## **Sailors Slackers And Blind Pigs Halifax At War:**

**Sailors, Slackers, and Blind Pigs** Stephen Kimber, 2010-06-25 The untold story of how war transformed the city of Halifax Stephen Kimber recreates life in Halifax during the Second World War a city transformed by the influx of military and civilian personnel serving the war effort Poorly governed and corrupt the city erupted at the end of the war in Europe in the infamous V E Day riots of May 1945 Halifax was the only Canadian city directly caught up in the drama danger death and disaster of our last good war Through the eyes and experiences of the people who lived it sailors slackers civilians prohibitionists spies profiteers and just plain local folk Stephen Kimber brings this extraordinary period of history to life From an initial outpouring of imperial patriotism and local paternalism to the final Bacchanalian orgy of booze looting dancing in the streets public fornication and general mayhem this is the true untold story of how a city changed a war and a war changed a city Drawing on primary sources ranging from local government and military archives to personal diaries Kimber recreates life in Halifax during the Second World War so convincingly that readers will feel that they have journeyed back in time to meet some of the most colourful characters ever encountered in a history book **Halifax at War** William Naftel, 2008-10-15 A history of Halifax s extraordinary role in the Second World War **Saints, Sinners, and Soldiers** Jeffrey A. Keshen, 2007-10-01 The first ever synthesis of both the patriotic and the problematic in wartime Canada Saints Sinners and Soldiers shows how moral and social changes and the fears they generated precipitated numerous and often contradictory legacies in law and society From labour conflicts to the black market to prostitution and beyond Keshen acknowledges the underbelly of Canada s Second World War and demonstrates that the Good War was a complex tapestry of social forces not all of which were above reproach **Making the Best of It** Sarah Glassford, Amy J. Shaw, 2020-04-15 Many women who lived through the Second World War believed it heralded new status and opportunities but scholars have argued that very little changed How can these interpretations be reconciled Making the Best of It examines the ways in which gender and other identities intersected to shape the experiences of female Canadians and Newfoundlanders during the war The contributors to this thoughtful collection consider mainstream and minority populations girls and women and different parts of Canada and Newfoundland They reassess topics such as women in the military and in munitions factories and tackle entirely new subjects such as wartime girlhood in Quebec Collectively these essays broaden the scope of what we know about the changes the war wrought in the lives of Canadian women and girls and address wider debates about memory historiography and feminism *Short History of Halifax* Dan Soucoup, 2025-09-19 Covering the most significant events in the storied history of the city A Short History of Halifax is a fascinating accessible record In a readable narrative style author Dan Soucoup offers up a to the point history taking readers from the geography of the harbour and the settlement of the city through years of conflict between its various inhabitants Mi kmaq British Acadian Encompassing the entire history of the city from 1749 to present A Short History of Halifax is the perfect read for tourists seeking an historical overview of Halifax and

residents curious about the city they call home Includes 30 black and white photos      **Labour Goes to War** Wendy Cuthbertson, 2012 During the Second World War the Congress of Industrial Organizations in Canada grew from a handful of members to more than a quarter million and from political insignificance to a position of influence in the emergence of the welfare state What was it about the good war that brought about this phenomenal growth Labour Goes to War analyzes the organizing strategies of the CIO during the war to show that both cultural and economic forces were at work Labour shortages gave workers greater power in the workplace and increased their militancy But workers patriotism their ties to those on active service and allegiance to the people s war also contributed to the CIO s growth and to what it claimed for workers Drawing on a wealth of archival material Wendy Cuthbertson illuminates this complex wartime context She also shows how the complex often contradictory motives of workers during this period left the Canadian labour movement with an ambivalent progressive conservative legacy      **The Seabound Coast** William Johnston, William G.P. Rawling, Richard H. Gimblett, John MacFarlane, 2011-01-14 Commended for the 2011 Keith Matthews Award From its creation in 1910 the Royal Canadian Navy was marked by political debate over the countrys need for a naval service The Seabound Coast Volume I of a three volume official history of the RCN traces the story of the navys first three decades from its beginnings as Prime Minister Sir Wilfrid Lauriers tinpot navy of two obsolescent British cruisers to the force of six modern destroyers and four minesweepers with which it began the Second World War The previously published Volume II of this history Part 1 No Higher Purpose and Part 2 A Blue Water Navy has already told the story of the RCN during the 1939-1945 conflict Based on extensive archival research The Seabound Coast recounts the acrimonious debates that eventually led to the RCNs establishment in 1910 its tenuous existence following the Laurier governments sudden replacement by that of Robert Borden one year later and the navys struggles during the First World War when it was forced to defend Canadian waters with only a handful of resources From the effects of the devastating Halifax explosion in December 1917 to the U boat campaign off Canadas East Coast in 1918 the volume examines how the RCNs task was made more difficult by the often inconsistent advice Ottawa received from the British Admiralty in London In its final section this important and well illustrated history relates the RCNs experience during the interwar years when anti war sentiment and an economic depression threatened the services very survival      **Commanding Canadians** Michael Whitby, 2007-10-01 Commander A F C Layard RN wrote almost daily in his diary in bold neat script from the time he entered the Royal Navy as a cadet in 1913 until his retirement in 1947 The pivotal 1943-45 years of this edited volume offer an extraordinarily full and honest chronicle revealing Layard s preoccupations both with the daily details and with the strain and responsibility of wartime command at sea Enhanced by Michael Whitby s explanatory essays the diary sheds light on the inshore anti submarine campaign in British waters discusses pivotal events such as the invasions of North Africa and Normandy and convoys to Russia describes encounters with important personalities and records the final surrender of German U boats It is a highly personal piece of history that

greatly enhances our understanding of the Canadian naval experience and the Atlantic war as a whole A consummately well researched work Commanding Canadians will appeal to both naval scholars as well as to general readers interested in military history      **Occupied St John's** Steven C. High,2010 The stories and memories of those who lived through the Second World War in Newfoundland      *On the Way!* Christopher R. Larry D. Rose,2013-10-28 Military specialist Larry D Rose examines why Canada was not training and preparing to go to war before the declaration in 1939 The failures of all involved are examined as are the other issues that delayed this important decision resulting in the significant loss of Canadians in Dieppe and in Hong Kong

**"Our Gallant Doctor"** James Goodwin,2007-04-30 During the Battle of the Atlantic Dr George Hendry had just finished performing two major surgical operations on board the destroyer HMCS Ottawa when his ship was ambushed by 13 German U boats Canadian warships like Ottawa had inadequate radar sets that were incapable of detecting submarines approaching in the dark On September 13 1942 U 91 stole in and torpedoed Ottawa sinking her in 20 minutes utterly exhausted Dr Hendry was lost along with 113 of his shipmates George Hendry was a much loved man a great university athlete and a very good doctor Unfortunately he was also naive and too trusting One night in January 1941 he committed a very foolish indiscretion He would spend the rest of his tragically short life making amends for this mistake      **Fighting from Home** Serge Durflinger,2011-11-01 In Verdun English and French speakers lived side by side Through their home front activities as much as through enlistment they proved themselves partners in the prosecution of Canada s war Shared experiences and class similarities shaped responses based first and foremost in a sense of local identity Fighting from Home paints a comprehensive at times intimate portrait of Verdun and Verdunites at war Durflinger offers an innovative interpretive approach to wartime Canadian and Quebec social and cultural dynamics It will appeal to anyone interested in the history of the Canadian home front during the Second World War      **A Bridge of Ships** James S. Pritchard,2011 The second World War dramatically affected Canada s shipbuilding industry James Pritchard describes the rapidly changing circumstances and

personalities that shaped government shipbuilding policy the struggle for steel the expansion of ancillary industries and the cost of Canadian wartime ship production Speaking Up Maya Eichler,Reina Green,Tracy Moniz,2025-09-19 The story of Nova Scotia s history is usually presented through the lens of military history Lost in that narrative are the less visible stories of war and peace contemporary stories told from outside the military community anti militarist stories and stories of soldiers who don t fit the white cisgender male heterosexual norm Speaking Up New Voices on War and Peace in Nova Scotia brings many previously neglected voices to the fore voices of current members of the Canadian Armed Forces and military veterans members of the African Nova Scotian and Mi kmaw communities refugees and immigrants displaced by war historians and other academics who study war and militarization artists who reflect on war s impact and peace activists who vigorously protest against the militarization of the region These fresh perspectives on war and peace in Nova Scotia from voices that include Darl Wood El Jones Sylvia Parris Peter Dykhuis Jessica L Wiebe Paige Farah Catherine Martin and Juanita Peters light the way to a more comprehensive understanding of the impact of war on our province Through more than thirty unique stories carefully curated by an expert editorial team from Mount Saint Vincent University in Halifax Speaking Up New Voices on War and Peace in Nova Scotia sets out to challenge the dominant military narrative on war and peace in Nova Scotia

The Guardianship of Best Interests Renée Nicole Lafferty,2013 A history of charitable children s homes and emergent state centred child welfare policy in Nova Scotia **A Nation in Conflict** Andrew Iarocci,Jeffrey Keshen,2016-01-27 The First and Second World Wars were two of the most momentous events of the twentieth century In Canada they claimed 110 000 lives and altered both the country s domestic life and its international position **A Nation in Conflict** is a concise comparative overview of the Canadian national experience in the two world wars that transformed the nation and its people With each chapter military historians Jeffrey A Keshen and Andrew Iarocci address Canada s contribution to the war and its consequences Integrating the latest research in military social political and gender history they examine everything from the front lines to the home front Was conscription necessary Did the conflicts change the status of Canadian women Was Canada s commitment worth the cost Written both for classroom use and for the general reader **A Nation in Conflict** is an accessible introduction to the complexities of Canada s involvement in the twentieth century s most important conflicts Art of Sharing Mary Janigan,2020-07-23 In 1957 after a century of scathing debates and threats of provincial separation Ottawa finally tackled the dangerous fiscal inequalities among its richer and poorer provinces Equalization grants allowed the poorer provinces to provide relatively equal services for relatively equal levels of taxation The Art of Sharing tells the dramatic history of Canada s efforts to save itself The introduction of federal equalization grants was controversial and wealthier provinces such as Alberta wanting to keep more of their taxpayers money for their own governments continue to attack them today Mary Janigan argues that the elusive ideal of fiscal equity in spite of dissent from richer provinces has helped preserve Canada as a united nation Janigan goes back to Confederation to trace the escalating tensions among the provinces across

decades as voters demanded more services to survive in a changing world She also uncovers the continuing contacts between Canada and Australia as both dominions struggled to placate disgruntled member states and provinces that blamed the very act of federation for their woes By the mid twentieth century trapped between the demands of social activists and Quebec s insistence on its right to run its own social programs Ottawa adopted non conditional grants in compromise The history of equalization in Canada has never been fully explored Introducing the idealistic Canadians who fought for equity along with their radically different proposals to achieve it The Art of Sharing makes the case that a willingness to share financial resources is the real tie that has bound the federation together into the twenty first century

Disciples of Antigonish Peter Ludlow, 2022-09-15 For generations eastern Nova Scotia was one of the most celebrated Roman Catholic constituencies in Canada Occupying a corner of a small province in a politically marginalized region of the country the Diocese of Antigonish nevertheless had tremendous influence over the development of Canadian Catholicism It produced the first Roman Catholic prime minister of Canada supplied the nation with clergy and women religious and organized one of North America s most successful social movements Disciples of Antigonish recounts the history of this unique multi ethnic community as it shifted from the firm ultramontanist of the nineteenth century to a more socially conscious Catholicism after the First World War Peter Ludlow chronicles the faithful as they built a strong Catholic sub state dealing with economic uncertainty generational outmigration and labour unrest As the home of the Antigonish Movement a network of adult study clubs cooperatives and credit unions the diocese became famous throughout the Catholic world The influence of mighty big and strong Antigonish as one national figure described the community reached its zenith in the 1950s Disciples of Antigonish traces the monumental changes that occurred within the region and the wider church over nearly a century and demonstrates that the Catholic faith in Canada went well beyond Sunday Mass
