Saints and Sinners in the Early Church W. H. Frend, 1985-01-01 Orthodoxy and Heresy in Early Christian Contexts Paul A Hartog, 2015-08-27 Eighty years ago Walter Bauer promulgated a bold and provocative thesis about early Christianity He argued that many forms of Christianity started the race but one competitor pushed aside the others until this powerful orthodox version won the day The victors rewrote history marginalizing all other perspectives and silencing their voices even though the alternatives possessed equal right to the title of normative Christianity Bauer's influence still casts a long shadow on early Christian scholarship Were heretical movements the original forms of Christianity Did the heretics outnumber the orthodox Did orthodox heresiologists accurately portray their opponents And more fundamentally how can one make any objective distinction between heresy and orthodoxy Is such labeling merely the product of socially situated power Did numerous valid forms of Christianity exist without any validating norms of Christianity This collection of essays each written by a relevant authority tackles such questions with scholarly acumen and careful attention to historical cultural geographical and socio rhetorical detail Although recognizing the importance of Bauer's critical insights innovative methodologies and fruitful suggestions the contributors expose numerous claims of the Bauer thesis in both original and recent manifestations that fall short of the historical evidence Saints and Sinners in the Early Church W. H. C. Frend, 1985 A History of the Church in Africa Bengt Sundkler, Christopher Stead, 2000-05-04 Bengt Sundkler's long awaited book on African Christian churches will become the standard reference for the subject Augustine and the Catechumenate William Harmless, 1995 St Augustine 354-430 a theologian whose views and controversies shaped the course of Christianity in the West was also a struggling North African pastor who had a flair for teaching and who meditated deeply on the complexities of the human heart This study examines a little known side of Augustine his work as a teacher of candidates for baptism It reconstructs the experience of the ancient catechumenate The portrait is relevant to all those involved with the RCIA pastors DREs catechists liturgists The Early Christian World Philip F. Esler, 2002-09-11 Early Christian World presents an exhaustive erudite and lavishly illustrated treatment of how the small movement which formed around Jesus in Galilee became the pre eminent religion of the ancient world The work begins by firmly situating early Christianity within its Mediterranean social political and religious contexts before charting the history of the first Christian centuries The creation and perpetuation of Christian communities through various means including mission and monasticism is explored as is the everyday experience of early Christians through discussion of gender and sexuality religious practice communication and social structures The intellectual particularly theological and artistic heritage of the period is fully considered and a vivid picture painted of the internal and external challenges faced by early Christianity The book concludes with profiles of the most notable figures of the age Comprehensive and accessible Early Christian World provides up to date coverage of the most important topics in the study of early Christianity together with an invaluable collection of visual material It will be an indispensable resource for anyone

studying this period **The Construction of Orthodoxy and Heresy** John B. Henderson, 1998-04-16 Presents the first systematic and cross cultural examination of ideas of orthodoxy and heresy in a group of major religious traditions

Historical Dictionary of Catholicism William J. Collinge, 2021-08-15 This work covers the whole history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The Historical Dictionary of Catholicism Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism *Arians and Vandals of the 4th-6th Centuries*

John R. C. Martyn, David O'Brien, 2020-12-15 As a background to this study of the Arians and Vandals in North Africa and their impact on the Catholic Church three books have been written recently by John Martyn investigating the same period late sixth century and the same country They are firstly Pope Gregory's Letters published with commentary and translation by P I M S three vols 2 2004 see introduction pp 32 42 and epp 1 74 2 36 and 11 7 and for the Manichean heresy see epp 2 31 5 7 and 6 14 Next the Life of Saint Gregory bishop of Agrigento published with his commentary and translation by Edwin Mellen 2004 is set in North Africa in chapters 7 30 and also covers the main schisms of that time Finally in a book on Saint Leander Archbishop of Seville soon to be published by Lexington Books in Maryland he shows that Leander's parents and baby sister were forced to flee from their home in Cartagena to Carthage from where the Vandals had recently been expelled Note also his review of *L'Afrique Vandale et Byzantine Ie Partie* Paris 2002 which was published in *Parergon* 21 1 2004 pp 155 157 and involved a study of the same schisms history and archaeology of North Africa Early Christianity Wendy Elgersma Helleman, Musa A. B. Gaiya, 2019-09-30 Designed as an undergraduate textbook and shaped by needs of both Muslim and Christian students across Africa this resource provides a thorough introduction to the history theology and teaching of early Christianity Professors Helleman and Gaiya follow Christianity from its inception in Jerusalem through to the decline of the Roman Empire in the Mediterranean and the development of Orthodox churches in the East and in Africa before the arrival of Islam The book provides an overview of critical historical events controversies teaching and important individuals and movements providing foundational understanding of early developments in Christianity and the general history of antiquity Students and lecturers will also appreciate the attention given to the role of North African leaders in early Christianity and the impact of major issues on the North African church such as Gnosticism Donatism and Arianism

Additional Features Introduction to online tools resources Survey of the study of early Christianity Introduction to key historians Evaluation of recent literature early Christianity Tyconius' Book of Rules Matthew R. Lynskey, 2021-03-01 In

Tyconius Book of Rules Matthew R Lynskey explores the church centric interpretation of ancient biblical exegete Tyconius in his hermeneutical treatise *Liber regularum* Influential within his Donatist tradition and the broader context of early North African Christianity Tyconius wrote one of the earliest works on exegetical theory and praxis in Latin Christianity By investigating five key concepts undergirding Tyconius's theology of church Lynskey demonstrates how Tyconius ecclesiology shaped his hermeneutical enterprise Through careful readings and close analysis of *Liber regularum* this study seeks to describe Tyconius exegesis on its own terms reflecting on notable historical theological formational and missiological implications of his ecclesial exegesis as it concerns the ancient and contemporary church *Traditional Christian Ethics*

David W. T. Brattston, 2014-07-15 Volume One of *Traditional Christian Ethics* describes the terminology discusses popular approaches to ethical decision making today illustrates that the earliest Christians conducted themselves in accordance with a large number of specific moral rules states the method of this set of books for reconstructing the content of early Christian ethics law as attested before the devastating epidemic and mass apostasy of AD 249/251 gives reasons for regarding this as the terminal date and provides a guide to using the lists At a number of points this volume deals with objections to its theses Volume One also furnishes you with complete information as to where you can find and look up the ancient sources cited in translation *Traditional Christian Ethics* will help you solve problems in moral decision making when Scripture is unclear or silent You can solve them through its comprehensive itemized concordances of citations to precepts of Christian ethics from all translated ancient texts Its sources possess unassailable authority that cannot be fabricated and are persuasive among most Christian denominations Preachers and professional scholars will find them invaluable as a starting point in preparing their own sermons books articles and essays on specific points of ethics *The Church Triumphant* E. Glenn Hinson, 1995

Paul and Apostasy B. J. Oropeza, 2000 B J Oropeza presents the concepts of apostasy and perseverance in the light of recent interpretative and intertextual methods He argues that the Pauline messages include warnings to congregation members who are in danger of falling away Paul often considers these members to be authentic converts to the early Christian message A prime example of this is presented in the apostle's use of the Exodus wilderness traditions in 1 Corinthians 10:1-13 In an effort to persuade the members against apostasy Paul echoes examples from the Jewish traditions regarding Israel's divine election and punishments The Corinthians are exhorted not to conduct themselves in a manner that parallels the Israelites who after crossing the Red Sea were rejected by God in the wilderness because they committed vices If the Corinthians commit the same vices in their own spiritual journey they will suffer divine judgment before the culmination of the eschaton This language is located within larger rhetorical arguments related to the problems of meat sacrificed to idols congregational factions and eschatological misperceptions B J Oropeza also deals with theological perspectives associated with the perseverance of the saints including the Calvinist and Arminian traditions He thus provides a compelling alternative approach to the theological controversy **The Donatist Church in an Apocalyptic Age** Jesse A.

Hoover,2018-05-25 The Donatist Church in an Apocalyptic Age examines an apocalypse that never happened seen through the eyes of a dissident church that no longer exists Jesse A Hoover considers Donatists members of an ecclesiastical communion that for a brief moment formed the majority church in Roman North Africa modern Tunisia Algeria and Libya before fading away sometime between the fifth and seventh centuries Hoover studies how Donatists perceived the end of the world to offer a glimpse into the inner life of the dissident communion what it valued whom it feared and how it defined its place in history while on the cusp of history's end By recovering these appeals to apocalyptic themes in surviving Donatist writings this study uncovers a significant element within the dissident movement's self perception that has so far gone unexamined In contrast to previous assessments it argues that such eschatological expectations are not out of sync with the wider world of Latin Christianity in late antiquity and that they functioned as an effective polemical strategy designed to counter their opponents claim to be the true church in North Africa
