H. W. Dillard Wendell Berry Doris Betts William Goyen Mary Lee Settle Randall Kenan David Huddle Allan Gurganus Dorothy Allison these are a few of the writers Garrett has championed If some names sound less familiar Garrett in these pages will inspire readers to swift investigation The author's charm wit and anecdotal style make reading Southern Excursions a delight and yet there's no mistaking his erudition Wise like a prophet with a talent scout's enthusiasm Garrett is not afraid to tell unwelcome truths covering topics that include southern publishing houses and literary quarterlies the alliance between writers and academia the state of criticism and theory and most eloquently the persistence of place memory and the Civil War as themes in southern letters Southern Excursions is a book for the ages stowing as it does the sage views of one as learned respected and modest in his time as George Garrett My strong suggestion to readers he states is to plunge in and fare forward Experience the story before turning to or trusting the opinions and judgments of others myself included
