The Long and Winding Road Jim Couper, 2006 Highway 97 winds its way from the high desert plains of northern California to the Yukon/ British Columbia border, making it North America's longest north-south road. Author Jim Couper takes you on a spectacular guided tour from one end of this unsung highway to the other, mixing historical anecdotes with information on colourful local events and must-see points of interest. From hot springs to volcanoes, dynamic cities to ghost towns, Highway 97 holds surprises and charms at every turn. Take in the lava beds and deserts, arid uplands and giant cedars and orchards and vineyards of Oregon and Washington. Above the border, cruise through BC's sunny Okanagan, famous for its roadside fruit and vegetable stands and 60 outstanding wineries. Marvel at pristine lakes, mighty rivers and marble canyons in Cariboo ranch country, where gold rush lore and friendly people make it a land for all seasons. End your tour in the northern wilderness where untamed nature still holds sway. This entertaining practical guide is invaluable to anyone interested in travelling all or part of this fascinating road.

Of Thee I Sing Dianne Coon, 2014-02-27 What's your dream? Do you believe that God will answer your prayers so that you can fulfill that dream? Do you really believe that He is faithful? Unrealized dreams can cause deep pain that lasts for years. What takes away that pain? The journey through life is a learning process that each human must endure. I say endure because the learning is not always comfortable. You are not alone in anything you do. The lessons learned and talked about in this book can help anyone who is dealing with trouble, pain, human interaction or faith. By reading this book, the author hopes you will learn a little about music, a little more about life, and a lot about the love of God.

Breaking History: Lost America Don Rauf, 2019-01-15 Breaking History books offer a front-row seat to history as it broke like breaking news and give the blow-by-blow of historical discovery: what we learned, when we learned it, who made the discovery, and how. *Lost America* is an illustrated look at fascinating places in the United States that have existed only in myth and have never been found: those that were abandoned and why, and those that were lost to social upheaval or natural disaster. The book reviews the history behind these places: how they began, how long they endured, why they were lost, and how many have been rediscovered. Included are accounts of the mysterious disappearance of the Anasazi from the Southwest, the abandonment of the Roanoke Colony in 1590, the environmental disaster that caused the population of Centralia, Pennsylvania, to evacuate the town in the 1980s, and the nearly intact ghost town of Bodie, California. The book also includes places that were thought to exist but did not, or not yet anyway: legendary Norse settlements, lost cities of gold, and The Fountain of Youth.
