## **Saints Scholars And Schizophrenics Mental Illness In Rural Ireland:**

*Saints, Scholars, and Schizophrenics* Nancy Scheper-Hughes, 2001-01-03 *Saints Scholars and Schizophrenics* in its original form now integrally reproduced in the new edition is a most important seminal study of an Irish community Conor Cruise O'Brien      **Saints, Scholars, and Schizophrenics** Nancy Scheper-Hughes, 1979-01-01 Nancy Scheper Hughes classic ethnographic study of schizophrenia in western Ireland      Irish Insanity Damien Brennan, 2013-08-15 The national public asylum system in Ireland was established during the early nineteenth century and continued to operate up to the close of the twentieth century These asylums mental hospitals were a significant physical and social feature of Irish communities They were used intensively and provided a convenient form of institutional intervention to manage a host of social problems *Irish Insanity* identifies the long term trends in institutional residency through the development of a detailed empirical data set based on an analysis of original copies of the reports of Inspector of Asylums Mental Hospitals in Ireland Damien Brennan explores core social and historical features linked to this data including the political context governance and social policy the relationship between church and state changing economic structures and social deprivation professionalization legislation and systems of admission and discharge categorisation and diagnostic criteria international developments family dynamics This book demonstrates that the actual rate of asylum utilisation in Ireland was the highest by international standards but challenges the idea that an epidemic of Irish insanity actually existed Offering a historical and sociological insight into an institutional legacy that is unusual within the international context this book will be of particular relevance and interest to scholars within the fields of sociology criminology law history Irish studies social policy anthropology nursing and medicine

*Chinese Migrants in Paris* Simeng Wang, 2021-06-22 This research employs the narrative of mental suffering as a prism through which to study Chinese migration in France It provides new analytical angles and new perspectives on the paradoxical existence and conditions of the migrants and traces the social links between individuals and societies objectivity and subjectivity the real and the imaginary The ethnographic survey in this study is situated in the context of the transformation of Chinese society over the last forty years Dr Wang deconstructs the stereotypes of Chinese people demonstrates the dynamics of social mobilities and heterogeneous living conditions of Chinese migrants who experience and narrate happiness as well as pain joy as well as sorrow and hope as well as despair The transversal approach used to analyse the heterogeneity within an ethnic group will be of interest to scholars of migration studies in general      *Culture and Depression* Arthur Kleinman, Byron J. Good, 2023-04-28 Some of the most innovative and provocative work on the emotions and illness is occurring in cross cultural research on depression *Culture and Depression* presents the work of anthropologists psychiatrists and psychologists who examine the controversies agreements and conceptual and methodological problems that arise in the course of such research A book of enormous depth and breadth of discussion *Culture and Depression* enriches the cross cultural study of emotions and mental illness and leads it in new directions It commences with a historical study

followed by a series of anthropological accounts that examine the problems that arise when depression is assessed in other cultures This is a work of impressive scholarship which demonstrates that anthropological approaches to affect and illness raise central questions for psychiatry and psychology and that cross cultural studies of depression raise equally provocative questions for anthropology This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1987 Some of the most innovative and provocative work on the emotions and illness is occurring in cross cultural research on depression Culture and Depression presents the work of anthropologists psychiatrists and psychologists who examine the controversies     *Approaching the Past* Marilyn Silverman,P. H. Gulliver,1992 In recent years the study of history has become a central area of inquiry within anthropology While classical anthropology focused on the present current approaches seek to do history by using a variety of conceptual and methodological approaches *Approaching the Past* is a highly provocative and original volume that examines the issues themes and difficulties emerging out of the new anthropological concern with history Anchoring the discussion with a wide range of ethnographic case studies from Ireland the contributors to this volume establish a sophisticated interdisciplinary dialogue and assess the degree to which anthropological concepts and methodologies can be applied to historical inquiry With a variety of essays representing sociological geographical and historical perspectives *Approaching the Past* is an invaluable contribution to a discipline that is expanding and reconstituting itself anew     **Hidden Valley Road** Robert Kolker,2020-04-07 1 NEW YORK TIMES BESTSELLER OPRAH S BOOK CLUB PICK ONE OF GQ s TOP 50 BOOKS OF LITERARY JOURNALISM IN THE 21st CENTURY The heartrending story of a midcentury American family with twelve children six of them diagnosed with schizophrenia that became science s great hope in the quest to understand the disease Reads like a medical detective journey and sheds light on a topic so many of us face mental illness Oprah Winfrey A Kirkus Reviews Best Nonfiction Book of the Century Don and Mimi Galvin seemed to be living the American dream After World War II Don s work with the Air Force brought them to Colorado where their twelve children perfectly spanned the baby boom the oldest born in 1945 the youngest in 1965 In those years there was an established script for a family like the Galvins aspiration hard work upward mobility domestic harmony and they worked hard to play their parts But behind the scenes was a different story psychological breakdown sudden shocking violence hidden abuse By the mid 1970s six of the ten Galvin boys one after another were diagnosed as schizophrenic How could all this happen to one family What took place inside the house on Hidden Valley Road was so extraordinary that the Galvins became one of the first families to be studied by the National Institute of Mental Health Their story offers a shadow history of the science of schizophrenia from the era of institutionalization lobotomy and the schizophrenogenic mother to the search for genetic markers for the disease always

amid profound disagreements about the nature of the illness itself And unbeknownst to the Galvins samples of their DNA informed decades of genetic research that continues today offering paths to treatment prediction and even eradication of the disease for future generations With clarity and compassion bestselling and award winning author Robert Kolker uncovers one family s unforgettable legacy of suffering love and hope      *A Companion to Medical Anthropology* Merrill Singer, Pamela I. Erickson, César E. Abadía-Barrero, 2022-02-23 The fully revised new edition of the defining reference work in the field of medical anthropology *A Companion to Medical Anthropology* Second Edition provides the most complete account of the key issues and debates in this dynamic rapidly growing field Bringing together contributions by leading international authorities in medical anthropology this comprehensive reference work presents critical assessments and interpretations of a wide range of topical themes including global and environmental health political violence and war poverty malnutrition substance abuse reproductive health and infectious diseases Throughout the text readers explore the global historical and political factors that continue to influence how health and illness are experienced and understood The second edition is fully updated to reflect current controversies and significant new developments in the anthropology of health and related fields More than twenty new and revised articles address research areas including war and health illicit drug abuse climate change and health colonialism and modern biomedicine activist led research syndemics ethnomedicines biocommunicability COVID 19 and many others Highlighting the impact medical anthropologists have on global health care policy and practice *A Companion to Medical Anthropology* Second Edition Features specially commissioned articles by medical anthropologists working in communities worldwide Discusses future trends and emerging research areas in the field Describes biocultural approaches to health and illness and research design and methods in applied medical anthropology Addresses topics including chronic diseases rising levels of inequality war and health migration and health nutritional health self medication and end of life care Part of the acclaimed Wiley Blackwell Companions to Anthropology series *A Companion to Medical Anthropology* Second Edition remains an indispensable resource for medical anthropologists as well as an excellent textbook for courses in medical anthropology ethnomedicine global health care and medical policy      **On Vulnerability** Patrick Brown, 2021-07-12 *On Vulnerability* maps out an array of perspectives for critically examining the nature of vulnerability its unequal patterning across different social groups alongside the everyday social processes that render us vulnerable interactions identity and group dynamics Each chapter equips the reader with a particular sensitising framework for navigating and questioning what it means to be vulnerable or how people cope amid vulnerability From deviance stigma and the spoiling or fracturing of identity to perspectives such as intersectionality risk emotions and the vulnerable body the book traces the theoretical roots of these different analytical lenses before applying these through illuminating examples and case studies Drawing on scholarship across more interpretative analytic and critical traditions the chapters combine into a multi dimensional toolkit which will enable the study of the cultural meanings of vulnerability the political economic factors that shape its patterning

with a critical sensibility for unlearning many assumptions therefore challenging our sense of who is or who can be vulnerable This book is designed to equip undergraduate and post graduate students and researchers across the social health and human sciences aiding them as they study and question the experiences and structures of vulnerability in our social world

**Migration, Ethnicity, and Mental Health** Angela McCarthy, Catharine Coleborne, 2012-02-06 Most investigations of foreign born migrants emphasize the successful adjustment and settlement of newcomers Yet suicide heavy drinking violence family separations and domestic disharmony were but a few of the possible struggles experienced by those who relocated abroad in the nineteenth and twentieth centuries and were among the chief reasons for committal to an asylum Significant analysis of this problem addressing the interconnected issues of migration ethnicity and insanity has to date received little attention from the scholarly community This international collection examines the difficulties that migrants faced in adjustment abroad through a focus on migrants and mobile peoples issues of ethnicity and the impact of migration on the mental health of refugees It further extends the migration paradigm beyond patients to incorporate the international exchange of medical ideas and institutional practices and the recruitment of a medical workforce These issues are explored through case studies which utilize different social and cultural historical methods but with a shared twin purpose to uncover the related histories of migration ethnicity and mental health and to extend existing scholarly frameworks and findings in this under developed field of inquiry

**Afflictions** Robert Lemelson, Annie Tucker, 2017-07-26 This book is one of the first to integrate psychological and medical anthropology with the methodologies of visual anthropology specifically ethnographic film It discusses and complements the work presented in Afflictions Culture and Mental Illness in Indonesia the first film series on psychiatric disorders in the developing world in order to explore pertinent issues in the cross cultural study of mental illness and advocate for the unique role film can play both in the discipline and in participants lives Through ethnographically rich and self reflexive discussions of the films their production and their impact the book at once provides theoretical and practical guidance encouragement and caveats for students and others who may want to make such films

**Demography, State and Society** Enda Delaney, 2000-11-21 Enda Delaney argues that migration to Britain was qualitatively different from that to North America and that transience was the overriding characteristic of Irish migrant experience in the twentieth century He provides an analysis of reasons for large scale migration in the process answering the important question of why so many people left Ireland Demography State and Society focuses on a number of vital themes many rarely mentioned in previous studies state policy in Ireland official responses to migration in Britain gender dimensions individual migrant experience patterns of settlement in Britain and the crucial phenomenon of return migration It offers much that will be of interest to scholars students and general readers in Irish migration as well as those in the wider fields of modern British and Irish history and migration studies

**Belief, Behavior, and Health** Sandra D. Lane, 2024-10-03 This book uniquely examines across cultures the health benefits and detriments of religious beliefs with important implications for

individual wellbeing and human survival Belief Behavior and Health takes the reader through journeys of the author's research in the Middle East Africa and the urban United States where she focused on the unequal health and survival of women globally and vulnerable groups in the United States Almost every health problem especially those experienced by the poor and disadvantaged arose from or was made worse by the conditions in the environment in which people lived Lane's detailed studies of beliefs about Judaism Christianity and Islam led to the author's deep observations on how religious belief and practice as well as discrimination due to religious prejudice can be a major influence on health both positively and negatively In this book Lane shows how religious precepts and cultural influences on religious behavior function as social determinants of health An accessible and compelling read this book will appeal to students and scholars of public health anthropology and sociology and those interested in the influence of religion on health outcomes

**After Repeal** Kath Browne, Sydney Calkin, 2020-01-15 The referendum to overturn Ireland's near total abortion ban in 2018 stands as one of the most remarkable political events of recent times The campaign to repeal the 8th amendment succeeded not only in challenging centuries of religious and patriarchal dogma but in signalling a major transformation in Irish society itself After Repeal explores both the campaign and the implications of the referendum result for politics identity and culture today Bringing together a range of international perspectives this collection transcends geographical and disciplinary boundaries while exploring themes including activism artwork social movements law media democratic institutions and reproductive technologies This work looks beyond the Irish context and to the future offering unique insight into the wider struggle for reproductive justice around the world

**The Clozapine Clinic** Julia Brown, 2022-04-25 This book is the first ethnography of the little known world of clozapine clinics in Australia and the United Kingdom Anthropologist Julia Brown engages with the narratives of people living in extreme health circumstances to challenge some of the assumptions made about clozapine treatment and to explore what it means to be diagnosed with treatment resistant schizophrenia Clozapine is a gold standard but controversial treatment for psychosis that requires lifelong monitoring to reduce fatality caused by clozapine side effects Focusing on the social world of the clozapine clinic and based on the author's own extensive research this book explores what it means to live with the interpersonal challenges of psychosis and trauma the risks of multi morbidity and how clozapine clients can experience meaningful control over their health Brown uses her findings to point to the practical clinical implications of clozapine clients being given more recognition and accountability and to explore how health agency relates to moral agency The Clozapine Clinic particularly highlights the importance of investing in continuity of healthcare and is an essential read for caregivers who work with sufferers of psychosis as well as academics and policymakers focused on mental health

**Popular Culture in Ancient Rome** J. P. Toner, 2009-08-17 Focusing on the non elite in the Roman world this book builds an account of the everyday lives of the masses including their social and family life health leisure and religious beliefs and the ways in which their popular culture resisted the domination of the ruling elite
