Murder in Designer Genes Nicole DuBois, Noel Bersch, 2004-05. Malibu, California. The sun has just come up and there is no fog along the beach. Suddenly, all hell breaks loose. Retired Scotland Yard Chief Inspector Richard Greene's wife Jenny discovers the gruesome corpse of a man wedged between rocks at the foot of a cliff. There should have been blood, lots of it, because one of the man's legs is missing, severed just below the hip, the frayed edges of his jeans exposing a fresh stump. All identification, including fingerprints, has been removed; the only clue, a peculiar hand-embroidered design on the right rear pocket of his jeans. Was it a revenge killing, a hate crime, the work of a satanic cult? Inspector Greene, in L.A. to deliver the keynote speech at the International Forensics Symposium, suspects the bizarre presentation is the work of ALOPEX, master of disguise, scourge of Scotland Yard, purposely designed to draw the Inspector into another deadly game of chess. When Alopex's first taunting postcard arrives, the Inspector's worst suspicions are confirmed. Alopex's victims are always members of the medical profession who have, through financial influence or membership in the old boys' club, circumvented the judicial system; their patients' deaths never avenged. His latest victim, Dr. Louis Bronsib, a lustful egomaniac, covets a Nobel Prize at any price. In bed with organized crime, he ruthlessly tests an untried AIDS vaccine in Africa where he becomes Alopex's quarry. When the young son of a Greek shipping magnate dies after mistakenly receiving a bone marrow transplant containing hyped AIDS virus instead of Bronsib's miracle designer genes, maliciously added by one of Bronsib's discarded

lovers Bronsib becomes the target of a mob style hit while fishing in Capri Taban Alopex s partner in crime accidentally overhears the plot to kill Bronsib **The Listening Eye** Dora Amy Elles,2022-08-16 In The Listening Eye Dora Amy Elles known by her pseudonym Patricia Wentworth weaves a compelling narrative rich in meticulous character development and suspenseful plot turns As part of her esteemed Miss Silver series this novel remains true to the Golden Age of Detective Fiction resonating with the intricate plotting and psychological depth characteristic of the period Elles literary style in this work is both engaging and evocative employing a nuanced approach that appeals to readers intellects while satisfying their desire for period authentic engagement DigiCat Publishing s careful reproduction of The Listening Eye ensures that the integrity of Elles s prose and storytelling artistry is preserved and celebrated in both modern digital and print formats Dora Amy Elles writing under the pseudonym Patricia Wentworth garnered acclaim for her craft in creating intricate and engaging detective stories Her own experiences and observations in the early to mid 20th century no doubt informed her narratives capturing the societal nuances and moral complexities of her time Elles s commitment to her craft is evident in the meticulous planning and layers of narrative woven throughout The Listening Eye a testament to her place amongst the revered authors of classic detective fiction The Listening Eye is a must read for aficionados of classical detective stories and those keen on literary works that encapsulate the ethos of their era Readers will find themselves transported into a world of intrigue and charm reflecting the masterful storytelling prowess of Dora Amy Elles DigiCat s meticulous edition ensures that new generations can enjoy the timeless quality of Elles s work inviting modern readers to discover the thrills and intellectual stimulation inherent in the Golden Age detective genre **Gazetteer and Business Directory of Lamoille and Orleans Counties, Vt., for 1883-84** Hamilton Child,2024-01-08 Reprint of the original first published in 1883 *Gazetteer and Business Directory of Franklin and Grand Isle Counties, Vt., for 1882-83* Hamilton Child,2024-01-08 Reprint of the original first published in 1883 *The New England Historical and Genealogical Register* ,1916 Beginning in 1924 Proceedings are incorporated into the Apr number **Genealogical and Personal Memoirs Relating to the Families of Boston and Eastern Massachusetts** William Richard Cutter,1908 **Genealogy of the Greeley-Greeley Family** George Hiram Greeley,1905 Lineage Book Daughters of the American Revolution,1914 Includes inclusive Errata for the Linage book *Index of the Rolls of Honor (ancestor's Index) in the Lineage Books of the National Society of the Daughters of the American Revolution, Volumes 1 to 160* Daughters of the American Revolution,1913 *Lineage Book of the Charter Members of the Daughters of the American Revolution* Daughters of the American Revolution,1897 **Some "colonial Dames" of Royal Descent** ,1900 *Chambers's Journal of Popular Literature, Science and Arts* ,1894 Heads of Families at the First Census of the United States Taken in the Year 1790 ...
