

ABSTRACT

This chapter reviews empirical and theoretical work within critical studies on men and masculinities (CSMM), drawing on extensive empirical and theoretical studies relevant to psychology and social psychology. The chapter focuses on gender relations and power dynamics, social structures, intersectionality, bodies, practices, and identities, both individual and collective. The chapter first maps the key theoretical developments of CSMM, historically and conceptually, before moving to focus on two important contemporary issues: first, the development of more egalitarian masculinities, and, second, the explanations for various non-egalitarian masculinities, such those linked to incel and Alt-Right movements, both online and offline.

Masculinities And Identities:

Masculinities and Identities David Buchbinder, 1994-01-01 Why does masculinity find itself in crisis nowadays This book traces some causes of this crisis the developing interest in masculinity and the creation of men's studies as an academic subject Issues discussed include the effects on men of patriarchal ideologies phallocentrism male sexuality both heterosexual and homosexual and marginal identities such as the cross dresser Different strands of masculine discourse are identified and examined in a variety of texts ranging from the early decades of the 20th century to the present Opera film and current news stories provide examples for exploring the ways in which we construct masculinity **Studying Men and Masculinities**

David Buchbinder, 2013 The late twentieth century anxiety about a crisis in masculinity still persists today particularly in English speaking cultures Studying Men and Masculinities offers an engaging and comprehensive overview of masculinity Drawing on a wide range of cultural practices and texts from different genres and media David Buchbinder examines the notion of patriarchy and the challenges to patriarchal power including queer theory The book considers whether crisis may in fact be built into the very structure of the masculine and examines emergent masculinities post 9 11 Theoretical positions within the field are clearly explained and applied to real life case studies from literature film and television Interspersed in each chapter are a series of questions and tasks aimed at encouraging the reader to engage her/himself in the study of masculinities in everyday life and popular culture This topical and thought provoking book will be an invaluable resource for students of masculinities studies sexuality studies cultural studies and gender theory **Masculinities and Place** Andrew

Gorman-Murray, Peter Hopkins, 2016-05-06 Masculinities and Place bring together an impressive range of high profile and emerging researchers to consolidate and expand new domains of interest in the geographies of men and masculinities It is structured around key and emerging themes within recently completed and on going research about the intersections between men masculinities and place Building upon broader themes in social and cultural geographies cultural economy and urban rural studies the collection is organised around the key themes of theorising masculinities and place intersectionality home family domestic labour work and health and well being **Men and Masculinities** Chris Haywood, Mairtin Mac an

Ghaill, 2003-01-16 a sharp and impressive book providing an excellent advanced introductory text to the field The book combines an impressive range of contextual and theoretical analysis suggests new directions for research and provides a critically self aware analysis of methodological issues Sociology Are all men the same What do men want What makes a real man During the past decade questions such as these have been raised across social and cultural arenas in local and global contexts In response this lively and engaging book adopts an international perspective and meets the current need for a comprehensive introduction to contemporary debates about men and masculinity Through a broad critical review of masculinity studies the book provides an original synthesis of main theories key concepts and empirical research Designed to provide an up to date guide to the field it combines the traditional sociological enquiry into the family work and education

with contemporary concerns about multiple identities globalization and late modernity Written in a clear and engaging style this text is essential reading for those studying men and masculinities across sociology gender sexuality studies cultural studies and politics as well as anyone with a wider interest in the future of gender relations Spaces of Masculinities Kathrin Hörschelmann, Bettina van Hoven, 2013-03-07 Changing circumstances in Western and global societies have introduced new constraints and opportunities for men and the formation of male identities Meanwhile the emerging diversity of atypical identities atypical when compared with traditional conceptions of middle class white heterosexual men poses new challenges for the production and use of spaces Spaces of Masculinities provides a comprehensive introduction to the innovative and diverse research on spaces of masculinity Drawing on a variety of geographical research projects the central concern of the book is to highlight the significance of research on masculinity in sociological and geographical work dealing with constructions of gender

Boxing, Masculinity and Identity Kath Woodward, 2006-11-10 Boxing is infused with ideas about masculinity power race and social class and as such is an ideal lens through which social scientists can examine key modern themes In addition its inherent contradictions of extreme violence and beauty and of discipline and excess have long been a source of inspiration for writers and film makers Essential reading for anyone interested in the sociology of sport and cultural representations of gender Boxing Masculinity and Identity brings together ethnographic research with material from film literature and journalism Through this combination of theoretical insight and cultural awareness Woodward explores the social constructs around boxing and our experience and understanding of central issues including masculinity mind body and the construction of identity spectacle and performance tensions between the public and private person boxing on film the role of cultural representations in building identities methodologies issues of authenticity and truth in social science

Handbook of Studies on Men and Masculinities Michael S. Kimmel, Jeff Hearn, Raewyn Connell, 2005 In the past research in the field of gender has mainly addressed issues about women and has for the most part been developed by women Recently the study of gender has rapidly expanded and there has been a growing interest in men s and boys identities conduct and problems The Handbook of Studies on Men and Masculinities is an interdisciplinary and international culmination of the growth of men s studies that also offers insight about future directions for the field The Handbook provides a broad view of masculinities primarily across the social sciences with the inclusion of important debates in some areas of the humanities and natural sciences The various approaches presented in this Handbook range across different disciplines theoretical perspectives methodologies and conceptualizations in relation to the topic of men Editors Michael S Kimmel Jeff Hearn and Robert W Connell have assembled an esteemed group of contributors who are among the best known experts in their particular fields The Handbook of Studies on Men and Masculinities examines the construction of masculinities in four different frames the social organization of masculinities in their global and regional iterations the institutional reproduction and articulation of masculinities the ways in which masculinities are organized and practiced

within a context of gender relations and the ways in which individual men express and understand their gendered identities The Handbook is organized in a way that moves from the larger global and institutional articulations of masculinities to the more intimate and personal expressions The Handbook of Studies on Men and Masculinities provides scholars researchers and students with the most current incisive scholarship available for the men s studies area of gender studies It is a vital resource for those interested in the practical or cultural issues about men boys and gender as well as an excellent addition to any academic library

Men, Masculinities, and Aging Edward H. Thompson, Jr., 2018-09-18 Men Masculinities and Aging introduces readers to the gendered nature of aging men's lives Edward H Thompson noted for his work on men and aging explores the intersections of ethnicities class geographies generations and masculinities The book offers a fresh perspective on men's experiences with bodily aging growing older in an ageist society and navigating the virtual absence of cultural guidelines for being an aging man The book also provides a sociological theory framework on how men navigate their social aging as they experience later life and very late life Turning points such as grandfathering the changeover from work to retirement and the onset of health problems or becoming a career are discussed at length as Thompson frames these natural occurrences as now ordinary experiences as aging masculinities are no longer rarities The book will provide educators students researchers and practitioners a means to question standard assumptions about aging men and discuss what underlies most later life masculinities

Engaging Boys in Active Literacy William G. Brozo, 2019-05-23 Provides strong research analysis alongside effective instructional approaches to increasing boys literacy skills and motivation

Jewish Masculinity in the Holocaust
Maddy Carey, 2017-10-05 This book explores for the first time the impact of the Holocaust on the gender identities of Jewish men Drawing on historical and sociological arguments it specifically looks at the experiences of men in France Holland Belgium and Poland Jewish Masculinity in the Holocaust starts by examining the gendered environment and ideas of Jewish

masculinity during the interwar period and in the run up to the Holocaust The volume then goes on to explore the effect of Nazi persecution on various elements of male gender identity analysing a wide range of sources including diaries and journals written at the time underground ghetto newspapers and numerous memoirs written in the intervening years by survivors Taken together these sources show that Jewish masculinities were severely damaged in the initial phases of persecution particularly because men were unable to perform the gendered roles they expected of themselves More controversially however Maddy Carey also shows that the escalation of the persecution and later enclosure whether through ghettoisation or hiding offered men the opportunity to reassert their masculine identities Finally the book discusses the impact of the Holocaust on the practice of fatherhood and considers its effect on the transmission of masculinity This important study breaks new ground in its coverage of gender and masculinities and is an important text for anyone studying the history of the Holocaust

Masculine Power and Gender Equality: Masculinities as Change Agents Russell Luyt, Kathleen Starck, 2020-03-03 This book explores how political institutions can challenge dominant and normative masculinities guiding thinking instead toward a transformation of gendered power structures and general equality Representing a range of relevant areas the expert chapter authors provide various methodological and theoretical approaches applied to shifting gender meanings in cultural national and social contexts Authors also represent a variety of cultures contributing to the multi perspective debate about how best to achieve gender equality in the real world Among the topics discussed Reimagining masculinities their everyday practice and practical interventions Towards a feminist theory of male rape Political implications of challenging men s everyday practices through domestic violence primary prevention work Men as allies a case study of White Ribbon Australia Masculine Power and Gender Equality Masculinities as Change Agents provides valuable insight into strategies for re imagining male dominated power structures and promoting gender equality
