Shakespeares Verse:

Shakespeare's Blank Verse Robert Stagg, 2022-09-08 Shakespeare's Blank Verse An Alternative History is a study both of Shakespeare's versification and of its place in the history of early modern blank verse unrhymed iambic pentameter It ranges from the continental precursors of English blank verse in the early sixteenth century through the drama and poetry of Shakespeare's contemporaries to the editing of blank verse in the eighteenth century and beyond Alternative in its argumentation as well as its arguments Shakespeare's Blank Verse tries out fresh ways of thinking about meter by shunning doctrinaire methods of apprehending a writer's versification and by reconnecting meter to the fundamental literary dramatic historical and social questions that animate Shakespeare's drama

A Choice of Shakespeare's Verse William Shakespeare, 2007-09-04 A selection of verses by William Shakespeare which the author believes readers can derive meaning from without having background information from the work in which they originally appeared

Shakespeare's Verse Marina Tarlinskaja, 1987 This book presents a magisterial linguistic metrical study of Shakespeare's verse in the context of the English poetic tradition Marina Tarlinskaja concentrates on the correlation between phrasal stresses and the iambic metrical scheme and goes on to explore links between meter grammar and semantics Her exhaustive statistical analysis helps to define minute idiosyncrasies of Shakespeare's particular type of iambic pentameter shedding new light on the problem of chronology and authorship Tarlinskaja also studies Shakespeare's use of verse rhythm for expressive purposes e g to oppose character types The book will interest not only students of Shakespeare and literary theory but also people such as theatre directors and actors interested in Shakespeare's own interpretation of his dramatis personae

Burton,2014-11-06 Shakespeare s Grammatical Style is the first full scale systematic study using an examination of Shakespeare s syntax as a key to the interpretation of his work Dolores M Burton presents information on the application of linguistic and statistical techniques to the description and analysis of style and she has applied the insights and techniques of the major schools of linguistic inquiry including those of London and Prague Just as studies of imagery and vocabulary have aided interpretations of the plays so an examination of the grammatical features of Shakespeare s language indicates that they too perform a poetic and dramatic function For example noun modifiers like possessives and definite articles yield insights into a speaker s point of view or subtly aid in defining the fictional world of the plays With respect to stylistic development Shakespeare s handling of word order moved from a concentration of dislocated sentences and clause constituents to greater emphasis on varied and frequent permutations in nominal and verbal phrases A computer generated concordance of function words facilitated the study of syntactic features which included an examination of formal aspects of diction nominal group structure the function and frequency of relative clauses and the classification of sentences by mood and type Several problems associated with quantitative and linguistic studies of a full length literary work are discussed and exemplified Style itself is defined mathematically as a propositional function S A and from this definition stylistic parameters are derived by correlating critical notions like fictional world point of view and characterization with differences in the syntax of the two plays **Shakespeare, Dramatic Poetry and Value** MacDonald P. Jackson,2024-12-30 This book redirects attention to a truth largely ignored by recent criticism that Shakespeare s excellence as a playwright is inextricable from his excellence as a poet It explores the diverse means by which Shakespeare s poetry enriches his drama illustrating how particular words in a particular order render his dialogue distinctive and create supreme literary and dramatic value By examining many passages long and short and from a variety of Shakespeare s plays comedies histories tragedies later plays the author aids understanding of the poetic effects that make Shakespeare preeminent His analyses alert to textual variants and cruxes are illuminated by comparisons Shakespeare s early verse is compared with his later verse and samples of Shakespearean dialogue are compared with versions in later adaptations in modernizations and inferior quarto texts as well as with contributions by his co authors to collaborative plays The contrasts throw into relief the surpassing vitality and expressiveness of Shakespeare s own language Since the rhythmic vitality of Shakespeare s verse is essential to how and what it communicates an appendix on the principles of iambic pentameter is included to support those aspects of the analyses that refer to acoustic subtleties [The Bard's Legacy: Unveiling Shakespeare's Timeless Masterpieces](#) Pasquale De
