## **Saints Hospital The Soul Searchers Series:**

**Saint's Hospital** Clydene Rae Brandt, 2005-10-31 My new novel Saints Hospital is a love story one that evolves from three terrible wrongs a rape that causes a suicide attempt a rescue that causes blindness to the hero and burns to the heroine and a child whose parents are killed in an auto accident John Cabe pilot and rancher knew he had to save the life of the woman She flew by him going over 90 mph turning her car into a mass of twisted metal Kate Walcott had a reason for going that speed she was trying to commit suicide Little did she know how her decision would affect her and the lives around her

Soul Searcher R.J. Rogers, 2024-12-18 Pure Soul Someone whose intentions are honest A soul whose decisions come from within Innocent virtuous precious clean stylish unblemished and Angelic I have been referred to as a Dark Angel but I am not one of the Fallen Ones I am sure my parents had quite a laugh when naming me Rimmon because it is the name of an actual Fallen Angel who became a demon I am an oddity just the same though for I am a Halfling My mother Dracaena is a demon and my father Lucian is an angel In my youth I bounced back and forth between Heaven and Hell that is until I turned eighteen On my 18th birthday I was cast out of Heaven and banned from entering Hell I am an anomaly and viewed as unfit to dwell in either realm For the last three years I have struggled to make a living on earth and have just recently conceded to Samael a.k.a. The Grim Reaper and have taken on a job for him For some strange reason he no longer wants to be the Angel of Death but rather a human Samael has found a way to achieve this goal too If he were to find a Pure Soul and convince the human soul to willingly give him their soul he can absorb consume the spirit transform and become a human himself moon knows why In accepting this task Samael has bestowed upon me the title Soul Searcher

*Saints, Cure-seekers and Miraculous Healing in Twelfth-century England* Ruth J. Salter, 2021 The cults of the saints were central to the medieval Church These holy men and women acted as patrons and protectors to the religious communities who housed their relics and to the devotees who requested their assistance in petitioning God for a miracle Among the collections of posthumous miracle stories miracula accounts of holy healing feature prominently and depict cure seekers successfully securing their desired remedy for a range of ailments and afflictions What can these miracle accounts tell us of the cure seekers experiences of their journey from ill health to recovery and how was healthcare presented in these sources This book undertakes an in depth study of the miraculous cure seeking process through the lens of Latin miracle accounts produced in twelfth century England a time both when saints cults particularly flourished and there was an increasing transmission and dissemination of classical and Arabic medical works Focused on shorter miracula with a predominantly localised focus and thus on a select group of cure seekers it brings together studies of healthcare and pilgrimage to look at an alternative to medical intervention and the practicalities and processes of securing saintly assistance

completion of the Lord's recovery not the recovery only of certain items but the recovery in totality Following this are the messages from the Memorial Day Weekend Conference in Atlanta Georgia The subject of this conference was The Move of God in His Recovery as Portrayed in Ezekiel In these messages we see the high awesome and profoundly mysterious visions of God Ezek 1 1 showing us the intrinsic depths of God's heart's desire His plan His eternal economy and His move to carry out His eternal economy At the same time we see many applications of the visions for the Lord's current move in migration to raise up new churches We also include a report on the open house and meeting of thanksgiving praise and consecration at the campus for the spread of the work of God's New Testament ministry in the Lord's recovery This glorious and memorable inauguration of the new facility included an open house in three of the buildings on the campus a love feast a review of crucial points of the ministry of Brother Lee and a solemn time of prayer Following this is a report on the publication of the ministry in the Czech Republic with some encouraging responses from readers of The Stream magazine a report on the radio broadcast of the ministry in the Spanish language and a report on the ten day training in Ardzini Armenia
