## **Sharing Prayer Simple Formats For Small Groups:**

Sharing Prayer Mary Sue Taylor, 1988      **Small Groups Made Easy** Ryan Lokkesmoe, 2019-11-05 You're interested in leading a small group but you're a little afraid. What are you getting yourself into? How do you get started? Don't worry, you're not alone. Many small group leaders feel ill-equipped for the task of leading in spite of the many books, conferences, online resources, and church-based training opportunities that are available. Other small group books tend to focus on the overall theory of the small group's place in the life of the church rather than the day-to-day nuts and bolts. *Small Groups Made Easy* focuses on practical pointers, overcoming challenges, and how to lead discussions. Half the book is made up of short sample Bible studies and topical studies that include icebreaker questions, discussion questions about the text, and guides for leading prayer times. In this book, you'll discover all the tools you need to lead an effective small group.      *Creating Small Faith Communities* Arthur R. Baranowski, 1993 A plan for restructuring the parish and renewing Catholic life.

**Successful Small Groups** Kurt W. Johnson, 2011 In Matthew 28:18-20, Jesus makes the mission of the church abundantly clear: Go, therefore, and make disciples of all the nations. But how do you reach a twenty-first century society filled with diverse backgrounds and varying levels of religious interest? And how can you expect to grow the body of Christ when only half of your own congregation regularly attends services? The answer may be simpler than you think: involve and empower the laity in small group ministry. Kurt W. Johnson not only provides the tools for organizing and leading successful small groups but also explores the biblical and historical foundations for small group ministry. In this practical guide, Johnson illustrates the proven effectiveness that small groups have for both nurturing the spirituality of current church members and leading friends, neighbors, coworkers, and others to a saving relationship with Christ. Do you want to fulfill Jesus' Great Commission? Discover how you and your church can change the world around you through the power of the Holy Spirit, one disciple at a time. Kurt W. Johnson, D.Min., is the Bible school director for the Voice of Prophecy international radio ministry. His enthusiasm for small group ministry has led him to conduct training sessions internationally and to author multiple group Bible study guides, including *Face to Face With Jesus* and *Focus on Prophecy*. Book jacket      **Celebrate Recovery Leader's Guide, Revised and Updated** John Baker, 2025-07-01 A recovery program based on 8 principles from the Beatitudes. In this revised and newly updated handbook for leaders, there is a way the church can help the wounded move beyond their hurts, hang-ups, and habits to experience the forgiveness of Christ. Celebrate Recovery helps the church fulfill its role as Christ's healing agent. You don't have to lead alone. To lead people forward in spiritual, physical, and emotional restoration is to walk in the footsteps of Christ. And that's why the *Celebrate Recovery Leader's Guide* is so important. With everything you need to encourage lasting life change, the newly updated handbook is the best way to facilitate Celebrate Recovery in your church and help people look forward to a whole new future. The *Celebrate Recovery Leader's Guide* includes: A Celebrate Recovery start-up strategy, A clear, easy-to-follow format, Step-by-step instructions for each meeting, Guide for conducting leader training.
