ROMAN SALUTES are from ROME, NEW YORK - Exposed by Historian Dr. Rex Curry - Roman Salutes & Nazi Salutes are Bellamy Salutes from Military Salutes Ian Tinny, Horatius Romano, Cherie Koury, Micky Barnetti, Francis Bellamy was an American socialist and the author of the USA s Pledge of Allegiance to the flag This book explains how Bellamy s pledge resulted in the stiff arm salute that inspired socialists worldwide including Adolf Hitler when he headed the National Socialist German Workers Party and Benito Mussolini when he was a socialist leader too Bellamy was born May 18 1855 and raised in Rome That was the city of Rome in the state of New York not in Italy Bellamy s connection to Rome NY is important because it was the origin of the ancient Roman salute myth that the stiff armed gesture used in the USA s early Pledge is a gesture from the ancient Roman Empire that was debunked by Professor Rex Curry America s Historian Laureate Because Bellamy was from Rome NY the term Roman salute was used to refer to the gesture for Bellamy s pledge Roman salute referred to the stiff armed gesture the classic Nazi salute that developed from Bellamy s initial gestures i e the Military salute Roman salutes and Nazi Salutes are Bellamy Salutes from Military Salutes Or to put it another way Nazi salutes came from Military salutes in Bellamy salutes as Roman salutes People from Rome New York were referred to as Romans during Bellamy s life and they continue to refer to themselves as Romans today Francis Bellamy himself was referred to as a Roman because of his

connection to Rome NY As time went by people became confused and believed that the Roman salute referencing the city within New York State was instead a reference to ancient Rome in Italy The early stiff armed gesture in the USA s Pledge of Allegiance was not from ancient Rome There was no such thing as an ancient Roman salute The modern Roman salute myth evolved from the USA s Pledge of Allegiance In 1892 Bellamy became chairman of the National Education Association s NEA executive committee for a National Public School Celebration NPSC The NPSC was part of Bellamy s plan to write the larger program that contained the smaller part known as the Pledge of Allegiance Francis Bellamy used his position with the National Education Association NEA to promote Military Socialism the doctrine that he touted with his cousin Edward Bellamy The Pledge of Allegiance was part of Francis Bellamy s and NPSC s and NEA s scheme for government to take over education and to socialize all schools Francis scheme met with great success Francis dogma caused the Rome Free Academy where Bellamy had attended school in Rome and which began as a private school to become a government owned bureaucratic socialist school Bellamy is the reason why for decades Rome Free Academy RFA students performed the Nazi salute each morning for twelve years at the start of classes Bellamy s flag pledge continues to haunt RFA each morning although New York s Roman Salute has been changed to cover up its disturbing past New York continues to mandate the antiquated pledge ritual for NY schools Children will never be taught about its history After schools were socialized in the USA the government s schools imposed segregation by law and taught racism as official state policy socialist school policy Both types of student bodies repeated the Nazi salute daily and intoned to the flag A Wikipedia page for the Rome Free Academy lists Notable Alumni but does not include Francis Bellamy Wikipedia s lies change by the millisecond so it might have changed in response to this book Bellamy had a greater impact on the school than any of the other Notable Alumni If Francis Bellamy is added to the list you can bet that Wikipedia s socialist liars will not allow how Bellamy altered the RFA school nor any other facts in this book Francis Bellamy is America s top Roman too It is time for Rome New York to proudly seize its hallowed status in American Heritage and in World Heritage *The Sword of America* William Chauncy

Jones,Lucas Hatlen,2019 Television History the Peabody Archive and Cultural Memory is the first edited volume devoted to the Peabody Awards Collection a unique repository of radio and TV programs submitted yearly since 1941 for consideration for the prestigious Peabody Awards The essays in this volume explore the influence of the Peabody Awards Collection as an archive of the vital medium of TV turning their attention to the wealth of programs considered for Peabody Awards that were not honored and thus have largely been forgotten and yet have the potential to reshape our understanding of American television history Because the collection contains programming produced by stations across the nation it is a distinctive repository of cultural memory many of the programs found in it are not represented in the canon that dominates our understanding of American broadcast history The contributions to this volume ask a range of important questions What do we find if we look to the archive for what s been forgotten How does our understanding of gender class or racial representations shift What different strategies did producers use to connect with audiences and construct communities that may be lost This volume s contributors examine intersections of citizenship and subjectivity in public service programs compare local and national coverage of particular individuals and social issues and draw our attention to types of programming that have disappeared Together they show how locally produced programs from both commercial and public stations have acted on behalf of their communities challenging representations of culture politics and people *America's Forgotten History.
