collection of ONCE UPON A SLAVE 28 Powerful Memoirs Of Former Slaves An Emancipated Slave of Surinam Narrative of the Life of Henry Box Brown Who Escaped in a 3x2 Feet Box Memoir and Poems of Phillis Wheatley Buried Alive For a Quarter of a Century Life of William Walker Pictures of Slavery in Church and State Dying Speech of Stephen Smith Who Was Executed for Burglary Life of Joseph Mountain Charge of Aiding and Abetting in the Rescue of a Fugitive Slave Lynch Law in All Its Phases Duty of Disobedience to the Fugitive Slave Act Captain Canot Pearl Incident Personal Memoir of Daniel Drayton History of Abolition of African Slave Trade History of American Abolitionism Reclaiming the Women of Britain's First Mission to West Africa: Three Lives Lost and Found Fiona Leach,2018-11-26 Reclaiming the Women of Britain s First Mission to Africa is the compelling story of three long forgotten women two white and one black who lived worked and died on the Church Missionary Society s first overseas mission at the dawn of the nineteenth century It was a time of momentous historical events the birth of Britain s missionary movement the creation of its first African colony as a home for freed slaves and abolition of the slave trade Casting its long shadow over much of the women s story was the protracted war with Napoleon Taking as its starting point a cache of fifty letters from the three women the book counters the prevailing narrative that early missionary endeavour was a uniquely European and male affair and reveals the presence of a surprising number of women among them several with very forceful personalities Those who are interested in women s life history black history the history of the slave trade and British evangelism will find this book immensely enjoyable **The Politicians and the Egalitarians: The Hidden History of American Politics** Sean Wilentz,2016-05-17 One of our most eminent historians reminds us of the commanding role party politics has played in America s enduring struggle against economic inequality There are two keys to unlocking the secrets of American politics and American political history So begins The Politicians the Egalitarians Princeton historian Sean Wilentz s bold new work of history First America is built on an egalitarian tradition At the nation s founding Americans believed that extremes of wealth and want would destroy their revolutionary experiment in republican government Ever since that idea has shaped national political conflict and scored major egalitarian victories from the Civil War and Progressive eras to the New Deal and the Great Society along the way Second partisanship is a permanent fixture in America and America is the better for it Every major egalitarian victory in United States history has resulted neither from abandonment of partisan politics nor from social movement protests but from a convergence of protest and politics and then sharp struggles led by principled and effective party politicians There is little to be gained from the dream of a post partisan world With these two insights Sean Wilentz offers a crystal clear portrait of American history told through politicians and egalitarians including Thomas Paine Abraham Lincoln and W E B Du Bois a portrait that runs counter to current political and historical thinking As he did with his acclaimed The Rise of American Democracy Wilentz once again completely transforms our understanding of this nation s political and moral character The American Colonization Society John Seh David,2014-06-18 Most historical narratives about Africans in America begin with Jamestown Virginia

where enslaved Angolans were sold in 1619 However this book commences with blacks as explorers in the Americas before Christopher Columbus arrival The point here is to demonstrate that slavery robbed Africa of its heritage and impoverished the continent Once Africans landed in America as slaves state laws denied them civil rights and humane treatment The hopelessness brutalization and alienation of blacks aroused the conscientiousness of humanitarian groups to seek the repatriation of freed men to their ancestry homeland in Africa away from Anglo Americans This became a risky rescue mission which put the ACS in direct opposition with anti colonizationists This book highlights the complicity of the precarious endeavor and the founding of the first African Republic on the continent **Short stories, fables, and pupil-teacher**

History's Greatest Scandals Ed Wright,2006 Ed Wright presents some of the most respected members of society politics business sports and the arts in a new and disturbing light to reveal the dark side of driven personalities The narratives reveal clandestine affairs underhand political dealings blatant criminal activity and other dramatic episodes

Thomas Jefferson Fawn M. Brodie,1974 An ambitious perceptive portrayal of a complex man this bestselling biography breaks new ground in its exploration of Jefferson s inner life Brodie has humanized Jefferson without in the least diminishing him Wallace Stegner Photos *In Defense of Thomas Jefferson* William G. Hyland,2009-06-09 The belief that Thomas Jefferson had an affair and fathered a child or children with slave Sally Hemings and that such an allegation was proven by DNA testing has become so pervasive in American popular culture that it is not only widely accepted but taught to students as historical fact But as William G Hyland Jr demonstrates this fact is nothing more than the accumulation of salacious rumors and irresponsible scholarship over the years much of it inspired by political grudges academic opportunism and the trend of historical revisionism that seeks to drag the reputation of the Founding Fathers through the mud In this startling and revelatory argument Hyland shows not only that the evidence against Jefferson is lacking but that in fact he is entirely innocent of the charge of having sexual relations with Hemings Historians have the wrong Jefferson Hyland an experienced trial lawyer presents the most reliable historical evidence while dissecting the unreliable and in doing so he cuts through centuries of unsubstantiated charges The author reminds us that the DNA tests identified Eston Hemings Sally s youngest child as being merely the descendant of a Jefferson male Randolph Jefferson the president s wayward younger brother with a reputation for socializing among the Monticello slaves emerges as the most likely of several possible candidates Meanwhile the author traces the evolution of this rumor about Thomas Jefferson back to the allegation made by one James Callendar a

drunken ruffian who carried a grudge after unsuccessfully lobbying the president for a postmaster appointment and who then openly bragged of ruining Jefferson's reputation Hyland also delves into Hemings family oral histories that go against the popular rumor as well as the ways in which the Jefferson rumors were advanced by less than historical dramas and by flawed scholarly research often shaped by political agendas Reflecting both a layperson's curiosity and a lawyer's precision Hyland definitively puts to rest the allegation of the thirty eight year liaison between Jefferson and Hemings In doing so he reclaims the nation's third president from the arena of Hollywood style myth and melodrama and gives his readers a unique opportunity to serve as jurors on this enduringly fascinating episode in American history Early Records of Georgia Grace Gillam Davidson,2004 **History's Greatest Libels** Steve Byas,2020-10-02 George Orwell said The most effective way to destroy people is to deny and obliterate their own understanding of their history Liberals understand that they win victories today by distorting the record of our past For all their devotion to the merits of tradition conservatives think a great victory such as the confirmation of Clarence Thomas is the end of the battle Liberals never concede the historical record and neither should those who believe in limited government free enterprise and individual liberty In History's Greatest Libels Steve Byas takes the battle to the Left challenging head on their politicized distortions of the past
