Modern Shapers of Baptist Thought in America William Powell Tuck,2012 *A Bombshell in the Baptistery* Justin Nalls,2019-03-14 Who should be baptized Should a person who has not been baptized be allowed to become a member of a church What happens when a person is baptized There are a number of important questions about baptism that call for biblical and theological reflection on a more fundamental question what is baptism Perhaps no one in the twentieth century addressed that question more thoroughly than British New Testament scholar George Beasley Murray While touching on a range of issues related to baptism this book explores the influence that Beasley Murray s work has had on the debate about the meaning of baptism and shows why his work was referred to as a bombshell in the baptistery **Baptist Theology** James Leo Garrett,2009 This title offers a comprehensive analysis of Baptist theology Embracing in one common trajectory the major Baptist confessions of faith the major Baptist theologians and the principal Baptist theological movements and controversies this book spans four centuries of Baptist doctrinal history Acknowledging first the pre 1609 roots patristic medieval and Reformational of Baptist theology it examines the Arminian versus Calvinist issues that were first expressed by the General Baptists and the Particular Baptists that dominated English and American Baptist theology during the seventeenth and eighteenth centuries from Helwys and Smyth and from Bunyan and Kiffin to Gill Fuller Backus and Boyce and that were quickened by the awakenings and the missionary movement Concurrently there were the Baptist defense of the Baptist distinctives vis a vis the pedobaptist world and the unfolding of a strong Baptist confessional tradition Then during the nineteenth and twentieth centuries the liberal versus evangelical issues became dominant with Hovey Strong Rauschenbusch and Henry in the North and Mullins Conner Hobbs and Criswell in the South even as a distinctive Baptist Landmarkism developed the discipline of biblical theology was practiced and a structured ecumenism was pursued Missiology both impacted Baptist theology and took it to all the continents where it became increasingly indigenous Conscious that Baptists belong to the free churches and to the believers churches a new generation of Baptist theologians at the advent of the twenty first century appears somewhat more Calvinist than Arminian and decidedly more evangelical than liberal **Baptists and Mission** Ian M. Randall,Anthony R. Cross,2008-03-01 Every three years since 1997 an International Conference on Baptist Studies has been held each conference being in a different country The theme in 2006 when the conference was held in Nova Scotia was Baptists and Mission This is a theme that has been at the heart of Baptist life Papers examined home and foreign mission evangelicalism and social concern This volume draws together a range of the papers that were delivered This volume has studies of significant Baptist figures such as Hanserd Knollys Andrew Fuller and Earl Merrick Home mission in a number of settings in North America and Europe is examined The range of places covered in the papers on overseas mission is considerable including Bolivia Mexico India Ivory Coast and Brazil All of these studies by

historians drawn from many different contexts add new insights in this crucial area of Baptist studies **Baptists and the Christian Tradition** Matthew Y. Emerson, Christopher W. Morgan, R. Lucas Stamps, 2020-06-15 In *Baptists and the Christian Tradition* editors Matthew Emerson Christopher Morgan and Lucas Stamps compile a series of essays advocating Baptist catholicity This approach presupposes a critical but charitable engagement with the whole church both past and present along with the desire to move beyond the false polarities of an Enlightenment based individualism on the one hand and a pastiche of postmodern relativism on the other **The A to Z of the Baptists** William H. Brackney, 2009-09-16 With 110 million members worldwide Baptists are surpassed only by Roman Catholic and Orthodox groups as the largest segment of Christians The term Baptist has its origins with the Anabaptists the denomination historically linked to the English Separatist movement of the 16th century Although Baptist churches are located throughout the world the largest group of Baptists lives in the Southern United States and the Baptist faith has historically exerted a powerful influence in that region of the country The *A to Z of the Baptists* relates the history of the Baptist Church through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on important events doctrines and the church founders leaders and other prominent figures who have made notable contributions This volume commemorates the 400th anniversary of the founding of the Baptist movement in 1609 **The Life and Writings of Thomas Helwys** Thomas Helwys, 2009 One of the earliest Baptist voices and martyr for his faith Thomas Helwys was the first permanent Baptist and founder of the first Baptist church in England He is best known for his seminal work on religious liberty *A Short Declaration of the Mystery of Iniquity* Helwys other extant writings include full length theological treatises personal letters and the first known English Baptist Confession of Faith These works demonstrate his theological shift from English Separatism to recognizable Baptist tenets His body of work clearly espouses religious liberty priesthood of all believers soul competency a reverence for the bible and the autonomy of the local church In *Thomas Helwys Life and Writings* Joe Early has provided the reader with a concise theological biography of Helwys and a compilation of all his extant writings It is the first time that all of Thomas Helwys writings have been available in one volume *Southern Baptists, Evangelicals, and the Future of Denominationalism* David S. Dockery, Ray Van Neste, Jerry Tidwell, 2011 Leading Southern Baptist and Evangelical scholars R Albert Mohler Jr Ed Stetzer Timothy George etc discuss the most significant challenges within denominationalism and evangelicalism

McKim,2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day The Secularization of Baptism demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross
