Sharing Sam:

Sharing Sam Katherine Applegate, 2004 Originally published in mass market paperback this is the timeless poignant novel of two friends one of whom is dying who both fall for the same boy Sharing the Blue Crayon Mary Anne Buckley, 2023-10-10 Social and emotional learning is at the heart of good teaching but as standards and testing requirements consume classroom time and divert teachers focus these critical skills often get sidelined In Sharing the Blue Crayon Mary Anne Buckley shows teachers how to incorporate social and emotional learning into a busy day and then extend these skills to literacy lessons for young children Through simple activities such as read alouds sing alongs murals and performances students learn how to get along in a group empathize with others develop self control and give and receive feedback all while becoming confident readers and writers As Buckley shares Every day we ask young children to respectfully converse question debate and collaborate about literature science math problems history and more That s sophisticated stuff and requires sophisticated skills Social and emotional skills are essential to helping children communicate their knowledge and articulate their questions We must teach students how to build respectful caring classroom communities where students are supported and fully engaged in the learning and everyone can reach their potential In this fresh and original book Buckley captures the humor wonder honesty and worries of our youngest learners and helps teachers understand how to harness their creativity and guide their conversations toward richer expressions of knowledge Teachers of special populations will especially appreciate Buckley s successful strategies for reaching English language learners and children from high poverty homes who may not have strong foundations for academic discourse As Buckley reminds us By understanding one another orally and socially at first then using those community building exchanges to strengthen the skills of reading and writing we experience the authentic pride and sweet joys of learning understanding and connecting to one another **Sharing God's Passion** Paul Hedley Jones, 2025-08-28 This book seeks to illuminate the critical role the prophets played in God s overarching purposes for his creation and how we in the 21st century may also learn to collaborate with God Sharing God s Passion provides a comprehensive overview of the various dimensions of a prophetic spirituality through a series of seventeen studies each based on events in the life of the prophets starting with Moses through to the early church including two chapters on Jesus The studies offer in depth analyses of biblical texts suggestions for life application and questions for personal reflection or group discussion Caring is Sharing? Katherine Twamley, 2024-11-06 Caring is Sharing explores why and how mixed sex couples make decisions around parental leave at the transition to parenthood and how these decisions shape their work and family care practices during and after the leave period It does this through a longitudinal qualitative comparative analysis of mixed sex parent couples in England who do and do not share parental leave after the birth of their first child The study shows that men and women s visions and practices of family life are embedded in ideals of appropriate intimate relations and negotiated with real and imagined reactions from peers wider family and colleagues These

negotiations are often deeply emotional and shape how parents navigate the wider institutional and structural context in the UK where parental leave policy family and work norms are highly gendered The book shows that practices of couple intimacy in the UK influence the imaginaries of new parents and the processes through which they enact divisions of parental leave and ultimately of care In so doing it highlights the intersections of intimacy and equality contributing to debate around the stalled gender revolution and what is needed if UK parental leave policy is to become an effective driver of change in gender relations and family life Praise for *Caring is Sharing* Katherine Twamley's beautifully crafted book *Caring is Sharing* makes significant contributions to scholarly and public understandings of parents' relational negotiations and experiences of caring while sharing or not sharing parental leave time and the complexities of measuring policy effects This book embodies Twamley's outstanding qualitative research skills I was moved by her analysis of narratives of care and intimacy and impressed by her stellar parental leave policy recommendations Andrea Doucet Canada Research Chair in Gender Work and Care Brock University author of *Do Men Mother* This is what excellent sociology looks like Twamley presents us with an empirically grounded robust analysis of a pressing social issue the low take up of shared parental leave and in the process does some deep conceptual work that really extends scholarship in the fields of family gender and intimacy Rich poignant and beautifully readable I cannot recommend this book highly enough Dr Charlotte Faircloth UCL Social Research Institute A riveting good read using state of the art scholarly research to offer timely messages about gender equality outcomes for heterosexual couples trying to combine infant care and paid employment and shared parental leave policies A must read for anyone with an interest in parenting fairness and making a more liveable world Lynn Jamieson University of Edinburgh This book presents a rich analysis that explores parents' decisions about shared parental leave and how these decisions later affect their divisions of labour Through detailed quotes and anecdotes Dr Twamley reveals the promises and pitfalls of SPL providing recommendations on how leave policies may better promote gender equality Richard J Petts Ball State University

Between Us Girls Sally John, 2014-07-01 From bestselling Christian fiction author Sally John comes a brand new series featuring broken lives new beginnings and unexpected romance Welcome to Casa de Vida eleven quaint bungalows located three blocks from the Pacific Ocean in tiny Seaside Village California Owner Liv McAlister never advertises vacancies beyond a small hand lettered sign out front preferring to trust that God will send the right tenant at just the right time And He always does Meet Jasmyn Albright she's had more than her share of bad breaks lately beginning with the tornado that demolished her farmhouse Emotionally fragile and feeling utterly alone Jasmyn heads west hoping to outrun her heartbreak And she doesn't stop until she notices a small sign that reads Vacancy Before she's quite aware of how it all happened Jasmyn finds herself the newest tenant at Casa de Vida She hardly dares to hope that her fortunes might be about to change but of course when God is at work anything can happen and new beginnings are one of His specialties Sometimes among strangers family happens And sometimes when we least expect it romance is a welcome guest

Wynter's Journey Jennifer DeCuir, 2014-04-14 Tragedy tore Wynter and Sam apart before he could tell her how he felt about her Twelve years later fate dropped her off on his doorstep widowed desperately broke and very pregnant Sam has spent his entire adult life trying to forget Wynter and here she was ready to collect on a promise he'd made when he was young and in love His sense of honor dictated that he take her in when she needed him most It was only temporary after all But living under the same roof quickly led to old feelings resurfacing Now the one person he'd wanted to leave behind is the one person he can't let go She knew seeing her reminded Sam of everything he'd lost but Wynter had no choice If she were going to make it back to Scallop Shores to raise her baby she needed his help Only she hadn't counted on the long winter nights or getting reacquainted with a childhood friend she'd loved like a brother a friend who'd grown into a man she found herself wanting to get to know on a whole different level Delivering Wynter's baby at home during a fierce snow storm forces Sam to fill in as temporary dad It's a role he'd gladly make permanent Too bad the one place Wynter is determined to raise her daughter is the one place Sam swore he'd never step foot in again Had he gotten a second chance to tell her he loved her only to lose her again Or is this time for keeps

Sensuality Level Sensual *Traces, Codes, and Clues* Maureen T. Reddy, 2003 This text explores the ways in which crime fiction manipulates cultural constructions such as race and gender to inscribe dominant cultural discourses It notes that even those writers who set out to revise conventions repeatedly produce some of the genre's

most conservative elements **Maximum Performance** Nick Forster, 2005-01-01 This is a big book in more ways than one a detailed and illuminating exploration of leadership qualities attributes skills and competencies the mixture of theory reflective questions stories tools and practical exercises demand a level of thoughtful engagement and self reflection rarely required by books on leadership the Australian content is refreshing as is the lack of evangelistic promises of immediate transformation this book is firmly grounded in supporting the learning and skill development needed for maximum performance Boss magazine August p 55 The Australian Financial Review AFR Boss If we were giving a graduate level class in leadership and people management skills I m a UCLA Business and Management Program instructor I would choose this book as the text If a client asked for a great book to enhance his her leadership skills we consult in organization compensation and performance management this would be one of first books I would suggest It s that good The book offers a comprehensive guide for developing leadership and people management skills It s a powerful broad spectrum leadership toolkit with a wealth of information about skills and practices and hundreds of suggestions and opinions from business and political leaders consultants and academics This book is an outstanding resource for leaders and aspiring leaders It is filled with an abundance of insights the distinction it makes between a leader and a manager is one of the best if not the best we ve read Just a few of the subjects covered are the leadership as servant philosophy leaders as coaches and mentors communication motivation leading and managing teams women as leaders managing power politics and conflict leading organizational and cultural change creating an innovative organization leadership and people management in high tech networked and virtual organizations Throughout the book are bullet point lists exercises and to the point conclusions It is clearly written and superbly organized An excellent bibliography and subject index top off this outstanding work We highly recommend this book Yvette Borcia and Gerry Stern Stern s Management Review Maximum Performance is a comprehensive business tome Although it is designed for students busy executives who use the chapter summaries or chapter sections to focus on topics that interest them will find the book useful Organizations with large collections on management or leadership will want to buy it Business researchers with limited library space or who are looking for a good summary of current management topics may also find the book of value The strength of Maximum Performance is its breadth Forster touches on everything from whether leaders are born or made to Machiavellian strategies for dealing with toxic work environments Anyone interested in ideas on leadership will likely find several sections of interest Those sections that are particularly strong include the discussions on the different roles and organizational context of leadership key issues in motivating employees the team development process and best practices in leading organizational change Scott R Jenkins Business Information Alert Nick Forster s large text is for MBA students He writes in a clean clear style and frankly admits that leadership and people management skills cannot adequately be learned from books He knows however that good books can help and also that clich s of management can be inspirational and will be used widely though they call for close analysis of

substance or context He is in this a modern day Samuel Smiles equipped with a variety of diagnostic tools The Australian In my experience a major shortcoming of most how to books on leadership and management is that they purport to offer Silver Bullets magical solutions that once revealed will enrich and transform the reader and his or her organisation Regrettably

No Apologies Sybil Bartel,2025-02-11 A rock musician with emotional scars unexpectedly falls for a woman who helps him heal in this new adult romance Hard edged rocker Graham Allen has it all He s flush with cash from playing bass in a band by night and restoring classic cars by day And there are plenty of women willing to share his bed for a night complication free Perfect because if there s anything he learned from his past it was to never get attached to anything So when bartender Carly Sullivan flashes her innocent smile Graham isn t prepared for what happens next Two rules that s all Graham has never apologize and never fall in love He knows Carly is everything he should avoid Cheerful and sweet she has relationship written all over her But Graham can t stay away from her probing questions and concerned blue eyes When Graham discovers Carly is hiding a crushing secret he s prepared to risk it all Until in one single moment everything changes and Graham s past threatens to collide with his future His life is crumbling down around him and soon no apology in the world can save him He should ve known to walk away

So Many Ways of Loving CHRISTINE WEBBER,2021-06-17 So Many Ways of Loving is a novel in which at first glance nothing much happens there s no espionage no high speed car chases murders or haunted houses But in a sense everything happens loss death grief serious illness but also birth unexpected romance fresh adventures and numerous possibilities Three women in their 50s and 60s travel through the most momentous year of their lives and as they do so they are reminded of just how much we depend upon family friends and pets Dr Max Pemberton psychiatrist and Daily Mail columnist who has provided the cover quote for So Many Ways of Loving says This is a poignant and insightful tale of widowhood and other challenges of later life which really resonated with my clinical experience
