**Reading Comprehension: Science, Grade 5** Ruth Foster, Ruth FOSTER, 2007-06 High interest nonfiction articles help students learn about science and social studies topics while developing skills in reading comprehension Each story is followed by questions that cover main idea details vocabulary and critical reasoning The format is similar to that of standardized tests so as students progress through the book s units they are preparing for success in testing The Fossil Hunter Shelley Emling, 2009-10-13 At a time when women were excluded from science a young girl made a discovery that marked the birth of paleontology and continues to feed the debate about evolution to this day Mary Anning was only twelve

years old when in 1811 she discovered the first dinosaur skeleton of an ichthyosaur while fossil hunting on the cliffs of Lyme Regis England. Until Mary's incredible discovery it was widely believed that animals did not become extinct. The child of a poor family, Mary became a fossil hunter inspiring the tongue twister 'She Sells Sea Shells by the Seashore'. She attracted the attention of fossil collectors and eventually the scientific world. Once news of the fossils reached the halls of academia it became impossible to ignore the truth. Mary's peculiar finds helped lay the groundwork for Charles Darwin's theory of evolution laid out in his 'On the Origin of Species'. Darwin drew on Mary's fossilized creatures as irrefutable evidence that life in the past was nothing like life in the present. A story worthy of Dickens, 'The Fossil Hunter' chronicles the life of this young girl with dirt under her fingernails and not a shilling to buy dinner who became a world renowned paleontologist. Dickens himself said of Mary, 'The carpenter's daughter has won a name for herself and deserved to win it'. Here at last Shelley Emling returns Mary Anning of whom Stephen J Gould remarked is probably the most important unsung or inadequately sung collecting force in the history of paleontology to her deserved place in history.

**Dorset (Slow Travel)** Alexandra Richards, 2024-08-28. This new thoroughly updated fourth edition of 'Dorset Slow Travel' Bradt's popular and distinctive guide offers in depth exploration of one of England's most popular counties. Author Alexandra Richards, Dorset born and bred, shares local insights to offer a wider, more personal selection of places to explore than any other guide, including attractions known only to locals who normally keep the county's treasures to themselves. The result encourages you to slow down and appreciate why this county deserves repeat visits. Dorset is quintessential rural England: rolling hills, thatched houses, winding lanes, and stunning stately homes. Enchanting Dorset landscapes described in Thomas Hardy's 19th century novels are largely unchanged and are likely to remain so, given that Dorset enjoys England's highest proportion of conservation areas. The county is trimmed by the spectacular Jurassic Coast, starring locations such as Durdle Door and Lulworth Cove, England's first natural World Heritage Site, whose cliffs are continuously revealing their prehistoric fossilised secrets. History buffs meanwhile will love innumerable sites of archaeological interest, including Britain's largest Iron Age hillfort, Maiden Castle. Practical information covers where and what to eat, where and what to see, and how to get around. This fourth edition integrates recent changes across the county, covers additional villages in north Dorset, celebrates child friendly activities, introduces local food and drink producers, artisans, and community projects, and suggests new walks. Discover Dorset's award winning vodka made from milk, discover what really goes on at the Filly Loo Festival, challenge your tastebuds at the Great Dorset Chilli Festival, hunt fossils on beaches featured in the biopic film 'Ammonite' where Kate Winslet portrays world famous palaeontologist Mary Anning, learn where never to say the word 'rabbits', and why. Discover the Lyme Regis rubber duck race and get to grips with the fabulous Dorset dialect. Whatever your interest, be it local food, tours of award winning wineries, horseriding, relaxing on award winning

beaches or spectacular coastal hikes Dorset Slow Travel remains the essential companion guide for both enjoying the obvious sites and getting off the beaten track to understand what really makes this gorgeous varied county tick
