No King but God Michael Manning,2015-09-18 Can faith be an idol Can the state grant freedom What about wealth No King but God takes up the revolutionary cry found on the lips of Jesus and his contemporaries in the first century to argue that we need the same desire to see God as King in all areas of our lives From the marginal and prophetic perspective of the Isle of Man and informed by a decade of pioneering work among the homeless five contemporary idols are unmasked The church is given a provocative challenge to embody an alternative The response to the idols of faith freedom the state wealth and the individual is not right belief or special prayers but the humble path of walking as Jesus walked Soaked in scripture and hope this is a wooing invitation into true humanity painting a vision of a kingdom of peace and justice founded on the self giving love of Jesus It is a call towards and a glimpse of lives and a world where there is no King but God **Rights in Practice for People with a Learning Disability** Liz Tilly,Jan Walmsley,2023-12-29 This book aims

to raise awareness about the possibility of achieving the goals of the United Nations Convention on the Rights of Persons with Disabilities UNCRPD in order for all disabled people to enjoy the benefit of human rights The stories of people who have been supported to enjoy their rights and their citizenship will enable readers to focus on how services and support can enable people with a learning disability to have their rights upheld with an outcome of citizenship independence and achievement Despite the UNCRDP being in place since 2006 a significant number of learning disability service provider organisations and professionals in the UK are not aware of its existence This book aims to bridge the gap between policy and practice to demonstrate the value of a human rights approach as the foundation for services and support for people with a learning disability *The Political Economy of Low Carbon Transformation* Harold Wilhite,2016-03-10 Deep reductions in

energy use and carbon emissions will not be possible within political economies that are driven by the capitalist imperatives of growth commodification and individualization As such it has now become necessary to understand the relationship between capitalism and the emergence of high energy habits Using the examples of home energy transport and food The Political Economy of Low Carbon Transformation articulates the relationship between the politics of economic expansion and the formation of high energy habits at the level of family and household The book elaborates a theory of habit and how it can

contribute to this relationship It critiques mainstream green economy and green energy prescriptions for low carbon transformation that take economic growth for granted and ignore habits formed in a material world designed and built for high energy use The book explores the growing number of communities around the world that are engaged in collaborative efforts to reform their community and household habits in ways that are less environmentally intrusive It assesses their potential to make an impact on national and urban low carbon political agendas The book is aimed at a large and growing interdisciplinary audience interested in the relationship between political economy consumption and sustainability

House Sharing and Young Adults Vicky Clark,Keith Tuffin,2022-12-27 House Sharing and Young Adults offers unique insight into the dynamics of successful house sharing among young adults and questions some of the myths fostered by the negative stereotyping of housemates Illustrated with research from interviews with young adults it explores co residence interpersonal relationships and young people s development Beginning with an overview of the concept and history of house sharing among young adults Clark and Tuffin s volume also examines the reasons for the lack of research into the area up until recently It explores key questions including how young adults choose housemates what makes a desirable housemate avoiding complications the psychological advantages of house sharing how conflict arises and the impact of house sharing on adult development The authors challenge the stigma of shared domesticity demonstrating the potential of house sharing to enhance well being through companionship while acknowledging the potential pitfalls caused by tension in intimate settings House Sharing and Young Adults will be essential reading for both undergraduate and postgraduate students of social psychology developmental psychology sociology and anthropology as well as those interested in group dynamics housing demographics and discrimination
