastal New England communities is an adventure Learning about history art ecology star constellations technology and birds are only a few of the kinds of activities that can be built into a rich and rewarding sailing experience This book will be helpful for people who would like to learn to sail but who are intimidated by the process particularly women fledgling sailors just starting out and families with children

Sailing Life Bob Bitchin, 2006-02-01 Bob Bitchin has a unique perspective from which to describe The Sailing Life As founder and editor of the highly successful magazine Latitudes Attitudes he surveys and comments on the good and the bad the funny and the sad the practical and the theoretical of the sailing scene This collection of his editorials and other writings is full of useful advice keen observations and yes some outrageous comments as only Bob can put them on paper Readers of his bestseller Letters from the LOST SOUL will be delighted with this unique guide to the Sailing Life Like Latitudes Attitudes Captain Bob is down to earth irreverent and always entertaining
