Elegant Failure Richard Shrobe,2016-08-01 Zen koans are stories of exchanges between Zen masters and their disciples at the moment of enlightenment or near enlightenment These stories have long fascinated Western readers because of their wisdom humor and enigmatic quality Drawing on over thirty years of practice and teaching Richard Shrobe himself a recognized Zen Master has selected twenty two cases from The Blue Cliff Record Book of Serenity and Wu men kuan that he has found to be deeply meaningful and helpful for meditation practice In Elegant Failure he provides a wealth of background information and personal anecdotes for each koan that help to illuminate its meaning without detracting from its paradoxical nature As Shrobe reminds us The main core of Zen teaching is the bare bones of what is there In a certain sense embellishing a story takes away from the central teaching Don t embellish anything just be with it as it is **Soil Survey** United States.
