LIVES of the Holy Glorious and every where Celebrated APOSTLES L. V. Filimonova, Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> Election of the Twelve Apostles After the Baptism from John in the Jordan River the Lord Jesus Christ began to preach His Divine teaching performing countless miracles and healing all kinds of diseases see Matthew 4 23 Many people from all over the country of Judea began to flock to listen to His wondrous doctrine and ask for the healing of their ailments see Luke 6 17 18 These listeners for the most part soon left Heavenly Teacher and returned to their worldly pursuits However some accompanied the Savior almost everywhere and were already called His disciples see John 3 22 4 1 But even they were not all far from everyday interests and not all were equally capable of perceiving Divine truths Meanwhile Christ had to come forward decisively and openly to His glorious service to the human race and He was pleased to separate from among the disciples several chosen worthy ones Seeing the spiritual purity of some the Lord even earlier called them apart to follow

Him as if to test their readiness Now seeing this readiness of them He set out to lay the foundation for their closest alliance with Him And then one evening the Lord retires to a secluded mountain for prayer The Divine Prayer Book spent the whole night in prayer see Luke 6 12 Who knows what the Lord's prayer hinged at this time Maybe the Son of Man asked His Heavenly Father to be strengthened for the coming deed maybe He called the blessing of the Father to Himself to His great work and to the chosen disciples in their service to this work It is morning Fortified by night prayer the Lord calls to Him on a mountain of His disciples and here in the midst of solemn morning silence far from worldly noise he selects twelve of them Here are their names Simon Peter and Andrew his brother James and John the sons of Zebedee Philip and Bartholomew Matthew and Thomas James Alfeyev and Simon Zealot Judas Jacob and Judas Iscariot who later betrayed Christ see Luke 6 14 16 cf Mark 3 16 19 All these were for the most part people simple poorly educated poor Galilean fishermen The Lord chose them as those who proved their love and affection for Him trusting as children not infected by the dreams of false enlightenment He himself provided them with education and taught them not only by word but also by deed alone before the people in the house and on the way on land and at sea The Lord revealed to them the secrets of His Kingdom and often explained His teachings separately from the people see Mark 4 34 Matthew 13 36 He gradually erased their prejudices brought from Jewish teachings tempered their heart movements and brought them into harmony with their responsibilities The Lord cleansed and enlightened their mind and heart preparing them for the complete outpouring of the Spirit of truth and sanctification in them They were constantly with Him see Mark 3 14 accompanied Him everywhere were His constant companions and interlocutors listened to His teachings witnessed His life and work His miracles His suffering death resurrection and ascension to heaven and then they themselves had to testify that they saw heard felt At first they were in relation to the Lord as disciples at the end of His earthly career He already called them friends see Jn 15 14 15 as those from whom He did not hide anything finally after His resurrection he called them brothers see John 20 17 as the closest beings to Himself By the nature of their ministry they were called by the Lord Himself the apostles see Luke 6 13 i e messengers Twice Christ the Savior sent them to preach At first giving them the power to work miracles he sent them two in front of His only to the lost sheep of the house of Israel see Matt 10 6 onwards Mk 6 7 onwards Then after death and glorious resurrection he sent them to preach the gospel to all creatures see Mk 16 15 to teach all nations baptizing them in the name of the Father and the Son and the Holy Spirit see Mt 28 19 The number of 12 apostles violated by the fall of Judah soon after the ascension of Christ was filled up by the election by lot of Matthias see Acts 1 20 23 26 On the day of Pentecost the apostles received the Holy Spirit descending in the form of tongues of fire and resting on them with His grace see Acts 2 1 4 After the descent of the Holy Spirit by the direct calling of Christ and the illumination of the Holy Spirit Paul the great apostle of the Gentiles was added to the face of the 12 apostles see Rom 11 13 15 14 19 Fulfilling the command of the Lord the holy apostles after 12 years after the ascension of Christ who according to church tradition they were together in Jerusalem dispersed and

everywhere preached the name of Christ see Acts 16 21 Mk 16 20 Their voice was heard all over the earth and their words spread to the edge of the universe see Rom 10 18 **Memory Eternal** Sergei Kan, 2014-07-01 In *Memory Eternal* Sergei Kan combines anthropology and history anecdote and theory to portray the encounter between the Tlingit Indians and the Russian Orthodox Church in Alaska in the late 1700s and to analyze the indigenous Orthodoxy that developed over the next 200 years As a native speaker of Russian with eighteen years of fieldwork experience among the Tlingit Kan is uniquely qualified to relate little known material from the archives of the Russian church in Alaska to Tlingit oral history and his own observations By weighing the one body of evidence against the other he has reevaluated this history arriving at a persuasive new concept of converged agendas the view that the Tlingit and the Russians tended to act in mutually beneficial ways but for entirely different reasons throughout the period of their contact with one another The Russian American Company began operations in southeastern Alaska in the 1790s Against a description of Tlingit culture at the time of the Russians arrival Kan examines Russian Orthodox theology ritual practice and missionary methods and the Tlingit response to them An uneasy symbiosis characterized the early era of the Russian American Company when the trading relationship outweighed any spiritual or social rapprochement A second major focus of Kan's study is the Tlingit experience with American colonial domination He attributes a sudden revival of Tlingit interest in Orthodoxy in the 1880s as their attempt to maintain independence in the face of concerted efforts by the newcomers and especially Presbyterian missionaries to Americanize them *Memory Eternal* shows the colonial encounter to be both a power struggle and a dialogue between different systems of meaning It portrays Native Alaskans not as helpless victims but as historical agents who attempted to adjust to the changing reality of their social world without abandoning fundamental principles of their precolonial sociocultural order or their strong sense of self respect Mission heroes, bishop Feild, of Newfoundland ,1887
