**Why God Hides** Fr. John Portavella, 2018-05-25 Why does God hide day in and day out from those of us who yearn to hear His voice When we do good there s no heavenly applause When we do evil no divine rebuke And when great horrors visit us He rarely intervenes In good times and bad there s just silence the awful silence of God Now comes Why God Hides this magnum opus of Fr John Portavella written after many decades of listening to God s silence in his own life and in that of thousands of his parishioners Those years of listening reading thinking and praying have made ever more clear to him and with the help of this book will make clear to you that in fact God is not silent nor is He hidden if only you know how to listen and learn where to look Time and again in the events of salvation history and in the trials and joys of our daily lives Fr Portavella here unveils the Face of God and lets us hear His voice speaking in every instance words of sweet love Why God Hides is a remarkable once in a lifetime book that scatters the darkness of our minds giving us myriad glimpses of our supposedly hidden God bringing with each of those glimpses the consolation and joys we have yearned for so long

elected pope in the fall of 1978 few people had ever heard of the charismatic Karol Wojtya But in a very short time he would ignite a revolution of conscience in his native Poland that would ultimately lead to the collapse of European communism and death of the Soviet Union What even fewer people knew was that the KGB the Polish Secret Police and the East German Stasi had been waging a dangerous decades long war against Wojtya and the Vatican itself Weigel with unprecedented access to many Soviet era documents chronicles John Paul s struggle against the dark forces of communism Moreover Weigel recounts the tumultuous last years of John Paul s life as he dealt with a crippling illness as well as the new world disorder and revelations about corruption within the Catholic Church Weigel s thought provoking biography of John Paul II concludes with a probing and passionate assessment of a man who lived his life as a witness to hope in service to the Christian ideals he embraced

**Holiness Through Work** Fernando Ocáriz,2020 Work is a fundamental element of human life that claims much of our time Consider Jesus 30 years as a carpenter under the tutelage of St Joseph Our natural tendency can be to often curse or shirk its presence in life instead of recognizing its true value as a source of personal development improvement of society and means of holiness and apostolate The core part of the book is a dialogue between numerous scholars and Msgr Fernando Oc riz about the message of St Josemaría Escriv one of the great teachers of modern spirituality who has taught us to sanctify work to sanctify oneself at work and to sanctify others through work Use these words to reflect on the meaning of work in your own life and to learn how to change your perception of work as a burden into work as a source of sanctification
