She is looking towards a man on her right. The man has short grey hair and is wearing a white t-shirt with a colorful graphic that includes the letters 'E' and 'S'. He is gesturing with his right hand while talking to her. They are outdoors, with a wooden fence and other people in the background.

More Questions than Answers Eleanor Shepherd, 2010-04-30 Why does it feel like most of the world today considers irrelevant the gospel we cherish and so faithfully proclaim in our churches Why do our Christian responses fail to satisfy the heart quests of our neighbors Does the shallowness of our neatly packaged answers alienate us from them and from each other More Questions than Answers offers the hope of reconciliation through exploring how we can develop listening relationships Walking together in what becomes a spiritual accompaniment we learn to attune ourselves to one another and to the Spirit within us Then we dare to reach across the chasm that separates us and discover an authentic faith emerges

Transforming Evangelism Henry H. Knight III, F. Douglas Powe Jr., 2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor
