Shazka O Glupom Myshonke:

Russian Children's Literature and Culture Marina Balina, Larissa Rudova, 2013-02-01 Soviet literature in general and Soviet children's literature in particular have often been labeled by Western and post Soviet Russian scholars and critics as propaganda. Below the surface however Soviet children's literature and culture allowed its creators greater experimental and creative freedom than did the socialist realist culture for adults. This volume explores the importance of children's culture from literature to comics to theater to film in the formation of Soviet social identity and in connection with broader Russian culture history and society. *The History of Russian Literature on Film* Marina Korneeva, David Gillespie, 2023-12-28 Unlike most previous studies of literature and film which tend to privilege particular authors, texts or literary periods, David Gillespie and Marina Korneeva consider the multiple functions of filmed Russian literature as a cinematic subject in its own right, one reflecting the specific political and aesthetic priorities of different national and historical cinemas. In this first and only comprehensive study of cinema's various engagements of Russian literature focusing on the large period 1895-2015, *The History of Russian Literature on Film* highlights the ways these adaptations emerged from and continue to shape the social, artistic and commercial aspects of film history. *Dmitri Shostakovich* John Riley, 2004-11-26 Of all the major Soviet composers who worked in the cinema, the most prominent was Dmitri Shostakovich, who in addition to over a hundred works for the stage and concert hall wrote scores for almost forty films. Yet despite his reputation, this work when not completely overlooked has been poorly judged by the same criteria as his other music. Likewise while much attention has been paid to Soviet film, the crucial role played by the scores is all too often forgotten. This is the first book in English to look at Shostakovich's cinema career, discussing every film he scored, looking at the films themselves, tracing their relationship to the changing concerns and policies of the Soviet state and examining how the music works in context. John Riley also gives a fascinating account of the composer's life. This highly readable book will be welcomed equally by devotees of the composer, those interested in Soviet culture and cinema and general film music enthusiasts. *Yellow Crocodiles and Blue Oranges* David MacFadyen, 2005-05-20 MacFadyen further analyses Soviet animation through phenomenology, arguing that the latter is a viable alternative not only to dogmatic Marxism but also to the ideological vacuum of post-Soviet times. The book includes a comprehensive bibliography and filmography as well as a rich collection of images. **A Companion to Russian Cinema** Birgit Beumers, 2016-05-17 *A Companion to Russian Cinema* provides an exhaustive and carefully organised guide to the cinema of pre-Revolutionary Russia, of the Soviet era as well as post-Soviet Russian cinema, edited by one of the most established and knowledgeable scholars in Russian cinema studies. The most up-to-date and thorough coverage of Russian Soviet and post-Soviet cinema which also effectively fills gaps in the existing scholarship in the field. This is the first volume on Russian cinema to explore specifically the history of movie theatres, studios and educational institutions. The editor is one of the most established and knowledgeable scholars in Russian cinema studies and contributions come from leading experts.

in the field of Russian Studies Film Studies and Visual Culture Chapters consider the arts of scriptwriting sound production design costumes and cinematography Provides five portraits of key figures in Soviet and Russia film history whose works have been somewhat neglected Historical Dictionary of Russian and Soviet Cinema Peter Rollberg, 2016-07-20 Russian and Soviet cinema occupies a unique place in the history of world cinema Legendary filmmakers such as Sergei Eisenstein Vsevolod Pudovkin Dziga Vertov Andrei Tarkovsky and Sergei Paradjanov have created oeuvres that are being screened and studied all over the world The Soviet film industry was different from others because its main criterion of success was not profit but the ideological and aesthetic effect on the viewer Another important feature is Soviet cinema's multinational Eurasian character while Russian cinema was the largest other national cinemas such as Georgian Kazakh and Ukrainian played a decisive role for Soviet cinema as a whole The Historical Dictionary of Russian and Soviet Cinema provides a rich tapestry of factual information together with detailed critical assessments of individual artistic accomplishments This second edition of Historical Dictionary of Russian and Soviet Cinema contains a chronology an introduction and a bibliography The dictionary section has over 600 cross referenced entries on directors performers cinematographers composers designers producers and studios This book is an excellent access point for students researchers and anyone wanting to know more about Russian and Soviet Cinema **Skazka o glupom myshonke** Samuil Marshak, 1959 Skazka o glupom myshonke Samuil Marshak, 2025 **Dmitri Shostakovich**, 2005 This ultimate reference on the works of Dmitri Shostakovich presents a chronological list of works annotated with commentary and citing available publications There is also a systematic index of works grouping like compositions by format stage works orchestral works piano solo etc an index of opus numbers an alphabetical index of works and an alphabetical index of key names of librettists arrangers translators performers conductors and others associated with the music of Shostakovich **National Union Catalog**, 1983 **Сказка о глупом мышонке** **соч. 56** Dmitrii Dmitrievich Shostakovich, 1997 **Music, Books on Music, and Sound Recordings** Library of Congress, 1983 **The Firebird and the Factory** Kelly Miller, Margarita Nafpaktitis, Sasha Lurye, 2007 *Rusistika*, 1994 **Встречи и столкновения** Ben Hellman, 2009 **Сказка о глупом мышонке и другие сказки** Самуил Маршак, 2006 Includes *Skazka o glupom myshonke* and two other tales O glupom myshonke Vladimir Vasil'evich Lebedev, Samuil Ja Maršak, 1948 *Все сказки для малышей* Самуил Маршак, 2022 V knihu odnogo iz luchshikh detskikh po tovu S IA Marshaka Vse skazki dlia malyshe voshli stikhotvornye skazki dlia samykh malen kikh Skazka o glupom myshonke Skazka ob umnom myshonke Tikhaya skazka Kurochka riaba i desiat utiat i rasskaz Usaty polosaty Vyrastaia deti eshche dolgo pomniat poliubivshiesia iskrometnye marshakovskie stroki
