From the Introduction      [The Battle of Brandy Station](#) Eric J Wittenberg,2016-08-01 This Civil War history and guide examines a major turning point in cavalry combat and includes a GPS guided tour of the battlefield Just before dawn on June 9 1863 Union soldiers materialized from a thick fog near the banks of Virginia s Rappahannock River to ambush sleeping Confederates The ensuing struggle which lasted throughout the day was to be known as the Battle of Brandy Station the largest cavalry battle ever fought on North American soil These events marked a major turning point in the Civil War the waning era of Confederate cavalry dominance in the East gave way to a confident and powerful Union mounted arm Historian Eric J Wittenberg meticulously captures the drama and significance of these events in this fascinating volume The GPS guided tour of the battlefield is supplemented with illustrations and maps by master cartographer Steven Stanley      **"If We Are Striking for Pennsylvania", Volume 1: June 3-21, 1863** Scott L. Mingus,Eric J. Wittenberg,2024-01-05 Scott L Mingus Sr and Eric J Wittenberg the authors of more than forty Civil War books have once again teamed up to present a history of the opening moves of the Gettysburg Campaign in the two volume study *If We Are Striking for Pennsylvania* The Army of Northern Virginia and the Army of the Potomac March to Gettysburg This compelling study is one of the first to integrate the military media political social economic and civilian perspectives with rank and file accounts from the soldiers of both armies as they inexorably march toward their destiny at Gettysburg This first installment covers June 3 21 1863 while the second spanning June 22 30 completes the march and carries the armies to the eve of the fighting Gen Robert E Lee began moving part of his Army of Northern Virginia from the Old Dominion toward Pennsylvania on June 3 1863 Lee believed his army needed to win a major victory on Northern soil if the South was to have a chance at winning the war Transferring the fighting out of war torn Virginia would allow the state time to heal while he supplied his army from untapped farms and stores in Maryland and the Keystone State Lee had also convinced Pres Jefferson Davis that his offensive would interfere with

the Union effort to take Vicksburg in Mississippi The bold movement would trigger extensive cavalry fighting and a major battle at Winchester before culminating in the bloody three day battle at Gettysburg As the Virginia army moved north the Army of the Potomac responded by protecting the vital roads to Washington D C in case Lee turned to threaten the capital Opposing presidents Abraham Lincoln and Jefferson Davis meanwhile kept a close watch on the latest and often conflicting military intelligence gathered in the field Throughout northern Virginia central Maryland and south central Pennsylvania meanwhile civilians and soldiers alike struggled with the reality of a mobile campaign and the massive logistical needs of the armies Thousands left written accounts of the passage of the long martial columns Mingus and Wittenberg mined hundreds of primary accounts newspapers and other sources to produce this powerful and gripping account As readers will quickly learn much of it is glossed over in other studies of the campaign which cannot be fully understood without a firm appreciation of what the armies and civilians did on their way to the small crossroads town in Pennsylvania

**"If We Are Striking for Pennsylvania", Volume 2: June 22-30, 1863** Scott L. Mingus, Eric J. Wittenberg, 2023-04-18 Award winning authors Scott L Mingus Sr and Eric J Wittenberg are back with the second and final installment of If We Are Striking for Pennsylvania The Army of Northern Virginia's and Army of the Potomac's March to Gettysburg This compelling and bestselling study is the first to fully integrate the military political social economic and civilian perspectives with rank and file accounts from the soldiers of both armies during the inexorable march north toward their mutual destinies at Gettysburg Gen Robert E Lee's bold movement north which began on June 3 shifted the war out of the central counties of the Old Dominion into the Shenandoah Valley across the Potomac and beyond The first installment June 3 22 1863 carried the armies through the defining mounted clash at Battle of Brandy Station after which Lee pushed his corps into the Shenandoah Valley and achieved the magnificent victory at Second Winchester on his way to the Potomac Caught flat footed Maj Gen Joseph Hooker used his cavalry to probe the mountain gaps triggering a series of consequential mounted actions The current volume June 23 30 completes the march to Gettysburg and details the actions and whereabouts of each component of the armies up to the eve of the fighting The large scale maneuvering in late June prompted General Hooker to move his Army of the Potomac north after his opponent and eventually above the Potomac where he loses his command to the surprised Maj Gen George G Meade Jeb Stuart begins his controversial and consequential ride that strips away the eyes and ears of the Virginia army Throughout northern Virginia central Maryland and south central Pennsylvania civilians and soldiers alike struggle with the reality of a mobile campaign and the massive logistical needs of the armies Untold numbers of reports editorials news articles letters and diaries describe the passage of the long martial columns the thunderous galloping of hooves and the looting fighting suffering and dying Mingus and Wittenberg mined hundreds of primary accounts newspapers and other sources to produce this powerful and gripping saga As careful readers will quickly discern other studies of the runup to Gettysburg gloss over most of this material It is simply impossible to fully grasp and understand the campaign without a firm

appreciation of what the armies and the civilians did during the days leading up to the fateful meeting at the small crossroads town in Adams County Pennsylvania
