Sharing Power Women Parliament Democracy:

Sharing Power Manon Tremblay, 2017-03-02 The representation of women in parliament is a subject of extensive research and a focus for political action in the last decade The wide variation in women's parliamentary presence contradicts the expectation that established or consolidated democracies are more supportive of the presence of women in political life than emerging democracies This volume explains this variation through a series of closely investigated case studies from the post Communist transition democracies of Eastern Europe and emerging democracies in Asia and the Middle East to the long established liberal democratic states The volume examines the history of women's legislative involvement clearly addressing the issue of equal opportunities for women in political life on a cross national basis It also identifies innovative solutions to redress the power sharing balance between women and men Offering a unique comparative perspective *Sharing Power* will appeal to students and scholars of politics women's studies history and legislative studies

Women in Executive Power Gretchen Bauer, Manon Tremblay, 2011-03-10 A comprehensive regional study of women in the political executive power

Representing Women in Parliament Marian Sawer, Manon Tremblay, Linda Trimble, 2006-09-27 Written by a major international team of authors this new study features twelve chapters on both new and established parliaments including Australia Canada New Zealand and the United Kingdom It tests the latest theories about women's political representation within Westminster style assemblies and is clearly organized into three key sections

Law and Gender in Modern Ireland Lynsey Black, Peter Dunne, 2019-02-21 *Law and Gender in Modern Ireland Critique and Reform* is the first generalist text to tackle the intersection of law and gender in this jurisdiction for over two decades As such it could hardly have come at a more opportune moment The topic of law and gender perhaps more so than at any other time in Irish history has assumed a dominant place in political and academic debate Among scholars and policy makers alike the regulation of gendered bodies and the legal status of sexual and gendered identities is now a highly visible fault line in public discourse Debates over reproductive justice exemplified by the recent referendum to remove the 8th Amendment increased rights for lesbian gay bisexual and transgender persons including the public sanctioned introduction of same sex marriage and the historic mistreatment of women and young girls have reshaped Irish public and political life and encouraged Irish society to re-examine long unchallenged gender norms While many traditional flashpoints remain such as abortion and prostitution sex work there are also new questions including surrogacy and the gendered experience of asylum frameworks which have emerged As policy makers seek to enact reforms they face a population with increasingly polarised perceptions of gender and a legal structure ill equipped for modern realities This edited volume directly addresses modern Irish debates on law and gender Providing an overview of the existing rules and standards as well as exploring possible options for reform the collection stands as an important statement on the law in this jurisdiction and as an invaluable resource for pursuing gendered social change While the edited collection applies a doctrinal methodology to explain current statutes case law and

administrative practices the contributors also invoke critical gender queer and race perspectives to identify and problematise existing and potential challenges This edited collection is essential reading for all who are interested in law gender and processes of social change in modern Ireland *Politics in the Republic of Ireland* John Coakley, Michael Gallagher, 2010

Politics in the Republic of Ireland is now available in a fully revised fifth edition Building on the success of the previous four editions it continues to provide an authoritative introduction to all aspects of politics in the Republic of Ireland Written by some of the foremost experts on Irish politics it explains analyzes and interprets the background to Irish government and contemporary political processes Bringing students up to date with the very latest developments Coakley and Gallagher combine real substance with a highly readable style providing an accessible textbook that meets the needs of all those who are interested in knowing how politics and government operate in Ireland

Stalled Linda Trimble, Jane Arscott, Manon Tremblay, 2013-05-31 Following significant increases in women's electoral representation in the 1980s and 90s progress has stalled Today there are only a few more women in Canada's parliament and legislatures than a decade ago What has happened to the representational gains for women and why does gender parity remain so elusive To answer these questions *Stalled* provides a detailed roadmap of women's political representation as candidates office holders cabinet ministers party leaders and as representatives of the Crown at all levels of government across Canada Comprehensive and accessible this volume makes clear that women are far from achieving equality in sites of formal political power

Questioning Gender Robyn Ryle, 2023-06-28 *Questioning Gender: A Sociological Exploration* aims to spark productive conversations and questions about gender and serve as a resource for exploring answers to many of those questions Rather than providing definitive answers this book aims to challenge students' preconceptions about gender and demonstrate how gender as a system creates and reinforces inequality Taking a global approach author Robyn Ryle uses both historical and cross cultural approaches to help students understand the socially constructed nature of gender Through examining contemporary topics including the MeToo movement sexual harassment in the workplace and the gender wage gap students will be prompted to think critically about past present and future gender related issues The Fifth Edition has been updated with expanded coverage of disability as it relates to gender discussion of issues related to transgender and nonbinary people and examination of the COVID 19 pandemic's gender related effects as well as updated data throughout

Gender Politics and Democracy in post-socialist Europe Yvonne Galligan, Sara Clavero, Marina Calloni, 2008-02-20 This book explores the politics of gender and democracy in post communist Europe Utilising the concept of political representation the book scrutinises women s legislative presence and highlights the opportunities and obstacles to parity democracy in this region of Europe The book examines the link between women s membership of national parliaments and the substantive representation of gender interests It investigates the role of civil society the state and the European Union in representing women s interests and in promoting gender politics The book provides an important and timely contribution to the classical political questions of who represents what is represented and how representation takes place In adopting an integrated approach to political representation the book extends current understanding of this fundamental concept Using new research it provides the first comprehensive comparative analysis of the interplay between emerging democracies and gender politics in post communist Europe

The Oxford Handbook of Political Institutions R. A. W. Rhodes, Sarah A. Binder, Bert A. Rockman, 2008-06-12 The study of political institutions is among the founding pillars of political science With the rise of the new institutionalism the study of institutions has returned to its place in the sun This volume provides a comprehensive survey of where we are in the study of political institutions covering both the traditional concerns of political science with constitutions federalism and bureaucracy and more recent interest in theory and the constructed nature of institutions The Oxford Handbook of Political Institutions draws together a galaxy of distinguished contributors drawn from leading universities across the world Authoritative reviews of the literature and assessments of future research directions will help to set the research agenda for the next decade

Canadian Studies in the New Millennium Patrick James, Mark J. Kasoff, 2008-01-01 This popular textbook offers a thorough and accessible approach to Canadian Studies through comparative analyses of Canada and the United States their histories geographies political systems economies and cultures Students and professors alike acknowledge it as an ideal tool for understanding the close relationship between the two countries their shared experiences and their differing views on a range of issues Fully revised and updated the second edition of Canadian Studies in the New Millennium includes new chapters on Demography and Immigration Policy the Environment and Civil Society and Social Policy all written by leading scholars and educators in the field At a time in which there is a growing mutual dependence between the US and Canada for security trade and investment Canadian Studies in the New Millennium will continue to be a valuable resource for students educators and practitioners on both sides of the border

Contagious Representation Frank C. Thames, Margaret S. Williams, 2013 Women s participation in parliaments high courts and executive offices worldwide has reached record high numbers but this global increase in women s representation masks significant variation among different democratic political systems For example in December of 2009 Rwanda s legislature contained 56% women while the U S Congress contained only about 17% and the Japanese Diet had only 11% Since 2000 only twenty seven women have achieved

executive office worldwide Contagious Representation is a comprehensive look at women's participation in all aspects of public life in the main democratic political institutions the executive the judiciary the legislature and within political parties Moving beyond studies of single countries and institutions Contagious Representation presents original data from 159 democratic countries spanning 50 years providing a comprehensive understanding of women in democracies worldwide The first volume to offer an analysis on all avenues for women's participation for such a lengthy time period Contagious Representation examines not only the causes of women's representation in the main democratic political institutions but also how women's representation in one institution affects the others Each chapter contains case studies and examples of the change in women's participation over time from around the world Thames and Williams definitively explain the rise decline or stagnant levels of women's political participation considering how representation is contagious across political institutions and gaining a better understanding of what factors affect women's political participation **Is Academic Feminism Dead?**

,2000-10 How can feminist theory be made more relevant to the very real struggles undertaken by women of all professions races classes and sexual orientations How can it be directed into more effective social activism and how is theory itself a form of practice **Women and Representation in Local Government** Barbara Pini,2013-03-01 Women and

Representation in Local Government opens up an opportunity to critique and move beyond suppositions and labels in relation to women in local government Presenting a wealth of new empirical material this book brings together international experts to examine and compare the presence of women at this level and features case studies on the US UK France Germany Spain Finland Uganda China Australia and New Zealand Divided into four main sections each explores a key theme related to the subject of women and representation in local government and engages with contemporary gender theory and the broader literature on women and politics The contributors explore local government as a gendered environment critiquing strategies to address the limited number of elected female members in local government and examine the impact of significant recent changes on local government through a gender lens Addressing key questions of how gender equality can be achieved in this sector it will be of strong interest to students and academics working in the fields of gender studies local government and international politics *Democratic Dilemmas of Multilevel Governance* J. DeBardeleben,A. Hurrelmann,2007-09-27

Focusing on the EU this volume with a combination of theoretical perspectives and empirical research examines the problems multilevel governance causes for democratic legitimacy by placing it in a comparative and theoretical context and explore how challenges faced by the EU compare with those faced by traditional federal systems worldwide **Garrulous Ego Trip Gang** Metuge Ekane,2019-09-23 THE LACK of transfiguration in low impact African academia with regards to cultivated and insensate academics is largely accountable for Africa's incapacity to reinvent transform and redeem the material condition of the African people Although this project is essentially a tale of woe regarding the largely unresponsive African academia it is also methodical in its orientation in a measure to divulge the sub rosa and hegemonic regimes which

preclude objective rationality in African intellectualism Transfiguration is a prerequisite to transformation The conceptual idea is that responsiveness and transformation are essentially about the pursuit of relative gains In Africa transformation can only be achieved when African people start observing Africa through African lenses This project is intended for researchers and students of Africa as they would be introduced to introspective intuition as a fundamental framework for societal remediation
