Sailor On Horseback The Biography Of Jack London

James L. Haley

Sailor On Horseback The Biography Of Jack London:

jack London, Sailor on Horseback Irving Stone,1969 Irving Stone's Jack London, His Life, Sailor on Horseback (a Biography), and Twenty-eight Selected Jack London Stories Irving Stone,1977 Biography of Jack London originally published in 1938 as Sailor on horseback Sailor on Horseback Irving Stone,1969 Sailor on Horseback Irving Stone,1969-07-01 A fictional account of rakish Jack London s life *Sailor on Horseback* Irving Stone,1950 A Literary History of the American West Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance **Jack London, sailor on horseback** Irving Stone,1947

Jack London [sound Recording] : Sailor on Horseback : a Biographical Novel Roberts, Harold,Irving Stone,British Columbia. Library Services Branch,1998 **Jack London** Thomas Streissguth,2001-01-01 Describes the life of well known author Jack London including his childhood his writing his belief in Socialism and his worldwide adventures *Jack London* Earle Labor,2013-12-24 A revelatory look at the life of the great American author and how it shaped his most beloved works Jack London was born a working class fatherless Californian in 1876 In his youth he was a boundlessly energetic adventurer on the bustling West Coast an oyster pirate a hobo a sailor and a prospector by turns He spent his brief life rapidly accumulating the experiences that would inform his acclaimed bestselling books *The Call of the Wild* *White Fang* and *The Sea Wolf* The bare outlines of his story suggest a classic rags to riches tale but London the man was plagued by contradictions He chronicled nature at its most savage but wept helplessly at the deaths of his favorite animals At his peak the highest paid writer in the United States he was nevertheless forced to work under constant pressure for money An irrepressibly optimistic crusader for social justice and a lover of humanity he was also subject to spells of bitter invective especially as his health declined Branded by shortsighted critics as little more than a hack who produced a couple of memorable dog stories he left behind a voluminous literary legacy much of it ripe for rediscovery In *Jack London An American Life* the noted Jack London scholar Earle Labor explores the brilliant and complicated novelist lost behind the myth at once a hard living globe trotter and a man alive with ideas whose passion for seeking new worlds to explore never waned until the day he died Returning London to his proper place in the American pantheon Labor resurrects a major American novelist in his full fire and glory

Jack London Alex Kershaw,2013-08-20 Raised in poverty as an illegitimate child Jack London dropped out of school to support his mother working in mind deadening jobs that would foster a lifelong interest in socialism Brilliant and self taught he haunted California s waterside bars brawling with drunken sailors and learning about love from prostitutes His lust for adventure took him from the beaches of Hawaii to the gold fields of Alaska where he experienced firsthand the struggles for

survival he would later immortalize in classics like *White Fang* and *The Call of the Wild*. A hard drinking womanizer with children to support, Jack London was no stranger to passion when he met and married Charmian Kittredge, the love of his life. Despite his adventurous past, London had never before met a woman like Charmian; she adored fornication and boxing and willingly risked life and limb to sail and explore. She typed his manuscripts while he churned out novels serving as his inspiration and his critic. Lover, fighter, and onetime hobo, Jack London lived large and died before he was forty. This is a rare biography from bestselling historian Alex Kershaw that proves the truth can be more fascinating and a far greater adventure than a fiction. Jack London Rebecca Stefoff, 2002-04-04. One of the most beloved writers of all time, Jack London is best remembered for his tales of adventure such as *White Fang* and *The Call of the Wild*. Jack London paints a well-rounded picture of London's short, intrepid life: his prolific writings, his unusually clear and direct portrayal of people of different races, and his struggles with writing. The book includes excerpts, photographs, maps, suggestions for further reading, and a list of places to visit. Oxford Portraits are informative and insightful biographies of people whose lives shaped their times and continue to influence ours. Based on the most recent scholarship, they draw heavily on primary sources including writings by and about their subjects. Each book is illustrated with a wealth of photographs, documents, memorabilia framing the personality and achievements of its subject against the backdrop of history. **Wolf** James L. Haley, 2010. Jack London was born a working-class, fatherless Californian in 1876. In his youth, he was a boundlessly energetic adventurer on the bustling West Coast, by turns playing the role of hobo, sailor, prospector, and oyster pirate. He spent his brief life rapidly accumulating the experiences that would inform his acclaimed best-selling books *The Call of the Wild*, *White Fang*, and *The Sea Wolf*. London was plagued by contradictions. He chronicled nature at its most savage but wept helplessly at the deaths of his favorite animals. At his peak, the highest paid writer in America, he was nevertheless constantly broke. An irrepressibly optimistic crusader for social justice, he burned himself out at forty, sick, angry, and disillusioned, but leaving behind a voluminous literary legacy much of it ripe for rediscovery. In *Wolf*, award-winning author James L. Haley explores the forgotten Jack London at once a hard-living globetrotter and a man alive with ideas whose passion for social justice roared until the day he died. Returning London to his proper place in the American pantheon, *Wolf* resurrects a major American novelist in his full fire and glory. Author Under Sail James (Jay) W. Williams, 2014-11-01. In *Author Under Sail*, Jay Williams offers the first complete literary biography of Jack London as a professional writer engaged in the labor of writing. It examines the authorial imagination in London's work, the use of imagination in both his fiction and nonfiction, and the ways he defined imagination in the creative process in his business dealings with his publishers, editors, and agents. In this first volume of a two-volume biography, Williams traverses the years 1893 to 1902, from London's *Story of a Typhoon* to *The People of the Abyss*. The Jack London who emerges in the pages of *Author Under Sail* is a writer whose partnership with publishers, most notably his productive alliance with George Brett of Macmillan, was one of the most formative in American literary history. London

pioneered many author models during the heyday of realism and naturalism blurring the boundaries of these popular genres by focusing on absorption and theatricality and the representation of the seen and unseen London created an impassioned sincere and extremely personal realism unlike that of other American writers of the time *Author Under Sail* is a literary tour de force that reveals the full range of London as writer creative citizen and entrepreneur at the same time it sheds light on the maverick side of machine age literature Charmian Kittredge London Iris Jamahl Dunkle,2020-09-17 Charmian Kittredge London 1871 1955 was the epitome of a modern woman Free spirited and adventurous she defied modern expectations of femininity Today she is best known as the wife of the famous American author Jack London yet she was a literary trailblazer in her own right This biography is the first book to tell the complete story of Charmian s life freed from the shadow cast by her famous husband In this biography Iris Jamahl Dunkle draws the reader into Charmian s private and public worlds underscoring her literary achievements and the significant role she played in promoting her husband s legacy Her life as Dunkle emphasizes required fortitude and bravery and in many ways it paralleled the history of the American West Born on the mudflats of what would become Los Angeles s harbor Charmian became an orphan at age fourteen Raised by her aunt Netta Wiley Ames a noted writer and editor for the *Overland Monthly* Charmian attended college became an expert equestrian and concert pianist and had a successful career as a stenographer But her life shifted when in 1905 she married Jack London already a bestselling author For the rest of Jack s life until his untimely death at the age of forty reporters would follow the couple s every move Charmian and Jack traveled the world exploring and writing together In addition to collaborating with Jack on many of his projects Charmian wrote three books about her travels as well as countless articles After Jack s death in 1916 she remained a celebrity continuing to travel and write and seek adventure She also wrote a biography about her late husband and managed his estate influencing how Jack s literary legacy was remembered Charmian Kittredge London is a central figure in California cultural history Now thanks to Dunkle s riveting portrait readers have the opportunity to embark on the grand adventure that was her life **Down by the Bay** Matthew Booker,2013-06-07 San Francisco Bay is the largest and most productive estuary on the Pacific Coast of North America It is also home to the oldest and densest urban settlements in the American West Focusing on human inhabitation of the Bay since Ohlone times *Down by the Bay* reveals the ongoing role of nature in shaping that history From birds to oyster pirates from gold miners to farmers from salt ponds to ports this is the first history of the San Francisco Bay and Delta as both a human and natural landscape It offers invaluable context for current discussions over the best management and use of the Bay in the face of sea level rise *Author Under Sail* James W. Williams,2021-02 In *Author Under Sail* The Imagination of Jack London 1902 1907 Jay Williams explores Jack London s necessity to illustrate the inner workings of his vast imagination In this second installment of a three volume biography Williams captures the life of a great writer expressed through his many creative works such as *The Call of the Wild* and *White Fang* as well as his first autobiographical memoir *The Road* some of his most

significant contributions to the socialist cause and notable uncompleted works During this time London became one of the most famous authors in America perhaps even the author with the highest earnings as he prepared to become an equally famous international writer Author Under Sail documents London s life in both a biographical and writerly fashion depicting the importance of his writing experiences as his career followed a trajectory similar to America s from 1876 to 1916 The underground forces of London s narratives were shaped by a changing capitalist society media outlets racial issues increases in women s rights and advancements in national power Williams factors in these elements while exploring London s deeply conflicted relationship with his own authorial inner life In London s work the imagination is figured as a ghost or as a ghostlike presence and the author s personas who form a dense population among his characters are portrayed as haunted or troubled in some way Along with examining the functions and works of London s exhaustive imagination Williams takes a critical look at London s ability to tell his stories to wide arrays of audiences stitching incidents together into coherent wholes so they became part of a raconteur s repertoire Author Under Sail provides a multidimensional examination of the life of a crucial American storyteller and essayist **Solitary Comrade** Joan D. Hedrick,2018-08-25 Hedrick examines London s inner life primarily as it is revealed in his art to discover the man concealed beneath the public persona Although London was wealthy famous and one of the last great self made men in America Hedrick shows that he was always torn by his troubled relationship to his lower class origins He lived in painful awareness of the contradictions between the man s world of the lower classes at the workplace on the road and in prison and the woman s world of the middle class in which he took refuge Originally published 1982 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *Jack London* Charles Child Walcutt,1959 Jack London American Writers 57 was first published in 1966 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions *Authors Inc.* Loren Glass,2004-07-01
