What Great Salespeople Do (PB) Michael T. Bosworth, Ben Zoldan, 2012-01-13 Build better relationships and Sell More Effectively With a Powerful SALES STORY

Throughout our careers we have been trained to ask diagnostic questions deliver value props and conduct ROI studies It usually doesn't work best case we can argue with the customer about numbers purely a left brain exercise which turns buyers off This book explains a better way John Burke Group Vice President Oracle Corporation Forget music a great story has charm to soothe the savage beast and win over the most challenging customer And one of the best guides in crafting it feeling it and telling it is What Great Salespeople Do A must read for anyone seeking to influence another human being Mark Goulston M D author of the 1 international bestseller Just Listen Discover the Secret to Getting Through to Absolutely Anyone Good salespeople tell stories that inform prospects great salespeople tell stories that persuade prospects This book reveals what salespeople need to do to become persuasive story sellers Gerhard Gschwandtner publisher of Selling Power This book breaks the paradigm It really works miracles David R Hibbard President Dialexis Inc™ What Great Salespeople Do humanizes the sales process Kevin Popovic founder Ideahaus Mike and Ben have translated what therapists have known for years into a business solution utilizing and developing one's Emotional Intelligence to engage and lessen the defenses of others What Great Salespeople Do is a step by step manual on how to use compelling storytelling to masterfully engage others and make their organizations great Christine Miles M S Psychological Services Executive Coach Miles Consulting LLC

About the Book This groundbreaking book offers extraordinary insight into the greatest mystery in sales how the very best salespeople consistently and successfully influence change in others inspiring their customers to say yes Top performing salespeople have always had a knack for forging connections and building relationships with buyers Until now this has been considered an innate talent What Great Salespeople Do challenges some of the most widely accepted paradigms in selling in

order to prove that influencing change in buyers is a skill that anyone can learn The creator of Solution Selling and CustomerCentric Selling Michael Bosworth along with veteran sales executive Ben Zoldan synthesize discoveries in neuroscience psychology sociology anthropology and other disciplines combining it all into a field tested framework helping you break down barriers build trust forge meaningful relationships and win more customers This book teaches you how to Relax a buyer s skepticism while activating the part of his or her brain where trust is formed and connections are forged Use the power of story to influence buyers to change Make your ideas beliefs and experiences storable using a proven story structure Build a personal inventory of stories to use throughout your sales cycle Tell your stories with authenticity and real passion Use empathic listening to get others to reveal themselves Incorporate storytelling and empathic listening to achieve collaborative conversations with buyers Breakthroughs in neuroscience have determined that people don t make decisions solely on the basis of logic in fact emotions play the dominant role in most decision making processes What Great Salespeople Do gives you the tools and techniques to influence change and win more sales *The Art of the Sale* Philip Delves Broughton,2012-04-12 A revelatory examination of the alchemy of successful selling and its essential role in just about every aspect of human experience When Philip Delves Broughton went to Harvard Business School an experience he wrote about in his New York Times bestseller Ahead of the Curve he was baffled to find that sales was not on the curriculum Why not he wondered Sales plays a part in everything we do not just in clinching a deal but in convincing people of an argument getting a job attracting a mate or getting a child to eat his broccoli Well he thought he d just have to assemble his own master class in the art of selling And so he did setting out on a remarkable pilgrimage to find the world s great wizards of sales Great selling is an art that demands creativity mindfulness selflessness and resilience but anyone who says you can become a great salesperson in 15 minutes is either a charlatan or a fool The more Delves Broughton traveled and listened the more he found a wealth of applicable insight In Morocco he found the master rug merchant who thrives in Kasbah by using age old principles to read his customers In Tampa he met with Tony Sullivan king of the infomercial and learned the importance of creating a good narrative to selling effectively In a sold out seminar with sales guru Jeffrey Gitomer he uncovered the ways successful selling approaches religion inspiring faith and even a sense of duty in customers From celebrity art dealer Larry Gagosian to the most successful saleswoman in Japan Broughton tracked down anyone who would help him understand what it took to achieve greatness in sales Though sales is the engine of commerce and industry more Americans work in sales than in manufacturing marketing or finance it remains shrouded in myth The Art of the Sale is a powerful beam of light onto the field a wise and winning tour of the best in show of this endeavor which is nothing less than the means by which all of us one way or another get our way in the world *The Sales Parables* Mike Martin,2024-09-16 Imagine this you re meeting your fifth client of the day Each conversation feels like a repeat of the last nods polite smiles but no commitment The harder you push the more distant the sale seems You know your product is top notch but something isn t

clicking The Sales Parables is your solution Packed with timeless stories and sales wisdom this book offers a new way to approach every challenge in sales Whether you re closing deals in the boardroom or negotiating partnerships each story reveals a powerful sales technique proven to work These aren t just theories each parable is a practical memorable tale of transformation that will resonate with you long after you ve put the book down Learn how to break through objections build stronger relationships and craft irresistible offers Keep this book close Whenever you re struggling to close a deal or need fresh inspiration the stories within will guide you Master the lessons implement the techniques and watch your sales transform This isn t just a book it s your sales mentor in print
