Erica Ferg

Saints Of Egypt The:

The Saints of Egypt De Lacy O'Leary, Church Historical Society (Great Britain), 1937 The following pages aim at providing a compendium of information about the martyrs and other saints honoured in the Coptic church for the most part following the biographies given in the Jacobite Egyptian Synaxarium *Sufism, Mystics, and Saints in Modern Egypt* Valerie J.

Hoffman, 2023-02-07 A fascinating insider's account of Sufi life in contemporary Egypt For centuries Sufism Islamic mysticism held a major place in Islamic spirituality intellectual life and popular religion While many scholars have commented on Sufism's decline few have delved deeply into present day Egyptian Sufism or considered it as a system in its own right Drawing on her detailed fieldwork and a variety of little known literary sources Valerie J Hoffman presents Sufism as it exists in Egypt today in the vivid experiences of its adherents With an array of conclusions that overturn widely held beliefs about modern Sufis Hoffman argues that the apparent assimilation of Egyptian Sufism masks a thriving movement hidden from the Western world From her experiences as a quasi disciple of a Sufi master she offers new insights into the movement's evolution the vital role of women in Sufism and Sufi perspectives on gender and sexuality **The Moulids of**

Egypt J.W. McPherson, 2023-09-09 A fascinating and highly original contribution to the study of Egypt's religious folklore First published in Cairo during World War II *The Moulids of Egypt* is a study of moulids the popular Egyptian religious festivals celebrated by both Muslims and Christians in the first half of the twentieth century The book talks in detail about the secular side of moulids where sports games theatres dancing and laughter were as much part of the festivals as the religious processions and the whirling of dervishes Some of the rites and customs analyzed here date from as far back as the Pharaonic period but the moulids are gradually dying out many of the 126 festivals described in *Moulids of Egypt* have since faded away making the book of lasting interest **Icons and Saints of the Eastern Orthodox Church** Alfredo

Tradigo, 2006 An icon from the Greek word *eikon* image is a wooden panel painting of a holy person or scene from Orthodox Christianity the religion of the Byzantine Empire that is practiced today mainly in Greece and Russia It was believed that these works acted as intermediaries between worshipers and the holy personages they depicted Their pictorial language is stylized and primarily symbolic rather than literal and narrative Indeed every attitude pose and color depicted in an icon has a precise meaning and their painters usually monks followed prescribed models from iconographic manuals The goal of this book is to catalogue the vast heritage of images according to iconographic type and subject from the most ancient at the Monastery of Saint Catherine in the Sinai to those from Greece Constantinople and Russia Chapters focus on the role of icons in the Orthodox liturgy and on common iconic subjects including the fathers and saints of the Eastern Church and the life of Jesus and his followers As with other volumes in the *Guide to Imagery* series this book includes a wealth of color illustrations in which details are called out for discussion *The Light of Egypt* Robert De Rustafjaell, 1909 **Egyptian Women in the**

Coptic Orthodox Church of Egypt Aida Beshara, 2020-02-18 Both Egyptian and foreign historians have testified to the high

status of women in all spheres of life during the ancient Egyptian period Women were queens in their own right once the chief physician was a woman In the spiritual life there were priestesses and female musicians and dancers serving in temples This book deals with the role of women in the Christian Coptic Orthodox Church which was established in the first century AD The Coptic church has been blessed with thousands of female martyrs and saints some of whom are of worldwide fame There are fourteen female saints after whom Coptic churches in Egypt are named The Virgin St Mary is the most prominent of them The two Egyptian saints Demianah and Refqah are also popular Sts Verena and Regula are Egyptian saints who were martyred and buried in Switzerland St Verena evangelized in Switzerland and taught Swiss maidens hygiene practices There are more than eighty monuments consecrated to St Verena in Switzerland The Egyptian St Sophia has a world famous church in her name in Istanbul Turkey Unfortunately after the Arab invasion of Egypt in the seventh century the role of women in the church diminished considerably However since the middle of the twentieth century a great revival of the role of women has occurred more women have entered religious life as nuns and deaconesses serving as Sunday school teachers writing books about the church and even teaching in Coptic seminaries My goal is for this book to reach English language readers all over the world and enlighten them about the contribution of women in the service of Christianity through the Coptic Orthodox Church of Egypt

The Political Lives of Saints Angie Heo, 2018-11-08 Since the Arab Spring in 2011 and ISIS's rise in 2014 Egypt's Copts have attracted attention worldwide as the collateral damage of revolution and as victims of sectarian strife Countering the din of persecution rhetoric and Islamophobia The Political Lives of Saints journeys into the quieter corners of divine intercession to consider what martyrs' miracles and mysteries have to do with the routine challenges faced by Christians and Muslims living together under the modern nation state Drawing on years of extensive fieldwork Angie Heo argues for understanding popular saints as material media that organize social relations between Christians and Muslims in Egypt toward varying political ends With an ethnographer's eye for traces of antiquity she deciphers how long cherished imaginaries of holiness broker bonds of revolutionary sacrifice reconfigure national sites of sacred territory and pose sectarian threats to security and order A study of tradition and nationhood at their limits The Political Lives of Saints shows that Coptic Orthodoxy is a core domain of minoritarian regulation and authoritarian rule powerfully reversing the recurrent thesis of its impending extinction in the Arab Muslim world

The Warrior Saints in Byzantine Art and Tradition Christopher Walter, 2016-12-05 Christopher Walter's study of the cult and iconography of Byzantine warrior saints George Demetrius the two Theodores and dozens more is at once encyclopaedic and interpretative and the first comprehensive study of the subject The author delineates their origins and development as a distinctive category of saint showing that in its definitive form this coincides with the apogee of the Byzantine empire in the 10th 11th centuries He establishes a repertory particularly of their commemorations in synaxaries and their representations in art and describes their iconographical types and the functions ascribed to them once enrolled in the celestial army support for the terrestrial army in its offensive

campaigns and a new protective role when the Byzantine Empire passed to the defensive The survey highlights the lack of historicity among the Byzantines in their approach to the lives of these saints and their terrestrial careers An epilogue briefly treats the analogous traditions in the cultures of neighbouring peoples Walter draws attention to the development of an echelon of military saints notably in church decoration which provides the surest basis for defining their specificity also to the way in which they were depicted generally young handsome and robust and frequently twinned in pairs so calling attention to the importance of camaraderie among soldiers At the same time this work opens a new perspective on the military history of the Byzantine Empire Its ideology of war consistently followed that of the Israelites protected and favoured by divine intervention there was no occasion to discuss the morality of a just war Consequently when considering Byzantine methods of warfare due attention should be given to the important role which they attributed to celestial help in their military campaigns

Saint Mary of Egypt Bonnie B. Thurston, 2022-01-07 2022 Catholic Media Association second place award in mysticism From its origins in the fourth and fifth centuries first in monastic circles and then in wider Christian communities the story of Mary of Egypt was wildly popular From early Christianity through the medieval periods from Egypt to Scandinavia verse lives in Greek Latin and vernacular languages portray her as the model of repentance Continuously venerated in the liturgy and icons of the Orthodox Churches she is now seldom known in the West This modern verse life and the accompanying essay reintroduces St Mary's extraordinary life its theological and spiritual implications and its remarkable depiction of gender complementarity

Fifty Spiritual Homilies of Saint Macarius the Egyptian Saint Macarius of Egypt, Aeterna Press, The name of Macarius Blessed was a common one among the Christians of the fourth and following centuries especially in Egypt Two men of the name stand out as twin giants of the ascetic life of that age and country They are distinguished from each other as Macarius the Egyptian and Macarius the Alexandrian An Egyptian means one who belonged to the ancient race of Egypt¹ a Copt an Alexandrian means one who belonged to the Greek colony planted in that city The two were friends and nearly contemporaries though the Alexandrian was somewhat the younger The Egyptian Macarius was born about the year 300 Aeterna Press

Official Proceedings Saint Louis Railway Club Saint Louis Railway Club, 1922

The Cult of Saint Thecla Stephen J. Davis, 2001-02-02 Thecla a disciple of the apostle Paul became perhaps the most celebrated female saint and martyr among Christians in late antiquity In the early church Thecla's example was associated with the piety of women in particular with women's ministry and travel Devotion to Saint Thecla quickly spread throughout the Mediterranean world her image was painted on walls of tombs stamped on clay flasks and oil lamps engraved on bronze crosses and wooden combs and even woven into textile curtains Bringing together literary artistic and archaeological evidence often for the first time Stephen Davis here reconstructs the cult of Saint Thecla in Asia Minor and Egypt the social practices institutions and artefacts that marked the lives of actual devotees From this evidence the author shows how the cult of this female saint remained closely linked with communities of women as a source of empowerment and

a cause of controversy *The Life of Saint Joseph* José Ignacio VALLEJO, 1858 **Pilgrimage and Holy Space in Late Antique Egypt** David Frankfurter, 2015-08-27 This volume deals with the origins and rise of Christian pilgrimage cults in late antique Egypt Part One covers the major theoretical issues in the study of Coptic pilgrimage such as sacred landscape and shrines catchment areas while Part Two examines native Egyptian and Egyptian Jewish pilgrimage practices Part Three investigates six major shrines from Philae s diverse non Christian devotees to the great pilgrim center of Abu Mina and a Thecla shrine on its route Part Four looks at such diverse pilgrims rites as oracles chant and stational liturgy while Part Five brings in Athanasius s and an anonymous hagiographer s perspectives on pilgrimage in Egypt The volume includes illustrations of the Abu Mina site pilgrims ampules from the Thecla shrine as well as several maps *The Lives of the Fathers, Martyrs, and Other Principal Saints* Alban Butler, 1845 **Geography, Religion, Gods, and Saints in the Eastern Mediterranean** Erica Ferg, 2020-01-16 Geography Religion Gods and Saints in the Eastern Mediterranean explores the influence of geography on religion and highlights a largely unknown story of religious history in the Eastern Mediterranean In the Levant agricultural communities of Jews Christians and Muslims jointly venerated and largely shared three important saints or holy figures Jewish Elijah Christian St George and Muslim al Khi r These figures share peculiar characteristics such as associations with rain greenness fertility and storms Only in the Eastern Mediterranean are Elijah St George and al Khi r shared between religious communities or characterized by these same agricultural attributes attributes that also were shared by regional religious figures from earlier time periods such as the ancient Near Eastern Storm god Baal Hadad and Levantine Zeus This book tells the story of how that came to be and suggests that the figures share specific characteristics over a very long period of time because these motifs were shaped by the geography of the region Ultimately this book suggests that regional geography has influenced regional religion that Judaism Christianity and Islam are not historically or textually speaking separate religious traditions even if Jews Christians and Muslims are members of distinct religious communities and that shared religious practices between members of these and other local religious communities are not unusual Instead shared practices arose out of a common geographical environment and an interconnected religious heritage and are a natural historical feature of religion in the Eastern Mediterranean This volume will be of interest to students of ancient Near Eastern religions Judaism Christianity Islam sainthood agricultural communities in the ancient Near East Middle Eastern religious and cultural history and the relationships between geography and religion **The Lives of Saints** Charles Fell, Richard Challoner, 1750 **Saints and Sinners on Horseback Volume 1** Miriam A. Bibby, 2023-08-01 In *Saints and Sinners on Horseback Volume I* we meet saints sinners and their horses mules and donkeys on the road Whether saint sinner or simply all too human the medieval individual s connection to equids reflected relationships with other animals the rest of humanity and with the deity Knowledge of horses permeated hagiographies and homilies histories and biographies Equids were recruited in commentaries on morality and Christian duty In a world in which equids are not so

readily encountered Saints and Sinners on Horseback informs the modern reader about the essential part played by horses in medieval life literature and belief **The Court of a Saint** Winifred F. Knox, Winifred Peck, 1909 **Holy People of the World** Phyllis G. Jestice, 2004-12-15 A cross cultural encyclopedia of the most significant holy people in history examining why people in a wide range of religious traditions throughout the world have been regarded as divinely inspired The first reference on the subject to span all the world's major religions Holy People of the World A Cross Cultural Encyclopedia examines the impact of individuals who through personal charisma and inspirational deeds served both as glorious examples of human potential and as envoys for the divine Holy People of the World contains nearly 1 100 biographical sketches of venerated men and women Written by religious studies experts and historians each article focuses on the basic question How did this person come to be regarded as holy In addition the encyclopedia features 20 survey articles on views of holy people in the major religious traditions such as Islam Buddhism and African religions as well as 64 comparative articles on aspects of holiness and veneration across cultures such as awakening and conversion experiences heredity gender asceticism and persecution Whether exploring by religion culture or historic period this extensively cross referenced resource offers a wealth of insights into one of the most revealing and least explored common denominators of spiritual traditions
