of the material and the spiritual while occupying distinct domains nonetheless remain deeply intertwined In this book the author explores that for the Igbo community the reality of theology has evolved as a distinct from of experience that is deeply connected with tradition for the sake of praxis Don Browning 1995 Consequently the author not only sees Ikpu ala as authentic Igbo social justice value but also considers it as something that can be integrated into the Christian social values without either destroying Igbos longstanding cultures or traditions The author highlights two key lessons from the Igbo integration of ikpu ala into Christian social justice 1 that the Igbo Catholic Church should engage the Igbo culture and traditions in a theological interactive reflections for the incarnation of the Word among the Igbo Catholics and 2 that Ikpu ala with its theological values can assist the Igbo Catholic Church in the sacrament of reconciliation and so transform the twenty first century Igbo Catholic into an integrated and authentic Christian
