Sheffield Local Executive Committee, David Leslie Linton, A Bibliography of British History, 1914-1989 Keith Robbins, American Historical Association, Royal Historical Society (Great Britain), 1996 Containing over 25 000 entries this unique volume will be absolutely indispensable for all those with an interest in Britain in the twentieth century Accessibly arranged by theme with helpful introductions to each chapter a huge range of topics is covered There is a comprehensive index **The Industrial Legacy & Landscapes of Sheffield and South Yorkshire** Ian D. Rotherham, Christine Handley (eds), 2017 The chapters in the book reflect some of the breadth of industrial development and its effects that took place in and around Sheffield South Yorkshire from the eighteenth century onwards It looks at great landowners and at ordinary townsfolk and the impacts that industrial development had on them and their environment Containing chapters by Professors Ian Rotherham David Hey and Melvyn Jones and Dr Leonie Skelton *Guide to Reference Material: Social & historical sciences, philosophy & religion* Albert John Walford, Library Association, 1973 **The Story of Sheffield** Tim Cooper, 2021-11-19 Sheffield's story is one of fierce independence and a revolutionary spirit its industrial origins having their roots in the same forests as the legends of Robin Hood From Huntsman's crucible steel in the eighteenth century to Brearley's stainless steel in the twentieth Sheffield forged the very fabric of the modern world As the industrial age drew to a close the city's reputation for rebelliousness spawned its popular reputation as capital of the People's Republic of South Yorkshire Yet in the wake of the Miners Strike and the Hillsborough Disaster the early twenty first century has seen Sheffield retain its unique character while reinventing itself as a centre of education creativity and innovation **A Tale Of Two Cities** Karen Evans, Penny Fraser, Ian Taylor, 2002-11-01 A Tale of Two Cities is a study of two major cities Manchester and Sheffield Drawing on the work of major theorists the authors explore the everyday life making contributions to our understanding of the defining activities of life **Geological Excursions in the Sheffield Region and the Peak District National Park**

Roger Neves,1968 **A Tale of Two Cities** Ian Taylor,Karen Evans,Penny Fraser,1996 A Tale of Two Cities is a study of two major cities Manchester and Sheffield Drawing on the work of major theorists the authors explore the everyday life making contributions to our understanding of the defining activities of life **Cinemas and Cinema-Going in the United Kingdom: Decades of Decline, 1945-65** Sam Manning,2020-03-31 Cinema going was the most popular commercial leisure activity in the first half of the twentieth century peaking in 1946 with 1 6 billion recorded admissions Though going to the pictures remained a popular pastime the transition to peacetime altered citizens leisure habits During the 1950s increased affluence the growth of television ownership and the diversification of leisure led to rapid declines in attendance Cinema attendances fell in all regions but the speed nature and extent of decline varied widely across the United Kingdom By linking national developments to detailed case studies of Belfast and Sheffield this book adds nuance to our understanding of regional variations in film exhibition audience habits and cinema going experiences during a period of profound social and cultural change Drawing on a wide range of quantitative and qualitative sources Cinema and Cinema Going conveys the diverse nature of this important industry and the significance of place as a determinant of film attendance in post war Britain

The Victorian Music Hall Dagmar Kift,1996-10-24 With the exception of the occasional local case study music hall history has until now been presented as the history of the London halls This book attempts to redress the balance by setting music hall history within a national perspective Kift also sheds a new light on the roles of managements performers and audiences For example the author confutes the commonly held assumption that most women in the halls were prostitutes and shows them to have been working women accompanied by workmates of both sexes or by their families She argues that before the 1890s the halls catered predominantly to working class and lower middle class audiences of men and women of all ages and were instrumental in giving them a strong and self confident identity The hall s ability to sustain a distinct class awareness was one of their greatest strengths but this factor was also at the root of many of the controversies which surrounded them These controversies are at the centre of the book and Kift treats them as test cases for social relations which provide fresh insights into nineteenth century British society and politics **The Geomorphology of North-west England** Richard Hugh

Johnson,1985 **Political Poetry as Discourse** Angela M. Leonard,2010-01-01 Political Poetry as Discourse examines the works of the political poets John Greenleaf Whittier and Ebenezer Elliott drawing comparisons to contemporary hip hoppers who take their words from local newspapers and other discursive sources that they read hear and observe Local presses and news vehicles stand as cultural material forms that supply poets with words particularly words that congeal into patterns of language allowing the creation of a poetic discourse As readers of these poets apply techniques and theories of discourse analysis they reveal how poets borrow lift hijack or resituate words from one or more different genres to use as tools of political change Leonard engages with the critical toolboxes of content analysis semiosis and deconstruction to demonstrate how to critically investigate and interrogate the images sounds and words not just of politically engaged poets but also of any

disseminator of culture and news Moving beyond theory into praxis this book becomes a model of its own transgressive premise by thinking analyzing writing and teaching against the grain Its focus on language as unbounded discourse makes this book a relevant and insightful demonstration in democratic pedagogy and in teaching for transformation **Sheffield and Its Region a Scientific and Historical Survey Pub by the Local Executive Cttee SHEFFIELD.,1956**
