**Religious Interaction Ritual** Scott Draper, 2019-02-12 This book is a microsociological study of religious practice based on fieldwork with Conservative Jews Bible Belt Muslims white Baptists black Baptists Buddhist meditators and Latino Catholics In each case the author scrutinizes how a congregation s ritual strategies help or hinder their efforts to achieve a transformative spiritual encounter an intense feeling that becomes the basis of their most fundamental understandings of reality The book shows how these transformative spiritual encounters routinely depend on issues that can seem rather mundane by comparison such as where the sanctuary s entrance is located how many misprints end up in the church bulletin or how long the preacher continues to preach beyond lunchtime The spirit responds to other dynamics as well such as how congregations collectively imagine outsiders or how they talk about ideas like individualism and patriarchy Building on provocative theories from sociologists such as mile Durkheim Erving Goffman Randall Collins and Anne Warfield Rawls this

book shows how interaction ritual theory opens compelling new pathways for sociological scholarship on religion Micro level specifics from fieldwork in Texas are supplemented with large scale survey analysis of a wide array of religious organizations from across the United States

*Who Will Say Kaddish?* Larry

Mayer, 2002-06-01 *Who Will Say Kaddish* is an exploration of the fragile resurgence of Jewish life and identity in post Communist Poland. By the eve of the Holocaust, Poland was home to the second largest Jewish population in the world. By war's end, its Jews had been exterminated and their once vibrant culture all but destroyed. In this book, Larry Mayer and Gary Gelb, themselves descendants of Polish Jews, explore reports that Jewish life is being rekindled in modern Poland. What they discover are three generations of Jews: Holocaust survivors and their children and grandchildren with differing historical perspectives. As survivors' descendants learn of their hidden Jewish heritage through deathbed revelations, a compelling drama about personal identity unfolds. Mayer and Gelb chronicle a new chapter in the life of Poland's Jewish community as the present generation seeks to celebrate its members' recent freedom and to honor the rich traditions of their forebears. Through interviews, photography, reportage, and personal memoir, *Who Will Say Kaddish* creates a sociocultural portrait of the multilayered community of renewed Jewish life and tradition in Poland that has emerged since the fall of the Communist regime in 1989.

Her chosen mission keeper, three generations of kabbalists from places as diverse as a 19th century shtetl and modern day Israel/Palestine, must grapple with profound injustices and the shadows of humanity. If they choose the path of righteousness, love, and forgiveness, Her light can return to the world. Will the mission succeed? Will the divine feminine return to the world? The Shekinah calls to all of us to find our own way to knit the world back together.
